

WHO IS THE REAL DAUGHTER: MISS LIN TAKES NO NONSENSE AFTER HER REBIRTH

Chapter 15: Are You Sick?

Perhaps it was because Lin Yin's gaze was too obvious, but Su Fei saw her too.

Lin Yin changed her clothes. It took Su Fei a few glances to be sure that the person sitting there was Lin Yin.

Thinking about everything that had happened before, malice flashed across Su Fei's eyes. She immediately lowered her head, tears of grievance in her eyes, and pretended not to dare to look at Lin Yin.

Her attentive best friend, Shi Dai, immediately noticed Su Fei's abnormality. She followed Su Fei's gaze and effortlessly found Lin Yin.

"Feifei, is that someone you know?" Shi Dai asked.

Su Fei wiped her tears and shook her head. "Let's go." She looked like she was about to leave.

Of course, Shi Dai did not agree. If Su Fei was in trouble, she, as a friend, had to help!

Ignoring Su Fei's obstruction, Shi Dai rushed in front of Lin Yin. She was aggressive and the waiter was unable to stop her even if he wanted to.

Su Fei's lips curled into a sneer as she watched Shi Dai's actions.

Although Shi Dai had never met Lin Yin, she had heard a lot of Su Fei's complaints in the past few days. When she saw Su Fei's reaction, she could guess what was going on.

She was just an adopted daughter, yet she dared to bully Su Fei because of her soft personality. In just two days, she had snatched many of Su Fei's things. Today, she would teach this arrogant b*tch a lesson!

"You, come out!" Shi Dai said arrogantly to Lin Yin.

Shi Dai thought that she would stun Lin Yin, but she did not even look up at her.

"Hey, I'm talking to you. Didn't you hear me?" Shi Dai was exasperated. This woman from the slums actually dared to ignore her.

The waiter said helplessly to Shi Dai, "Madam, please..."

“Get lost! You have no right to speak here!” Shi Dai interrupted the waiter disdainfully. “You’re just a lowly person. You have no right to speak to me!”

“Is making a fuss in public the upbringing of you rich families?” Lin Yin looked at Shi Dai coldly.

She was the best gun in Su Fei’s hand. As long as Su Fei pretended to be weak, she would rush out and seek justice for Su Fei.

She should really let Chu Yun see her shouting and saying that she was uneducated? Ha, she didn’t know who was uneducated.

“No wonder the elders of the Su Family said that I have no upbringing. It would be good if I learned your manners.” Lin Yin smiled and said, “I was ignorant.”

“You!” Shi Dai pointed at Lin Yin, so angry that she couldn’t speak.

Lin Yin raised her eyebrows in confusion. “Are you crazy? You rushed in front of me and shouted, and now you want to criticize me?”

At this moment, Su Fei and her other best friend, Ji Yun, walked forward. Su Fei pretended to have just noticed and said nervously, “Stop arguing, Sister Lin Yin. This is my friend, Shi Dai. This is Ji Yun. They might have a misunderstanding about you...”

“Misunderstanding?” Lin Yin smiled. “I want to hear what kind of misunderstanding it is.”

“You’re just an adopted daughter. If you can enter the Su Family, you should tuck your tail between your legs. You still want to bully the legitimate eldest daughter. You’re really shameless!” Ji Yun was straightforward. Since Shi Dai did not gain any advantage, she immediately joined the battle.

Seeing Lin Yin’s attitude, Ji Yun understood more than half of Su Fei’s situation.

This adopted daughter was no different from an ordinary philistine. One could imagine the grievances Su Fei had suffered at home.

If she didn’t teach her a lesson now, she would bully Su Fei even more in the future.

Su Fei’s eyes filled with tears. “If you two continue to argue, I don’t know what to do.”

Everyone in the restaurant looked at them. Someone left early in displeasure. The waiter apologized as he settled the bill.

Lin Yin looked up at the three people in front of her. Very good. Everyone who often bullied her in her previous life had gathered.

Lin Yin looked sympathetically at the indignant Shi Dai and Ji Yun. These two stupid people had been played by Su Fei and thought that they were the messengers of justice.

With their brains, even if they were sold by Su Fei, they would probably still help her count the money. She was in a good mood today, so she would just be a good person.

Lin Yin stood up and picked up her wine glass, pouring the rest of the red wine on Shi Dai's head.

Lin Yin's movements were very agile. Shi Dai couldn't dodge in time and was covered in wine.

No one expected Lin Yin to do such a thing. The three of them exclaimed and hurriedly helped Shi Dai deal with the red wine on her body.

"I'm sorry, it's the first time a country bumpkin drank red wine. The cup's filled." Lin Yin apologized and didn't forget to ridicule her. "I helped you wash your useless brain. You don't have to thank me."
