

Real Daughter 181

Chapter 181: Her Princess

"Aunt, although I don't know what happened back then, I know that you're not responsible for this. Don't blame yourself too much."

Mu Xiao knew that his aunt was really good to his mother. If that accident hadn't happened back then, they would definitely be good friends now.

"I know, but if I hadn't asked your mother to accompany me, your one-month-old little sister wouldn't have been stolen."

"At that time, your little sister was stolen by the nanny. The entire Mu Family was about to go crazy from anxiety. Big Brother used all his power and connections to search for the nanny crazily, but no one expected that they would find her cold corpse in the river in the end."

Mu Yao looked a little haggard. When she thought of what happened back then, she could not help but feel sad.

"The police got all the surveillance footage from the cameras by the river. In the end, they only found a video of the nanny carrying your sister and jumping into the river."

Mu Xiao grabbed the key to the matter and asked Mu Yao, "Aunt, I remember that we didn't find Sister's corpse at that time, right?"

Mu Yao shook her head and sighed. "The surveillance cameras are very clear. Although your sister's body was not found, the nanny carrying your sister in the video is especially clear. We can confirm that she jumped into the river with the child."

Mu Yao's face was a little pale, and her voice was a little choked. "As for why there's no corpse, the police said that there were some crocodiles in that river. There were also some bite wounds on the nanny's corpse. The child might have been eaten..."

Mu Yao's eyes were already red as she said with a trembling voice, "Your mother really can't accept the reality of her child being eaten, so she broke down. Ah Wen was a weak and timid girl when she was in school. How can she withstand such a blow?"

Mu Xiao's expression was solemn, but he still caught the key part of Mu Yao's words. No one could prove that his sister had died in the river. Even if on the surveillance cameras, the nanny jumped into the river with a child, that child might not be his real sister. She might have been deliberately replaced. "Little Xiao, how has Ah Wen been recently?"

Mu Yao had always been worried about Ye Wen's condition, but as long as she appeared in front of Ye Wen, she would recall the past and could not control her emotions.

Therefore, all these years, Mu Yao had been hiding at the door and secretly looking at Ye Wen. She had never dared to talk to her face-to-face.

"Fortunately, I gave Mother a series of hypnotherapy sessions. I'm sure it won't be long before she can try to meet you."

An important reason why Mu Xiao was a doctor was because of his mother, Ye Wen.

When Mu Xiao was eight years old, his sister died tragically. Ever since then, his mother had been a little abnormal. She would always cry and scream from time to time. His father, Mu Xiao, had invited famous doctors from all over the world, but it had been useless for Ye Wen's treatment. She was also sometimes awake and sometimes crazy.

Mu Xiao's childhood was almost without his mother's involvement. In his impression, his mother would always sit alone by the bed in a daze, holding an exquisite doll in her arms and whispering his sister's name, Mu Tian.

Mu Xiao did not understand why his mother had been like this. He only knew that when his mother's illness acted up, his father would invite many doctors in white coats to his house. Then, his mother's condition would stabilize for a period of time, but as long as she came into contact with something related to Mu Tian's murder in the past, it would act up again.

Therefore, it was also because of this experience that Mu Xiao yearned for the profession of a doctor. He hoped that one day, he could wear a white coat and be by his mother's side when she fell ill. He would heal her bit by bit and not let her suffer so much.

Due to Ye Wen's increasingly fragile mental state, Mu Qi could only buy a beautiful but extremely remote villa in the deepest part of the suburbs. He placed Ye Wen there to take care of her and not let anyone approach her.

Mu Xiao and the other two brothers only went to the villa in the suburbs to visit Ye Wen on time. Sometimes, she would recognize her sons, but sometimes, she would be in a daze and say that she only had one daughter.

Mu Qi had never given up on treating Ye Wen, but the doctor said that Ye Wen was too sad. Even if she was cured, it would be difficult for her to live like an ordinary person. Her mind would be extremely fragile.

Mu Yao knew that Ye Wen loved that newborn child very much, so she blamed herself.

When she was in university, Ye Wen had told her that she wanted to give birth to a daughter with Mu Yu after they got married. She wanted to raise her like a little princess and give her the best so that her little princess would become the happiest person in the world..

Chapter 182: Maybe Alive

Mu Yao understood why Ye Wen was in so much pain and collapsed. She regretted it very much. If she had not called Ye Wen over back then, the nanny would not have had the chance to take the child away.

"Little Xiao, did you discover something?"

Mu Yao's eyes were filled with anticipation as she added, "At that time, the police said that the motive of the nanny's crime was unknown. She might have resented the Mu family for some unintentional small matter, or she was jealous of the Mu family's assets and happiness because her life was too hard."

Wen Rui looked at his wife, who looked like she was in pain, and said to Mu Xiao, "At that time, the murderer was already dead, and the nanny's social relationship was very simple. She didn't have any relatives, so this case could only be dropped."

Wen Rui also had a deep impression of this matter. At that time, Mu Yao had just given birth to Wen Yu. When she found out about this, she was devastated and lost more than 10 kilograms.

On one hand, he had to take care of the newborn Wen Yu, on the other hand, he had to take care of his weak wife. He also had to investigate the matter of the child on behalf of his eldest brother, Mu Yu. It was an extremely painful experience.

"I didn't discover anything. I just met a girl who looks a little like me recently. I boldly guessed if it was possible that my little sister didn't die back then."

Mu Xiao became more and more suspicious of Lin Yin's identity. He felt that Lin Yin was very likely his sister because Lin Yin had inherited the characteristics of the Mu family, be it her personality or appearance.

"Cousin, you're too unreliable. There are many people who look like you."

Wen Yu pursed his lips and felt that Mu Xiao's guess was really irrelevant. On second thought, he smiled at Mu Xiao and said, "However, if that girl looks like you, she'll definitely be very beautiful, right? Cousin, do you have a way to contact her?"

"Young brat, can you be more serious?!" Wen Rui looked at his son and sighed helplessly.

"Little Xiao, if it's convenient for that child, you can bring her over for me to see." Mu Yao was a little curious about the girl Mu Xiao was talking about. "That's right. Cousin, bring her over. My mother will know when she sees her."

After Wen Yu finished speaking, his father knocked his head hard. Wen Rui said to Mu Xiao, "There's no need to go through so much trouble. We can just find an opportunity to do a paternity test."

"Uncle is right. I'll find an opportunity to test it. I hope there's good news." Mu Xiao stood up and prepared to leave.

Mu Yao stood up to send Mu Xiao out. She thought for a moment and said to him, "It's fine even if it's not your sister. Bring it over for Auntie to see. If the young lady has a good personality, it's not impossible for you to acknowledge her as a sister."

Mu Xiao nodded and drove away from Auntie and Uncle's house.

"Why did you ask Little Xiao to bring that child to our house?" Wen Rui was a little puzzled. Mu Yao was not someone who liked to meet strangers.

"Didn't Little Xiao say that the child looked like him?"

There was a smile in Mu Yao's eyes. "Maybe it's because they look like husband and wife. My brother has always been anxious that the three children of the Mu family are not married, but there's nothing he can do. Ah Wen is still the same. It's difficult for her to take care of herself. As their Auntie, how can I not help them?"

Mu Yao sighed softly. "Those three children are exceptionally outstanding. They're handsome and capable. The Mu family's business is huge. I don't want them to enter into a business marriage. There are too many girls who want their assets. If Little Xiao can find a girlfriend, I, as an Auntie, will definitely support him fully."

When Wen Rui heard his wife's words, he sighed at her good intentions.

"Perhaps a business marriage is the most suitable arrangement. I heard from Eldest Brother that the youngest daughter of the Wen Family has always been interested in Little Ran. Previously, the Wen Family even talked to Eldest

Brother about a marriage alliance."

"The Wen Family?" Mu Yao thought for a moment and asked, "The small celebrity who filmed a few advertisements?"

Wen Yu realized that his parents were talking about Wen Ying and immediately said, "You're talking about Sister Wen Ying, right? She's not bad and she's quite beautiful."

When Mu Yao heard her son's words, she shook her head at Wen Rui. "No, anyone who can get to know this kid can't be anything good. Mu Ran is still young. He's not in a hurry to start a family."

Wen Yu looked a little embarrassed. He did not expect that he would be the one who did not help.

"Big Brother also said that there's no hurry, but there are still many people who want to send their daughters to Mu Heng's side." Wen Rui actually felt that Mu Heng should start a family at his age.

"The Jiang family's youngest daughter is not bad. I saw her once. She's beautiful, polite, and not ostentatious. But that brother of hers doesn't look very reliable.."

Chapter 183: Mature Woman

Mu Yao snook ner neaa ana signed. "Forget It. Let tne cnildren decide tor themselves. Find an opportunity to see the child Mu Xiao mentioned and see how she is."

"Mom, do you think the girl Brother Mu Xiao is talking about is really my poor sister?" Wen Yu did not know the exact situation back then, but he still felt sorry for the death of the sister he had never met.

"I hope so. There's not much hope, but I'd rather believe that Mu Xiao's guess is true. Ah Wen has been living too hard all these years." When Mu Yao mentioned Ye Wen, she felt sad for her.

"If that child is still alive, she should be around 17 or 18 years old like Wen Yu." Wen Rui was also looking forward to it. If that child was still alive, the Mu family would have no regrets.

"I must meet the girl Second Cousin mentioned one day. She must be especially beautiful." Wen Yu had always felt that Mu Xiao's looks were the most heaven-defying among the people he had seen. If he became a girl, he would definitely be devastatingly beautiful.

"If you had learned from your three brothers from the Mu Family, you wouldn't be like this. Put your thoughts straight. You learned nothing good at such a young age."

As Wen Rui lectured, Wen Yu did not listen to a word. His mind was filled with the image of Mu Xiao turning into a girl. His desire to see that girl grew stronger.

If it was a female version of Mu Xiao, she should be even more beautiful than the Lin Yin he saw at the last meeting, right? Wen Yu thought of the Lin Yin he saw at the entertainment party last time. Although she was beautiful, she seemed to have a complicated relationship with Lu Ming.

For a long time after that, Lu Yue and Lu Xiao did not contact him again. It was probably related to that Lin Yin.

Sister Yue Ning was also uneasy after what had happened last time. Wen Yu found it strange, but he could not ask for the reason. He just felt that the girl called Lin Yin was not someone he could offend. After all, Lu Ming was an existence even more terrifying than his eldest cousin.

However, Wen Yu did not know that the young lady he was looking forward to seeing was Lin Yin, whom he had already met once.

On the other side, Lin Yin, Lu Yan, and Yang Xue came to Shenglin Bay together. This was the first time Yang Xue was here, and she once again marveled at the Lu Family's solid financial resources.

"Lu Yan, I know your family is rich, but they're too rich!" Yang Xue admired the surrounding sets and antiques without blinking. She felt that everything here was very expensive.

"This is my Young Uncle's house. He has more than a hundred businesses under his name. These are just the tip of the iceberg."

Lu Yan smiled evilly at Lin Yin and deliberately raised her voice. "If anyone becomes my Young Aunt in the future, it would be a huge bargain for them. My Young Uncle is very loyal."

Lin Yin coughed awkwardly. She noticed that Lu Yan was implying something, but she didn't want to explain. Suddenly, she looked at the hall and said calmly, "Could that be the person who wants to be your Young Aunt?"

Lu Yan followed Lin Yin's gaze and saw a woman with a voluptuous figure and sexy clothes standing beside Aunt Song.

"Lu Yan, your Young Uncle has good taste." Yang Xue looked at the woman with an exquisite figure and sighed.

"What?" Lu Yan was a little unhappy. She didn't want others to associate that woman with Lu Ming. "That's Lu Yue's aunt. Who knows what she's here for?"

When Lin Yin heard Lu Yan's words, she looked at the woman standing beside

Auntie Song. She looked about the same age as Lu Ming and was the mature

and sexy type. For some reason, Lin Yin felt that Lu Ming would not like the woman in front of her.

Even if that woman was the type many men liked, Lu Ming definitely didn't like her. Lin Yin didn't know why she was so sure.

Lu Yan walked in with an unfriendly gaze and said to Aunt Song, "Aunt Song, didn't my Young Uncle say that outsiders are not allowed to come in casually?"

Although on the surface, Lu Yan's anger was directed at Aunt Song, anyone could tell that she clearly didn't like the woman beside Aunt Song.

"Isn't this Little Yan? I heard from Yueyue that you've changed now. I didn't expect you to have changed so much." Meng Wan looked at Lu Yan, who had light makeup, and was a little uncomfortable. Her original appearance suited her. The current Lu Yan looked like a lively and beautiful high school student. The vitality and youth on her face were too dazzling.

Lu Yan couldn't be bothered to talk to Meng Wan. She wanted to bring Lin Yin and Yang Xue upstairs, but Meng Wan suddenly stopped her..

Chapter 184: Hello, Auntie

"Little Yan, your Young Uncle is good to you and gives you the right to enter Shenglin Bay as you please. However, you have to learn the rules. Shenglin Bay is your Young Uncle's private residence. How can you bring outsiders in casually?"

Meng Wan noticed that the two young ladies behind Lu Yan were both young and moving, especially the one with her right hand bandaged. She was simply so beautiful that it made people jealous.

Meng Wan would never allow such a vixen-like girl to appear in front of Lu Ming.

"You're the one who doesn't know the rules, right? When did my Young Uncle ever let you in?"

Lu Yan knew that Lu Ming did not have a good impression of Meng Wan. There were a few gatherings at the Lu Family's old residence. Meng Wan wanted to talk to Lu Ming, but she was rejected directly. However, she did not expect this woman to not give up.

"You!" Meng Wan was about to flare up when she remembered that Lu Yan was a member of the Lu Family after all. She held back the anger in her heart. "Brother-in-law asked me to come. Grandpa Lu wants Lu Ming to return to the old residence on the weekend. He said that he has something to discuss with him."

Lu Yan knew that Meng Wan might have used some method to persuade her uncle to give her a chance to come to Shenglin Bay.

"Alright, I'll inform Young Uncle. You can go back." Lu Yan was expressionless, but Meng Wan was so angry that her face turned red.

“Miss Meng, it’s getting late. I’ll get the chauffeur to send you back,” Aunt Song replied.

After all, she was still a servant, so it was not appropriate for her to chase Meng Wan out directly. However, Aunt Song knew very well that Mr. Lu definitely did not want to see Meng Wan when he returned home.

“You guys are too much. I’m going to tell Brother-in-law! Is this the upbringing of your Lu Family?”

Meng Wan looked at Lu Yan and wished she could slap her. However, she knew very well that in Lu Ming’s heart, his little niece was much more important than her. However, Meng Wan believed that Lu Ming had just stayed away from women for too long. As long as she was given a chance, she would definitely make Lu Ming unable to leave her!

“Auntie, did you scold Brother Lu Ming too?” Lin Yin couldn’t stand Meng Wan shouting at Lu Yan. She walked forward and protected Lu Yan behind her.

“Auntie?” Meng Wan was so angry that her eyelids twitched. She was only 28 years old, and the girl in front of her looked to be at least 18 years old. If not for Lu Ming’s seniority, Meng Wan would definitely flare up.

Looking at the beautiful and exquisite little girl in front of her, Meng Wan deliberately said sarcastically, “Lu Yan, you’ve made a good friend that called me Auntie, but she dares to call Lu Ming brother. Where did you find this little vixen who dared to have designs on Lu Ming?”

Lu Yan was about to stand up for Lin Yin when she heard Lin Yin say with a smile, “I’m really sorry. Actually, I wanted to call you Sister too, but you look a little too mature, so I didn’t dare to call you that. Actually, you shouldn’t be much older than Brother Lu Ming, right? Then I’ll call you Sister too.”

Meng Wan’s breathing became heavier as she scolded Lin Yin, “Who do you think you are? You have no right to speak at Brother Lu Ming’s house!”

Lu Yan wanted to scold him back for Lin Yin, but after thinking about it, she didn’t say anything. Instead, she took out her phone and sent a message to Lu Ming.

[Young Uncle, if you don't go home soon, Lin Yin will be chased out.]

Lu Yan looked at Meng Wan, who was still aggressive towards Lin Yin, and silently walked to the side. She secretly took a photo of Meng Wan pointing at Lin Yin angrily and sent it to Lu Ming.

"Lu Yan, aren't you going to help Lin Yin?" Yang Xue was anxious, but she couldn't say a word of scolding. If she walked forward, she would only be scolded with Lin Yin.

Lu Yan was not nervous at all. Looking at Lin Yin's obviously smiling face, she felt that her smile was a little scary.

"Have you just gotten to know Lin Yin? When has she ever been bullied? It's fine. Help will be here soon. Let's watch the show in peace."

Lu Yan sat on the sofa in an exaggerated manner. Although Yang Xue was a little afraid, she agreed that Lin Yin would not be bullied easily. She stood at the side and watched Lin Yin and Meng Wan confront each other.

"Auntie, you should save your energy. You scolded her so badly in someone else's house. You're afraid that others will think that you're well brought up, right?"

Lin Yin did not listen to Meng Wan scolding her at all. Lin Yin was already tired of hearing things like 'shameless, little b*tch, trash...' from Chu Yun. These so-called rich people were no less polite than the poor in the slums when they scolded people.

"I'll teach you a lesson on behalf of your parents today!"

Meng Wan wanted to reach out and hit Lin Yin, but she was stopped by Aunt Song, who was standing at the side.

Lu Yan and Yang Xue knew Lin Yin's skills, but Aunt Song did not. In her eyes, Lin Yin was just a young lady who had just reached adulthood.. How could she defeat Meng Wan?

Chapter 185: Don't Hurt Your Hand

Aunt Song knew very well that if Mr. Lu found out that Miss Lin Yin had been bullied, he would definitely tear down the entire Shenglin Bay. After spending the past few days together, Aunt Song knew how important Lin Yin was to Lu Ming.

As long as Miss Lin Yin came to Shenglin Bay, Mr. Lu would definitely go home early and personally send Miss Lin Yin back. This was the first time in so many years that she had seen Mr. Lu value a girl so much, so she did not hesitate to offend Meng Wan and protect Lin Yin.

"As expected, you are all lowly people!" Meng Wan looked at Auntie Song, who had stepped forward to stop her, and was even angrier. How dare a servant stop her?

Meng Wan did not retract her arm that wanted to hit Lin Yin. Instead, she slapped Aunt Song's face.

Lin Yin was about to catch Meng Wan's hand, but she was stunned by Aunt Song, who was suddenly squeezed in the middle. Before she could react, Meng Wan's hand hit Aunt Song's face.

Everyone present was a little shocked, but what happened next was even more shocking!

Lin Yin's expression darkened. Without thinking, she pulled Aunt Song to her side and slapped Meng Wan twice.

Meng Wan and Lin Yin's strength were not on the same level at all. Meng Wan's face turned red and swollen.

"Ah!" Meng Wan took two steps back from Lin Yin and wailed. She had never suffered such grievances.

Lu Yan looked at Meng Wan's red and swollen face and felt delighted. She was about to go forward to check on Aunt Song when she heard a cold voice at the door.

"What are you doing here?!"

Lu Ming's expression darkened. He happened to see Lin Yin slap Meng Wan.

When Meng Wan saw the tall Lu Ming at the door, it was as if she had seen her savior. She ignored her red and swollen face and ran towards Lu Ming with tears on her face.

"Brother Lu Ming! That wretched girl actually dared to hit me!"

Lu Ming's gaze never left Lin Yin. His expression was very bad as he quickly walked towards her.

Meng Wan was pleasantly surprised. Could it be that Lu Ming wanted to stand up for her? Although he did not look like he would hit a woman, she had been beaten up so badly. It was only right for him to stand up for her.

Aunt Song looked at the unfriendly Lu Ming and felt a little nervous. After all, Meng Wan was someone Lu Zheng had called over. Lu Ming might care about his brother's face and stand up for Meng Wan.

"Mr. Lu, I..." Aunt Song didn't know how to explain. It was too far-fetched to say that Lin Yin stood up for her. She watched Lu Ming's actions nervously, hoping that he wouldn't make things difficult for Miss Lin Yin.

"Why did you hit her?" Lu Ming picked up Lin Yin's bandaged right hand anxiously. When he saw the red blood seeping out of the gauze, he frowned tightly.

"It's just stitched up. Don't you know how to use your left hand to hit someone?" Lu Ming looked at Lin Yin's right hand worriedly and didn't notice the interesting expressions of the people present.

Meng Wan had thought that Lu Ming would stand up for her, but when she heard what Lu Ming said to the girl, she completely broke down.

Lu Ming's expression was heavy. Was he just worried about whether that girl's hand would be injured? Was her face not as important as her hand?

Aunt Song heaved a sigh of relief. She knew that Mr. Lu cared a lot about Miss Lin Yin, but she did not expect him to not care about Meng Wan's emotions at all. She even sympathized with Meng Wan now. She did not know if she would still have the face to appear in front of everyone in the future after being ignored by Mr. Lu.

Lu Yan was not surprised at all. Lu Ming's reaction was completely within her expectations. It was not the first day he treated Lin Yin well. Otherwise, she would not have let Meng Wan provoke Lin Yin. After all, if her Young Uncle saw it, Meng Wan would not have a good ending.

However, Lu Yan still underestimated Lu Ming. She did not expect him to be so worried when he saw Lin Yin hit Meng Wan. It seemed that the probability of Lin Yin becoming her Young Aunt was higher.

"Brother Lu Ming," Meng Wan called out, unwilling to give up.

"Get lost." Lu Ming couldn't even be bothered to look up. He instructed Aunt Song beside him, "In the future, no one is allowed to come in without my permission."

"But..." Meng Wan still wanted to argue, but Lu Ming glared at her coldly.

"Including my big brother. Do you understand, Aunt Song?"

Lu Ming knew that Lu Zheng had given Meng Wan such courage, but not to mention in Shenglin Bay, even in the Lu Family's old residence, Lu Zheng had to look at his expression!

Meng Wan panicked under Lu Ming's gaze. This man usually looked elegant and gentlemanly, but when he was angry, no one dared to look him in the eye..

Chapter 186: Locked By My Side

Meng Wan glared at Lin Yin, who was beside Lu Ming, and turned around to leave angrily.

Although Lu Yan agreed with Young Uncle's actions, she was a little worried that Meng Wan would go back and complain.

"Young Uncle, do you think Big Uncle will be unhappy if he finds out?" Lu Yan walked to Lu Ming's side and asked softly.

"Meng Wan isn't that important." Lu Ming thought of Lu Zheng and his eyes darkened. "Little Yan, don't tell me you think I'll be afraid of Big Brother?"

Lu Yan shook her head hard. Although her uncle's temper was usually not good, no one in the Lu Family dared to offend her little uncle.

"All of you will stay here today." Lu Ming turned to look at Lin Yin and said slowly, "I'll call the doctor over to treat your wound again. Be careful and don't get injured again."

Lin Yin had originally planned to return to the Su Family to find out about her background, but seeing Lu Ming's irrefutable expression, she didn't say anything and went to the guest room on the second floor to rest with Lu Yan and Yang Xue.

Lu Ming found a family doctor to treat Lin Yin's wound. Lu Ming stood at the side. Lin Yin was a little nervous, not because the wound hurt, but because Lu Ming's expression was too serious.

"CEO Lu, it's already been treated. Pay attention to her diet and don't touch water. Don't use too much strength. The wound will recover soon."

After the doctor finished explaining to Lu Ming, he nodded slightly and walked out of the room.

Lin Yin tugged at the corner of the blanket nervously. Now that there was only Lu Ming and her in the room, Lin Yin felt that Lu Ming's expression did not look like he was fine at all.

"Do I have to keep you by my side so that you won't be injured?"

Hearing Lu Ming's words, Lin Yin wanted to smile to ease the atmosphere, but when she saw Lu Ming's expression, she couldn't say anything.

"I'll be more careful in the future." Lin Yin saw Lu Ming's dark expression and gently tugged at the corner of his shirt. "Brother Lu Ming, I'll definitely be careful in the future. I won't be injured again."

When Lu Ming saw Lin Yin's actions, his expression improved a little. He sighed and said to Lin Yin, "You're smart. You finally learned to show weakness. Remember to tell me if anything happens. If anyone bullies you, tell me immediately, understand?"

Lu Ming reached out and gently stroked Lin Yin's hair. He said gently, "If you do anything risky behind my back again, I'll lock you by my side and never let you leave."

Lin Yin looked into Lu Ming's deep eyes and realized that he had no intention of joking at all. She could only nod gently.

"Rest early." Lu Ming covered Lin Yin with the blanket and left the room.

After Lu Ming left, Lin Yin tossed and turned. She still had a lot of things to settle. She didn't want Lu Ming to worry about her. At the thought of her blood test report, Lin Yin felt terrible.

In her previous life, Lin Yin thought that Chu Yun and Su Zhen were only so cold to her because they had been separated from her for too long, but she had never suspected that she might not be their biological daughter at all.

A bitter smile appeared on Lin Yin's face. In her previous life, she had carefully tried to please them, but she had not received their concern. If she was not their biological daughter at all, then everything would be much easier to explain.

However, who faked the paternity test between her and Su Zhen? It shouldn't be Su Zhen himself. Lin Yin thought of Chu Yun, who treated her especially badly.

"Could it be Chu Yun? Su Fei is not Su Zhen's child. If I'm not Su Zhen's child either, does Chu Yun and Su Zhen even have a biological daughter?"

Lin Yin thought for a moment and had a bold guess.

"Could it be that Chu Yun never had a child with Su Zhen before? After Su Zhen discovered Su Fei's background, he pulled me out to make up the numbers?"

Lin Yin thought of Chu Yun's past actions. Although she did not treat her well, she doted on Su Fei.

"Could it be that Su Fei is Chu Yun's biological daughter and Su Fei's father is not Su Zhen?"

Lin Yin realized that if that was the case, many things could be explained.

Lin Yin decided to investigate Chu Yun first to see if she knew her background.

The next morning, Lin Yin returned to the Su Family alone.

Seeing the warm mother and daughter in the living room, Lin Yin already had a plan.

"Sister is back. Why haven't you been home for the entire night? Dad and Mom will be worried about you."

When Su Fei saw Lin Yin, she walked forward hypocritically.

“Smack! ”

The crisp slap was as hard as the one on Meng Wan. It was enough to make their cheeks swell for a while. However, this time, Lin Yin used her uninjured left hand..

Chapter 187: Bold Testing

“What are you doing?!”

Chu Yun did not expect Lin Yin to do this. Seeing that Su Fei had been slapped by Lin Yin, she hurriedly walked between the two of them and used her body to protect the terrified Su Fei.

“You stayed out all night and hit your sister when you came back. What’s wrong with you?!”

Chu Yun glared at Lin Yin angrily. If not for the fact that Su Zhen valued Lin Yin more now, Chu Yun would have beaten her back long ago.

“You should ask your good daughter what she did!”

Lin Yin’s tone was very serious as she raised her injured right hand.

“What does your hand have to do with me?”

Su Fei pulled Chu Yun aggrievedly. Seeing Lin Yin glaring at her, she felt very uneasy, afraid that she would pounce on her again.

Of course, Lin Yin knew that her hand had nothing to do with Su Fei, but her goal was not to frame her.

“Make yourself clear. Feifei is so kind. How could she do anything to hurt you?”

Chu Yun did not believe Lin Yin, but after what had happened to Su Fei and Su Lin, she did not trust Su Fei as much as before.

“You only know how to trust your good daughter. Sometimes, I really wonder if I’m your biological daughter!”

Lin Yin pretended to break down and roared as she secretly observed Chu Yun’s reaction.

“What are you talking about?! You’re my biological daughter, how can that be wrong?!”

Chu Yun’s reaction was obviously a little intense. She seemed to dislike Lin Yin saying that she was not her biological daughter.

“Is that so?” Lin Yin noticed Chu Yun’s panic and deliberately added, “I think Su

Fei is your biological daughter. Even her appearance is more like yours.” “You child, what nonsense are you talking about?!”

Chu Yun’s body trembled slightly as she hurriedly walked towards Lin Yin, afraid that her words would attract Su Zhen, who was in the study upstairs.

Through Chu Yun’s nervous performance, Lin Yin could already tell that she must know that she was not the biological daughter of the Su Family.

After asking for the result she wanted, Lin Yin did not plan to continue acting with them. She pretended to be sad and angry and turned to walk upstairs.

When Su Zhen heard the sound, he walked down from the study on the second floor and happened to see Lin Yin walking back to the bedroom. He was about to speak to her when Lin Yin closed the door without looking back.

“What’s going on?” Su Zhen frowned and questioned Chu Yun and Su Fei.

“Dad, Lin Yin said that she’s not a daughter of the Su Family. I don’t think she ever treated this place as her home!”

Of course, Su Fei would not let go of the opportunity to complain to Su Zhen, but she did not realize that Chu Yun’s expression had become a little ugly after she finished speaking.

“Little Yin might have encountered something troubling. I’ll go up and take a look later.”

Chu Yun’s attitude towards Lin Yin puzzled Su Fei, and she felt even more uneasy. If Chu Yun and Su Zhen paid more attention to Lin Yin in the future, how could she stay in the Su Family in the future?

Su Zhen nodded. He had told Chu Yun that although Lin Yin was not close to them, she was their biological daughter after all. Moreover, with her looks, she would definitely bring benefits to the Su Family in the future. From Chu Yun’s actions, she should have stopped him.

Chu Yun walked towards Lin Yin’s bedroom with a smile, but Su Fei, who was standing behind her, looked even worse.

No, she had to do something. Su Fei was unwilling to let Lin Yin snatch everything that belonged to her like this.

Lin Yin returned to the bedroom and was thinking about whether she should talk to Mu Xiao when she heard a knock on the door.

“Little Yin, it’s Mom. Open the door.” Chu Yun’s voice was different from before. It sounded exceptionally gentle.

Lin Yin got up from the bed and opened the door for Chu Yun. She wanted to see what else Chu Yun wanted to do.

“Little Yin, don’t misunderstand Mom. After all, Feifei has been by Mom’s side for a long time. I’ll be careful in the future and won’t ignore your feelings anymore.”

Chu Yun sat by Lin Yin’s bed, her eyes filled with the love a mother should have. Lin Yin was in a daze for a moment. In her previous life, she had hoped so much that Chu Yun could speak to her like this. Even if her attitude towards her was slightly better, Lin Yin would secretly be happy for the entire night.

However, all of this came too late. Lin Yin already knew Chu Yun’s motive and would not be deceived by her again.

“Is that so? But many people think that I don’t look like you at all. On the contrary, Su Fei looks more like you.”

Lin Yin’s tone was a little aggrieved, looking like a little girl acting cute with her mother..

Chapter 188: Special Photos

Chu Yun stroked Lin Yin’s head. Seeing Lin Yin’s change in attitude, Chu Yun’s tone was especially gentle.

“Don’t listen to their nonsense. Mom was very beautiful when she was young. At that time, your father kept chasing me, afraid that I wouldn’t agree to marry him.”

Lin Yin did not think that Chu Yun was lying, but she did not look happy. She just looked like she was recalling an ordinary past.

“Really? Can you let me see what Mom looked like when she was young?” Lin Yin deliberately pretended to be looking forward to it.

Chu Yun looked a little troubled. Seeing that Lin Yin was finally willing to get close to her, she couldn’t reject her. She thought for a moment and said to Lin Yin, “Alright, I’ll show you. Don’t listen to outsiders, lest they sow discord between us.”

Lin Yin nodded and followed Chu Yun out of the room to Chu Yun and Su Zhen’s bedroom.

Chu Yun and Su Zhen’s bedroom was very big. There was a separate cloakroom and a storage room inside.

Chu Yun walked to the innermost password cabinet. Before opening the cabinet, she glanced at Lin Yin, who was standing behind her.

Lin Yin deliberately looked elsewhere to lower Chu Yun’s guard. However, when she opened the cabinet, she could still clearly see the passcode and the things in the cabinet.

It was some miscellaneous items and some books. Lin Yin did not understand why Chu Yun was so guarded against her. If it was just these miscellaneous items, it was impossible for Chu Yun to put the password on the cabinet. There was probably something else hidden inside.

Chu Yun took out a photo album from the bottom drawer and put an envelope back into the drawer before handing it to Lin Yin.

Lin Yin pretended not to notice and took it happily.

She opened the photo album. It was filled with photos of Chu Yun of different ages. Some of them were already a little yellow. It was obvious that a long time had passed.

“Mom, you’re really beautiful.”

Lin Yin praised Chu Yun as she flipped through the photos.

From the photos, it could be seen that Chu Yun's family background was not bad. Whether it was the location of the photo or the clothes she was wearing, it could be seen that she had a blissful childhood.

However, although Chu Yun was quite beautiful, it was still too far-fetched to say that Lin Yin looked like her.

Lin Yin realized that most of Chu Yun's photos were individual photos, so she asked, "Mom, didn't you take a photo with Dad?"

Chu Yun shook her head and didn't notice Lin Yin's searching gaze. "When I was young, your father's family background was average. We didn't know each other back then."

Lin Yin was deep in thought. Chu Yun was proud and arrogant. From the photos, it could be seen that she was even more confident when she was young.

With her personality, it was impossible for her to like Su Zhen, who came from an ordinary family, so it was reasonable that she did not take a photo with him.

The photo album was very thick, but Lin Yin felt that there was probably nothing she wanted to see here.

"Mom, can you get me a glass of fruit juice?" Lin Yin held the photo album as if she was reading it very seriously.

Chu Yun was a little unwilling, but it was rare to see Lin Yin so dependent on her. After thinking about it, she nodded and walked towards the door. Before she left, she did not forget to check the locked cabinet.

When Lin Yin saw Chu Yun leave and heard her go downstairs, she quickly opened the cabinet with the password. Lin Yin did not hesitate and opened the small drawer where Chu Yun had taken out the photo album.

The manila envelope was inside. Lin Yin didn't dare to waste time. She carefully opened the envelope and took out a photo.

Seeing Chu Yun in the photo, the corners of Lin Yin's lips curled up slightly.

Without hesitation, she took a photo with her phone.

After tidying up, Lin Yin sat back in her chair and flipped through a few more pages of photos, pretending to continue reading seriously.

After a while, Chu Yun returned with fruit juice.

"Thank you." Lin Yin smiled and took the fruit juice. She chatted briefly with Chu Yun before finding an excuse to leave.

Lin Yin's heart was filled with that photo. She wanted to go back and study it carefully, but she did not expect to see Su Fei standing not far away with a bitter expression.

"Do you want to see Mom's photos from when she was young too?" Lin Yin's tone was faintly smug. After seeing Su Fei slam the door angrily and enter the room, Lin Yin smiled in satisfaction and returned to her bedroom.

Lin Yin locked the door and took out her phone to sit at the desk.

"The venue of the photo should be at a large banquet," Lin Yin muttered softly and used her hand to enlarge the photo. Chu Yun was on the left side of the photo. It seemed to be a photo of her, but there were many people from the banquet in the background.

The photographer must have deliberately taken a photo of the others at the banquet. Otherwise, he would not have placed Chu Yun aside..

Chapter 189: Even More Jealous

Among the people on the right side of the photo, the only one whose face was facing the camera was a man. Lin Yin didn't know the man in the photo, but she was sure that that person was definitely not the young Su Zhen.

The man's facial features were still considered upright, but he looked very fierce. He was dressed casually, but he gave off a domineering and arrogant feeling.

"Did Chu Yun take this photo just to take a photo with this man?"

Lin Yin was a little puzzled. The man in the photo was obviously looking at a beautiful woman with a beautiful back. Although Chu Yun's position blocked half of the woman's body, she could still tell that the person the man liked was probably the woman half blocked by Chu Yun.

Lin Yin decided to think of a way to find out the identity of the man in the photo. Perhaps he was the closest to the truth.

Lin Yin was in a daze over the photo when her cell phone suddenly rang. She saw an unfamiliar number and thought for a moment before answering.

"Sister Little Yin."

A familiar and gentle boy sounded from her cell phone. Lin Yin was a little surprised and recognized Mu Xiao's voice.

"Brother Mu Xiao."

Mu Xiao smiled on the cell phone. "Little Yin, how's your hand? Did you go to the hospital to change your dressing?"

Lin Yin had indeed forgotten that she had to change her dressing later. "I'll go in the afternoon."

"I'll pick you up. Send me your address. I'm on my way now."

Lin Yin did not reject Mu Xiao. She knew that Mu Xiao had deliberately asked the nurse to do a blood type test on her. She also wanted to ask him in person what he was thinking.

Mu Xiao quickly drove the car to the entrance of the Su Family. While Su Zhen and Chu Yun were not paying attention, Lin Yin hurriedly walked out of the house to prevent them from seeing Mu Xiao and causing trouble.

However, Lin Yin did not notice Su Fei by the window on the second floor. Her gaze was fixed on the car that came to pick Lin Yin up.

"That person isn't Lu Ming?"

Although Su Fei could not see the man's face in the car clearly, she could tell that the person who picked Lin Yin up was not Lu Ming.

Looking at Lin Yin being picked up by a luxury car, Su Fei was crazy with jealousy. Why could Lin Yin get together with so many outstanding men, but no one liked her?

Jiang Nian, whom she had met at the banquet previously, had also become much colder to her recently. Su Fei knew that Jiang Nian would not fall in love with her seriously, but she did not care. She only hoped that she could cling to a capable man. That way, others would envy her.

Su Fei thought for a moment and took out her phone to call Jiang Nian.

"Hello." A lazy male voice came from the cell phone.

Su Fei deliberately made her voice sound better and asked sweetly, "Young Master Jiang, have you been very busy recently? Why haven't you contacted me for so long?"

On the other end of the phone, Jiang Nian finally recognized Su Fei's voice. He smiled and replied, "I'm busy. Your brother and I have been busy dealing with the land in the West Suburb Forest Bay. Did you miss me?"

The man's tone was a little frivolous, but Su Fei did not care at all. She smiled and replied, "Yes, Brother is busy, and so are you. I'm very bored alone."

"Don't you have a sister? Is she very busy too?"

Su Fei could tell that Jiang Nian was curious about Lin Yin and couldn't help but curse Lin Yin in her heart. She always attracted men's attention.

"She's also very busy and doesn't go home much. I've been staying at home by myself recently."

Jiang Nian was not surprised to hear Su Fei's words. He had seen Lin Yin at the banquet and saw that her face was the restless type.

"Then you can come out tonight. Your brother and I happen to have a dinner party. If you feel bored alone, I'll bring you along."

When Su Fei heard Jiang Nian's words, she was very happy. If she interacted more with them, she might be able to get to know someone with a higher status than Jiang Nian.

Su Fei smiled and agreed. After hanging up, she began to choose what she wanted to wear tonight. She had to live better than Lin Yin and not let Lin Yin replace her status in the Su Family.

Lin Yin sat in Mu Xiao's car and had already driven away from the Su Family.

Mu Xiao asked about Lin Yin's hand. Seeing that she looked troubled, he couldn't help but ask, "Little Yin, what's wrong? Is there something on your mind?"

Lin Yin looked at Mu Xiao and shook her head. "I'm fine. I'm probably a little tired. "

"Then let's go to the hospital to change your dressing and go back to rest." Mu Xiao looked at Lin Yin, who was still listless, and asked tentatively, "Did you quarrel with your parents? I saw you hanging your head the moment you came out of the house."

Lin Yin noticed Mu Xiao's gaze and nodded. "Yes, ever since I returned to the Su Family, I've always felt that I'm still an outsider. They don't seem to be able to accept me.."

Chapter 190: A Story

Mu Xiao seemed to have something to say to Lin Yin, but after thinking about it, he didn't say anything. He didn't say anything else until the car arrived at the hospital.

Mu Xiao brought Lin Yin to an independent consultation room and personally changed her dressing. Although it was just the simplest bandage, Mu Xiao did it very carefully, afraid that Lin Yin would hurt. He was very careful with every move.

"Thank you, Brother Mu Xiao."

"You're welcome." Mu Xiao placed Lin Yin's right hand down and sat on a chair at the side. "Xiao Ran said that the police didn't find out Zhou Wei's other motives, and my father doesn't have any impression of this person."

Lin Yin was very frustrated because of her background and forgot about the man who had attacked her previously.

“He must have planned it long ago. He’s definitely not a simple extreme fan.” Lin Yin remembered the way the man looked at Mu Ran and felt that there was deep hatred in his eyes. He didn’t seem like someone who had no contact with

Mu Ran.

“Yes, he won’t be able to leave the police station for a while anyway. Let’s continue investigating. We won’t have no clues.”

Mu Xiao had been a little hesitant. He did not know if he should do Lin Yin’s paternity test.

After thinking about it again and again, Mu Xiao said to Lin Yin, “Little Yin, I have a story I want to tell you.”

Lin Yin could roughly guess what Mu Xiao wanted to say to her. She nodded and waited for him to continue.

“I once told you that I had a sister who died in an accident when she was just one month old.” Mu Ran poured a cup of hot water for Lin Yin and placed it on the table in front of her. “Her name is Mu Tian. Mom gave her that name.”

Lin Yin could see the sadness in Mu Xiao’s eyes. She did not interrupt him and continued to listen seriously.

“Our entire family is looking forward to Tian Tian’s arrival. Even the five-year-old Mu Ran left his favorite car to her.”

Mu Xiao’s voice was very pleasant to listen to. Lin Yin listened to his narration and felt that Mu Xiao had clearly treated the dead Mu Tian as her.

“But an accident still happened. I don’t know if it’s because our family’s life is too blissful, but the nanny we hired took Tian Tian away and jumped into the river with her.”

Although Lin Yin knew that Mu Xiao's sister had passed away, she was still a little surprised to hear that she had been taken away by a nanny that jumped into the river. She did not expect that the person who killed his sister was actually a nanny hired by the Mu family.

"Did the police find the body?" Lin Yin cared a lot about this question. She wanted to know why Mu Xiao felt that she was his sister. Was it just because the two of them looked a little alike?

"Yes, but Sister is too young. The police said that there were crocodiles in the river and the corpse might have been eaten."

Mu Xiao's expression was a little bitter. He still felt a little uncomfortable when he said this cruel thing personally.

Lin Yin noticed his answer, which meant that she might really be the youngest daughter of the Mu Family. After all, no corpse had been found back then, which was not enough to prove that Mu Tian was really dead.

Mu Xiao noticed Lin Yin's thoughtful expression and said calmly, "After that, my mother went crazy because she couldn't take the blow."

Lin Yin widened her eyes in disbelief. She had seen Madam Mu's photo before. Lin Yin felt that although Mu Xiao's mother looked haggard in the photo, she looked like an elegant and dignified young lady. She really could not imagine how she looked after she became crazy.

"After so many years, although Mother's condition has improved, her emotions will still be very unstable whenever she mentions what happened back then." "Is there no way to treat her?" A trace of concern appeared in Lin Yin's eyes.

"Mother has a knot in her heart that none of us can resolve. No matter how good a doctor is, they can only be helpless when they meet a patient they don't want to be treated." Mu Xiao shook his head helplessly and looked at Lin Yin again.

"Little Yin, if I beg you for a favor, will you agree?"

Mu Xiao's eyes were very sincere. Lin Yin seemed to have no reason to reject him.

"Brother Mu Xiao, do you think I might be your sister?"

Hearing Lin Yin's words, Mu Xiao was a little surprised, but he quickly calmed down.

"I really hope that you're my sister. You're smart and beautiful. Even if we're not related by blood, I hope that our relationship can be closer."

Mu Xiao knew that Lin Yin was very smart, but he did not expect Lin Yin to have already seen through his thoughts. He was surprised and pleasantly surprised. Lin Yin was really too similar to the Mu family.

"So, are you willing to do a DNA test with me?"
