

WHO IS THE REAL DAUGHTER: MISS LIN TAKES NO NONSENSE AFTER HER REBIRTH

Chapter 3: You Owe Me Your Life

With Zheng Chao injured, the Zheng family flew into a rage, as if they wanted to overturn the roof.

“Kill her! Kill this lunatic! Aren’t you going to care? This lunatic you raised wants to kill my child!”

“My son has never suffered like this! Call the doctor!”

Mrs. Zheng was furious that such a good day had turned out like this. She even pulled Chu Yun along to ask her to discipline this “crazy” daughter.

Chu Yun panicked. In Lin Yin’s current state, she didn’t dare to approach her, let alone discipline her.

The Zheng Family’s voice became louder and louder. Chu Yun went forward and slapped her, but Lin Yin blocked it and even pushed her to the ground.

She would not let anyone manipulate her now.

Su Zhen accused loudly, “Lin Yin, she’s your mother!”

Lin Yin sneered again. “Is that so? But my mother is already dead. You all have nothing to do with me, and no right to criticize me.”

Su Fei squeezed out tears. “Ah Yin, are you really going to treat Mom like this? I’ll leave the Su Family and give you everything I have. Please, don’t hurt Mom and Dad anymore!”

“Ah Yin, I will fight for your forgiveness. I won’t do anything to you. Don’t be stubborn, okay...”

Su Fei’s voice was still so weak and touching, but Lin Yin only felt that it was ironic. She hoped that she would not lie to others with her clumsy tricks anymore.

In the past, she would still be afraid of their reputation and swallow her anger. But now, she wouldn’t. Never again.

“Ah Yin, answer me, okay...”

Su Fei was still acting pitiful when the next second, Lin Yin pulled her back, revealing a dagger in her sleeve. It was short and light, and it pressed against Su Fei’s neck. Lin Yin whispered, “Move again and I’ll kill you.”

Su Fei was frozen in shock by the sudden change.

She had teased Lin Yin for many years and had set traps everywhere for her, none of them had failed. She did not expect that she would be in such a situation today.

The ruthless and decisive Lin Yin no longer looked like she was easy to bully. She actually looked so valiant and heroic, even more majestic than the female mafia head under her.

Her expression was calm, but she had an unapproachable aura. Everyone present was afraid.

Su Fei knew that her life would be in Lin Yin's hands if she was not careful. She gasped at the thought.

Seeing this, Chu Yun shouted nervously, "Where are the security guards?! Where are the security guards?! Save my Feifei!"

Lin Yin exerted force with her hand and the sharp blade broke through the skin, causing blood to seep out of Su Fei's neck.

The security guards looked at each other, not knowing if they should enter or retreat.

Su Fei trembled. "Please... let me go. I don't want to die..."

"Did you let me off? Did you let me off? You didn't even let me off when I treated you sincerely without wanting anything!" Lin Yin's voice was filled with anger.

She knew that she did not have long to live anyway. She could only live up to herself if she pulled the culprit along.

Lin Yin slashed Su Fei's face a few times in a row. Chu Yun's heart ached so much that she almost fainted.

She did not expect Lin Yin to dare to do this. What if it left a scar?

"This cut is for me. It's been eight years since you gave me the scar on my face, and it's still firmly on my face. I'm making you pay it back!" Lin Yin had never felt so happy.

She was returning her sufferings one by one!

The guests were all stunned by the scene in front of them. They could not imagine what kind of experience could make this beautiful girl in front of them become like this.

It was the hatred, the hurt, that made her sober, it did not make her lose her mind.

Lin Yin had never felt so awake. She knew what she wanted and what hurt her.

The cold knife on her neck and the hot pain of the wound made Su Fei want to struggle again.

“Sister, let me go. I promise I won’t pursue the matter. Dad, Mom, and I will still treat you like before. Let’s still be a harmonious family, okay? Sister, let Sister go!”

These words made Lin Yin sneer. “Like before? Do you want to harm me like before?”

“It’s not that...”

“Su Fei, please get this straight. You guys have made it so that I don’t have many days left to live. The doctor said that it will be at most half a year... What do you owe me?”
