

## Real Daughter 361

### Chapter 361: Scheme

Lu Zheng quickly picked Su Fei up and left anxiously.

Su Zhen and Su Lin hurriedly followed.

Without Su Fei's shouts, the banquet hall was much quieter.

Lin Yin smiled at everyone and said, "I'm sorry, everyone. There was a small interlude. It's fine now. Everyone, continue!"

Everyone looked at each other and their gazes swept across Mu Xiao's face. Then, they looked away and dispersed.

Lu Yan looked at Mu Xiao worriedly and asked, "Brother Mu Xiao, is Su Fei's hand really going to be crippled? Did you really do it? Or is Su Fei pretending?"

Lu Yan did not see Mu Xiao's attack just now, but Su Fei's hand did not hurt like she was pretending. It hurt so much that her face was about to twist.

Mu Xiao nodded and smiled. "She's betting that I won't really attack. I have to say that she made the right bet. However, if she wants to gamble, I can't disappoint her. I'll let her feel what it's like to lose her hand."

Mu Heng smiled and said, "This is the first time I've seen you punish someone so brazenly in front of everyone. In the past, didn't you scheme behind their backs?"

Mu Xiao widened his eyes at Mu Heng and said accusingly, "Brother, you're being unkind. How can you badmouth me in front of Yinyin? If Yinyin doesn't like me because of this, don't blame me for making you the next person to scheme against."

Mu Xiao's words made the surrounding people have different expressions.

Mu Xiao used the word 'like'. It seemed like Mu Xiao was also coveting Lin Yin. This made Lu Yan break out in cold sweat for her uncle.

For the sake of her uncle's future happiness, Lu Yan decisively dragged Lin Yin to socialize. Her uncle was not around, so she had to protect her future aunt.

Looking at Lin Yin who was pulled away, Mu Heng's expression did not look good. He felt that he had to find a time to have a good chat with Mu Xiao. He needed to know Mu Xiao's true thoughts.

Even if he secretly thought that it was impossible for Mu Xiao to snatch a woman from Mu Ran, feelings were hard to say. If Mu Xiao lost control and the two brothers fought for the same woman, it would be troublesome.

Mu Heng said meaningfully, "I'll quickly send a video to Mu Ran. He's afraid of causing trouble for Yinyin and didn't appear today. I'll send a video to update him."

Seeing that Mu Xiao did not have any other expression, Mu Heng relaxed a little and thought that perhaps he was thinking too much.

Then, Mu Heng continued, "Actually, it's not bad if Mu Ran likes Yinyin. It's Mu

Ran who's out of her league. Indeed, fortune favors fools."

Mu Heng's relaxed heart instantly panicked when he saw Mu Xiao's sudden frown.

However, at this moment, Mu Xiao was worried that it would be bad if Mu Ran really developed romantic feelings for Lin Yin. It seemed like he had to find a time to quickly make Lin Yin acknowledge her roots and ancestors.

Mu Xiao's troubled expression seemed like he was frustrated that he fell in love with someone that his brother liked in Mu Heng's eyes.

Seeing that there was no one around, Mu Heng was about to say something when Mu Xiao said, "I have something on and have to leave first. Watch Yinyin. I'm afraid that Lu Zheng will come back and make things difficult for Yinyin." Mu Heng nodded. Before he could say a word, Mu Xiao left.

Mu Heng had a headache, but he could only put down his worries and walk towards Lin Yin.

Other than Lu Zheng and the Su Family's accident, the rest of the banquet was still very successful.

However, the Mu family's protection of Lin Yin was also widely publicized.

Old Master Lu looked at the news in his hand and panicked. He called Lu Zheng and Lu Ming back in the middle of the night.

Lu Ming, who had just come out of the closed meeting, did not have time to read the other messages before his grandfather rushed him back.

As for Lu Zheng, he was called back to the hospital at the last minute. Before he left, Su Fei looked at Lu Zheng pitifully, making Lu Zheng's heart ache so much that he almost did not want to go back.

However, after being urged by Old Master Lu a few times, Lu Zheng could only return obediently.

At the door of the study, Lu Zheng panicked when he saw Lu Ming return in a hurry. He thought that Lu Ming had complained to his grandfather.

Therefore, as soon as they entered, Lu Zheng immediately complained,

“Grandpa, Third Brother used money to buy a corporation for his mistress. In the end, his mistress actually bullied someone maliciously.”

Lu Zheng had thought that his grandfather would be more neutral after his explanation. Unexpectedly, before Old Master Lu could speak, Lu Ming spoke first.. “You went to the annual meeting of the Shisheng Corporation today?”

Chapter 362: I'll Crawl In Her Bed

Lu Zheng was stunned. Lu Ming didn't seem to know about this? Then why did Grandpa call him back today?

Before Lu Zheng could figure it out, Old Master Lu threw the brush in his hand at Lu Zheng and said angrily, “You embarrassing thing. When did you acknowledge another goddaughter? You even brought her to someone else's place to cause trouble. You've embarrassed our Lu Family!”

Lu Ming's frown deepened and his tone became colder. He looked at his brother sinisterly and questioned, “What did you do at Yinyin's banquet today?”

Old Master Lu handed Lu Ming a cell phone that explained what had happened tonight.

Looking at Lu Ming's increasingly gloomy expression, Lu Zheng hurriedly said,

“I'm going to back Third Brother up. It's clearly our Lu Family's business. Not only did that Lin Yin occupy it, but she also dares to be so rude to our Lu Family. I definitely have to let people know that Lin Yin obtained our Lu

Family's money to have such strength, right?”

Lu Ming held the cell phone in his hand tightly and looked up at Lu Zheng. He said coldly, "Who told you that I was the one who bought the Shisheng Corporation for Lin Yin?"

Lu Zheng was slightly stunned before saying matter-of-factly, "If it's not you, who is it? That little girl Lin Yin is no longer the eldest daughter of the Su Family. She's an orphan from the slums. Where did she get the money? It's all because she's your lover. You gave her the money to buy over the original Su Corporation."

Lu Ming was so angry that the veins on his forehead bulged. He punched Lu Zheng hard, causing him to fall to the ground and cry out in pain.

Lu Zheng turned to Lu Ming indignantly. "Lu Ming, how dare you hit me in front of Grandpa? Do you still have Grandpa in your eyes?"

Lu Ming gritted his teeth and looked at Lu Zheng with anger in his eyes. "You should be glad that you're a member of the Lu Family. Otherwise, it wouldn't be a matter of punching you. You would've been a corpse."

When Lu Ming said this, his voice was extremely low, as cold as the sound of death from hell.

Lu Zheng was shocked. He quickly turned to look at his grandfather and complained, "Grandpa, look at Lu Ming's violent personality. He actually wants to kill me!"

In the end, Old Master Lu did not give Lu Zheng a good attitude. Although he would not allow brothers to kill each other, he still said stubbornly, "Kill! Hurry up and kill him! Otherwise, you'll stay and embarrass yourself! When your father comes back, I'll teach him a lesson. How did he raise such an embarrassing thing like you?!"

Lu Zheng still did not know what he had done wrong. It was clearly Lu Ming who had spent a lot of money to raise his little lover and even spent so much money to buy his lover a corporation. Why was he the one who was beaten up? "Grandpa, I'm not convinced! I didn't do anything wrong! Lu Ming gave so much money to his little lover. What's wrong with me stepping in to warn him! Why are you defending a woman who climbs into his bed?!" Lu Zheng straightened his neck and questioned.

Lu Ming was so angry that he went forward and kicked Lu Zheng again, scaring him so much that he rolled towards Old Master Lu's feet.

Lu Ming felt a chill run down his spine. "I'll say it one last time. Lin Yin's

Shisheng Corporation has nothing to do with me. I didn't pay a single cent. Also, Lin Yin isn't the little lover I raised, nor is she the one who climbed into my bed. She's the future wife I'm pursuing. I'm the one who climbed into her bed. Do you understand? If your ear is useless, I don't mind cutting it off and feeding it to the dogs!"

Lu Zheng did not expect his usually cold and arrogant third brother to say that he would climb into a woman's bed. He was stunned on the spot.

Even Old Master Lu did not expect his grandson to say that. However, he was only slightly stunned before he could not help but laugh.

"Lu Ming, you're right. If you're interested in her, hurry up and chase after her. Otherwise, others will benefit," Old Master Lu said while holding back his laughter.

He felt uncomfortable when he saw the photos of the two boys of the Mu Family surrounding Lin Yin.

That young lady looked good. It would not do if she was tricked away by the two boys of the Mu Family.

Lu Zheng looked at his grandfather in shock and said in disbelief, "Grandpa, even if that Lin Yin isn't Lu Ming's little lover, she's still the little lover of the two brats of the Mu Family. You didn't see how the eldest and second son of the Mu Family protected her. Moreover, the Shisheng Corporation still has Mu Heng's shares. I think that Lin Yin must have sold herself to the Mu Family brothers and obtained so much money.. Such a woman is lewd... Ah! Lu Ming, you still dare to hit me!"

Chapter 363: Hitting Lu Zheng

Before Lu Zheng could slander Lin Yin, he was pressed to the ground by Lu Ming and beaten up again. Old Master Lu watched from the side and did not say anything.

Lu Zheng really had to be taught a lesson.

After being taught a lesson by Lu Ming, Lu Zheng became much more obedient. He really did not expect that he would be beaten up by his brother because of a woman one day.

When Lu Ming finally let go, Lu Zheng immediately ran behind Old Master Lu and looked at Lu Ming warily.

He was clearly the big brother, but it was fine if his ability was inferior. Now, he could not beat him and could only hide behind his old grandfather. He was really aggrieved.

Lu Zheng covered his bruised eyes and wanted to accuse Lu Ming, but Old Master Lu asked coldly, "What's with your goddaughter? Why didn't I hear you mention her before?"

Old Master Lu glanced at Lu Zheng, who was standing behind him, with an expression that said, "Don't try to lie to me."

However, Lu Zheng did not dare to tell the truth. In the past, when he went out to solicit prostitutes, he had always done it secretly.

If Lu Yan hadn't bumped into him that day, he wouldn't have blurted out that Su Fei was his goddaughter.

Then, he met Lu Ming. This was the only way to define this matter.

Therefore, at this moment, Lu Zheng could only grit his teeth and say, "I met Feifei by chance previously and felt that she was as cute as Lu Yue, so I wanted to acknowledge her and make her Lu Yue's companion. I didn't have the time to tell you. I thought that after a while, I would find an opportunity to bring her back to meet everyone."

In order to cover up Su Fei's lie, Lu Zheng could only bite the bullet and spout nonsense.

When Old Master Lu heard Lu Zheng's words, he sneered and said, "I don't care if you want to find a goddaughter, but the door of the Lu family isn't that easy to enter. Don't even think about bringing her back to meet us. I find it embarrassing."

What goddaughter? Looking at the photo of Lu Zheng carrying the girl away, Old Master Lu felt that something was wrong.

Lu Zheng did not dare to disobey his grandfather. Besides, Su Fei was indeed not a real goddaughter, so Lu Zheng had never thought of bringing Su Fei back to meet anyone.

Just now, he was just saying it casually.

Lu Zheng agreed obediently and stayed behind Old Master Lu.

Old Master Lu still warned Lu Zheng seriously, "Lu Zheng, if you don't want others to know, don't do it. Be careful. If I find out that you did anything to insult the Lu Family, I won't let you off easily!"

Lu Zheng's heart trembled slightly. Then, he lowered his eyes and replied,

"Okay!"

As for Lu Zheng saying that Lin Yin was the little lover of the Mu brothers, Old Master Lu did not believe it at all.

Although he did not get along with that person from the Mu family, he knew very well about the Mu family's upbringing.

Perhaps Mu Ran would be a little unreliable, but Mu Heng and Mu Xiao's characters were definitely reassuring.

Therefore, he did not believe Lu Zheng at all when he said that Lin Yin was Mu Heng and Mu Xiao's little lover.

Lu Ming was still angry when he saw that the matter had passed, but the other party was his big brother. He was helpless.

Fortunately, nothing happened to Lin Yin. Otherwise, this matter probably would not be over.

After Old Master Lu warned Lu Zheng, he said with a serious and dissatisfied expression, "Third Brother, hurry up and bring that young lady back. We can't let the Mu Family trick her away first."

Although Old Master Lu had never interacted with Lin Yin, he knew very well that the boys from the Mu family were not shallow.

Previously, Lu Ming had said that Mu Ran liked Lin Yin too. From what he saw today, even Mu Heng and Mu Xiao were clearly interested in Lin Yin, so Lin Yin must be very outstanding. Otherwise, why would there be so many people surrounding that girl?

Lu Ming calmed down from his anger and said, "Grandpa, don't worry. I won't let Yinyin be deceived by the Mu family."

Old Master Lu nodded in satisfaction.

After Lu Ming left, Lu Zheng was brought to the ancestral hall by the Old Master. He knelt and read the family rules for a long time before he was allowed to return to his courtyard.

As soon as she saw Lu Zheng return, Meng Shu restrained her emotions and went forward with a worried expression.. She asked with heartache, "Ah Zheng, what's wrong with your face? Did Grandpa punish you just now?"

Chapter 364: Rubbing Her Tummy

Meng Shu knew very well that Lu Zheng's matter had caused an uproar.

Moreover, with her sixth sense as a woman, Lu Zheng's goddaughter was not just a goddaughter. It was just that she was not a brainless woman who would cause trouble with Lu Zheng.

Lu Zheng brushed Meng Shu's hand away and said impatiently, "It's fine!"

Lu Zheng did not dare to say that he had been beaten up by Lu Ming. How embarrassing would that be?!

Meng Shu gently and considerately took the ice pack and helped Lu Zheng reduce the swelling in his eyes. She said gently, "Hubby, you're already bruised.

My heart aches."

Hearing Meng Shu's soft words, Lu Zheng's heart softened. Coupled with Su

Fei's matter this time, Lu Zheng felt a little guilty and his attitude improved.

Holding Meng Shu's busy hand, Lu Zheng looked at Meng Shu gently and said in relief, "Shushu, it's good to have you care about me so much."

Lu Zheng did not deny that he had Meng Shu in his heart. Otherwise, he would not have lived with Meng Shu for so many years and had never thought of breaking up with her.

As for the women who played outside, Lu Zheng had always treated them as the spice of life. After all, there was no man who was not lecherous.

Therefore, in Lu Zheng's opinion, as long as he did not divorce Meng Shu, it was not considered a betrayal.

Meng Shu looked like a little girl as she obediently lay in Lu Zheng's arms and said gently, "You're my husband for life. You're my heavens. How can I not care about you? If anything happens to you one day, I won't want to live anymore."

Meng Shu's words reminded Lu Zheng of Su Fei, who was lying in the hospital to save him. His heart skipped a beat.

He did not expect to meet a girl who was as devoted to him as Meng Shu at this age.

Now that she looked at it like this, Su Fei's personality was more and more similar to the young Meng Shu. They were both girls who made people pity them.

Sensing Lu Zheng's absent-mindedness, Meng Shu's eyes darkened when Lu Zheng could not see her.

She had used so many methods to marry into the Lu Family. She would never let another woman ruin her marriage.

Meng Shu's fair hand gently touched Lu Zheng's chest. Lu Zheng had just been beaten up and was anxious to find a place to vent the anger in his heart, so he pulled Meng Shu along and the two of them rushed to the bathroom.

With their clothes off, the two of them were naked and entangled together.

Even though Meng Shu was already old and had taken good care of herself, her skin was still smooth and tender. It was just that she was still much inferior to the young Su Fei.

Lu Zheng knew very well that Meng Shu was old, so Su Fei, that little vixen, slowly appeared in his mind. When he imagined the person opposite him was Su Fei, he became a little excited, as if he had returned to the time when he was young and impulsive.

After that time a few days ago, Lu Zheng had yet to find a chance to do it with Su Fei again. These few days, his heart was itching. His mind was filled with Su Fei, who was naked and moaning like a kitten under him.

Lu Zheng closed his eyes. The more he thought about it, the more excited he became.

Sensing Lu Zheng's excitement today, Meng Shu was a little happier. She thought that it was good that Lu Zheng was still interested in her.

Lu Zheng vented his anger and used the excuse that he still had something to deal with to leave the Lu Family's old residence and return to the hospital to

visit Su Fei.

After all, a woman who was willing to sacrifice her hands for him, along with a young and youthful body, was tempting to Lu Zheng.

Seeing Lu Zheng arrive, Su Fei's eyes instantly filled with tears. Her sobbing voice sounded softly. "Godfather, you're finally here. I thought you didn't want me anymore."

Su Fei's pitiful look was like that of a puppy abandoned by its owner, making Lu Zheng's heart melt.

Lu Zheng hurriedly went forward and helped Su Fei up into his arms. He coaxed her, "What are you talking about? How can I not want you?! Does it still hurt? Do you want me to rub it for you?"

Su Fei nodded gently and said, "It still hurts a little."

Lu Zheng smiled dotingly and asked, "Where does it hurt?"

Su Fei pulled Lu Zheng's hand and placed it on her abdomen. Then, she whispered, "My stomach hurts."

Lu Zheng, who had already vented once, had some desire in his eyes.

Imagining making love and actually making love with Su Fei was different.

Lu Zheng's hand gently reached under Su Fei's shirt, his hot hand gently rubbing the skin on Su Fei's stomach..

Chapter 365: Exchange for Benefits

The temperature in the ward was getting higher and higher. Lu Zheng had already pulled Su Fei into his arms. One hand was up and the other was down, rubbing the most sensitive and soft parts of Su Fei's body.

Su Fei raised her neck and kissed Lu Zheng uncontrollably. Her body trembled from Lu Zheng's superb skills.

To be honest, other than being a little older, Lu Zheng was really impeccable.

He had a strong family background, good looks, and a well-maintained figure. Especially his skills in bed, he was not something those young boys could compare to.

Soon, Su Fei cried out excitedly in Lu Zheng's arms.

Outside the door, Su Lin looked at his sister, whom he had once doted on, blooming with beauty in another man's arms with an uncomfortable expression.

That helpless anger made Su Lin stand outside the door and tremble.

He did not expect Su Fei and Lu Zheng's relationship to be like this. But even so, Su Lin still did not have the courage to stop them.

Su Lin's eyes turned red and bloodshot as he watched the old man take out his disgusting penis and barged into Su Fei's vagina.

Just as Su Lin could not help but want to rush in, Su Zhen walked over and closed the door of the ward. He said coldly, "Don't be emotional. Since Feifei chose to do such a thing for our Su Family, you have to support her. Otherwise, she'll be played by that man, Lu Zheng, for nothing, understand?"

Su Lin's eyes were bloodshot and even a little wet.

This was the first time Su Lin had seen with his own eyes how a daughter, who had been abandoned by the Su Family, was bullied.

Lu Zheng was an old man who could be Feifei's father. How sad and disgusted must Feifei be?

Su Lin felt sorry for Su Fei, but he felt that his father was right. Since she had already been bullied, she might as well exchange it for the greatest benefit.

He was indeed impulsive just now.

If his father had not rushed over in time to stop her, not only would Su Fei have sacrificed herself for nothing, but the Su Family's new projects would also have failed.

Afraid of an accident, Su Lin stood guard outside the door. His eyes were red as he listened to Su Fei shout uncontrollably, "Godfather, be gentle... Ah... Be gentle. I can't take it anymore..."

This taboo form of address made Lu Zheng feel even more excited.

Lu Zheng did not expect that he would still be so lively when facing Su Fei after venting once. This surprised him.

In the past, when he solicited prostitutes, it was not that he had not played with young girls. He had even played with girls who had just reached adulthood and were inexperienced. He had never experienced a young man's hot-blooded passion.

After that, Lu Zheng hugged Su Fei's smooth body in satisfaction and touched her back lovingly. He said with a satisfied expression, "Feifei, I love you to death. Tell me what you want. I'll give it all to you."

Su Fei nestled weakly in Lu Zheng's arms and said softly, "Feifei doesn't want anything. Feifei just wants to be with Godfather every day."

Looking at Su Fei's innocent and young face and innocent words, Lu Zheng burst with joy. She did not want money but him. Where else could he find such a good girl?

Lu Zheng gently pinched the soft flesh on Su Fei's chest, making her so shy that she hit him coquettishly. Only then did Lu Zheng say, "Silly girl, how can you not want anything? That's proof that Godfather dotes on you. You have to take it, understand?"

Su Fei looked up at Lu Zheng and blinked her innocent eyes. "Is that so?"

Lu Zheng nodded and smiled. "Of course!"

Only then did Su Fei say, "Then I'll take whatever Godfather gives me. As long as it's given to Feifei by Godfather, it's Feifei's most precious treasure."

Lu Zheng laughed until his chest was trembling. He smiled and said, "Your father and brother were still talking about a few new projects yesterday. I'll give them a few tomorrow."

Although Lu Zheng was not as strong as Lu Ming in the Corporation, he still had the ability to distribute some small projects to the Su Family.

Su Fei lowered her eyes, her face suddenly conflicted. Lu Zheng gently pinched

Su Fei's face and smiled. "What's wrong? Are you suddenly unhappy?"

Su Fei pursed her red lips and looked at Lu Zheng carefully. "Godfather, you know that I'm actually not the biological daughter of the Su Family."

Lu Zheng was enlightened. He had forgotten about this.

Without needing Su Fei to continue, Lu Zheng immediately said, "That's easy. I'll get your father and brother to give you some shares.."

Chapter 366: Medicine

Su Fei immediately said, "That's not what I meant. I want to get some protection for my mother. Although I'm not her biological daughter, she's really treated me well all these years. I'm thinking that if I can't stay in the Su Family one day, at least my mother will still have something to rely on and won't have a bad life for the rest of her life."

Lu Zheng looked at Su Fei, who was thinking of her adoptive mother, with heartache. He sighed and said, "Alright, I understand. You little fool, you don't even know how to think for yourself and you still think about your adoptive mother, who is not related to you by blood. How are you going to live in the future if you're so kind?"

Su Fei smiled calmly and cutely. "I'm not afraid. I still have a godfather. If you don't want me one day, I'll go to work. I can support myself."

Lu Zheng pinched Su Fei's tender cheek and pretended to blame her. "What nonsense are you talking about? I won't abandon you. You don't have to do those hard work. I'll take good care of you and make you fair and tender. What you have to do is just accompany me."

Lu Zheng sized up Su Fei's body several times. Su Fei nodded at Lu Zheng with a flushed face. "Feifei will always listen to Godfather."

Lu Zheng kissed Su Fei's small mouth in satisfaction.

After Lu Zheng left, Chu Yun, who had been hiding in the dark, appeared in the ward.

Chu Yun had heard everything about Su Fei and Lu Zheng just now. Although her heart ached that Su Fei was with an old man, Chu Yun slowly felt relieved when she saw that Lu Zheng's looks and figure were not bad.

Su Fei looked at Chu Yun and said, "Mom, the medicine you gave me is very useful."

Chu Yun nodded. "Of course. That medicine is good stuff."

Chu Yun looked outside and said softly, "Be careful. Don't let your father and brother know what we're doing now."

After the Su Family's bankruptcy, both Chu Yun and Su Fei realized that it was safest to hold money in their hands.

Su Fei nodded and said, "Mom, don't worry. I know."

Su Fei's face was filled with ambition.

Since Lin Yin could rely on Lu Ming to become the chairman of a large corporation, so could Su Fei.

She also wanted to become a queen who could make her own decisions, not a helpless toy that could be manipulated by others.

One day, she would step on Lin Yin and let her have a taste of all the unbearable things she had encountered during this period of time.

At this moment, the ignorant Lin Yin couldn't help but sneeze. Lu Ming asked worriedly, "Is the air conditioner too cold?"

Lin Yin shook her head and smiled. "Maybe someone misses me?"

Lu Ming's originally smiling face instantly turned sour. He hugged Lin Yin on his lap and forced her to look into his eyes. He questioned, "Who's thinking about you? Tell me, I'll go beat him up!"

Lin Yin pried Lu Ming's big hands away from her face and said in amusement,

"How would I know who's thinking of me? You're so unreasonable! You only know how to bully me!"

At this moment, Lin Yin looked a little angry after drinking, especially when the air conditioner blew over and her hair fluttered slightly. Lu Ming's mouth went dry.

Lu Ming swallowed and said shamelessly, "Then can I bully you deeper?"

Lin Yin looked at Lu Ming in shock. The next second, she said shyly, 'Why are you talking nonsense again? Can't you be more serious?'

Lu Ming closed his eyes and hugged Lin Yin in his arms. After relieving his excitement, he said, "Yinyin, when are you going to university?!"

Lu Ming naturally knew when Lin Yin would go to university, but he was also a normal man. He really couldn't hold it in anymore.

Lin Yin let Lu Ming hug her and said in a small voice, "It's only about two months. It won't be long."

Two months might be enough for her to settle the Su Family.

Lu Ming smiled bitterly. There were still two months left. Why did time pass so slowly?!

Lu Ming buried his face in Lin Yin's chest in discomfort. He was caught off guard and was pressed against the soft lumps of flesh on Lin Yin's chest, making his heart race..

Chapter 367: Benefactor

Helpless, Lu Ming finally abandoned Lin Yin and fled.

The next day, Su Fei had just woken up when Su Zhen brought Su Lin to question Su Fei. “Feifei, were you the one who told Lu Zheng that you wanted to give your mother a share of the project?”

Su Fei looked puzzled. “I don’t know. How could such a thing happen? What exactly happened?”

Looking at Su Fei’s confused expression, Su Zhen let go of the doubts in his heart slightly. He stared into Su Fei’s eyes and said, “Today, Lu Zheng asked his secretary to give us some new projects, but he has a request. He said that he wants to give 15% of the company’s shares to your mother. Otherwise, he’ll terminate all cooperation, including the previous ones.”

Su Fei looked at Su Zhen in shock. “How could such a thing happen? I really didn’t know! Perhaps Godfather thinks that Mom is also my family, so he wants to give her a share. Why don’t I ask Godfather later? He’ll be here soon?”

Su Zhen’s eyes flashed as he looked at Su Fei deeply. Then, he said, “There’s no need. Since it’s Lu Zheng’s idea, let’s do as he says.”

Su Zhen did not want to make Lu Zheng unhappy because of such a thing. Moreover, Chu Yun’s current identity was his wife. Even if the shares were given to Chu Yun, as long as the two of them did not get a divorce, these shares would still belong to the Su Family.

Of course, this was also the plan that Su Fei and Chu Yun had discussed before. It was the one that Su Zhen could accept the most.

If the shares were for Su Fei, Su Zhen might really become suspicious and be wary of Su Fei.

Therefore, giving the shares to Chu Yun was the most acceptable plan for Su Zhen.

After sending Su Zhen away, Lu Zheng came to pick Su Fei up and brought her to a large villa.

Lu Zheng hugged Su Fei's waist and said, "You'll stay here from now on. I've already arranged for someone to take care of you. This way, I can find you when I want to."

Su Fei looked at the magnificent villa curiously. It was several times more upscale than the Su Family's villa.

However, Su Fei's happy expression quickly became disappointed. She said worriedly, "I think it's better for me to go home. After all, I'll feel embarrassed and uncomfortable living in someone else's house."

Lu Zheng smiled and said generously, "That's not difficult. I'll get my secretary to send the contract over later and this villa will be given to you, Feifei. How about this? This is your own home, so you don't have to feel uncomfortable."

Su Fei was so happy that she was about to fly, but she still said awkwardly,

"That's not good, right? This villa looks very expensive. I... I don't dare to take

Lu Zheng smiled and said, "As my woman, you can take everything. Just take it. This is just a drop in the bucket for me. You don't have to feel burdened."

Su Fei looked up at Lu Zheng shyly, her eyes filled with admiration. "Godfather,

Feifei listens to you!"

Satisfied, Lu Zheng hugged Su Fei and kissed her a few times. He waved away the servant beside him, took off Su Fei's clothes, and started promiscuity in the huge hall of the villa.

Su Fei was pushed onto the carpet, her body swaying back and forth from the impact. Her eyes were blurry but she looked excitedly at the expensive chandelier on the ceiling.

She felt as if she had already caught up to Lin Yin. She had used the same method as Lin Yin to sell herself to the Lu Family and become superior.

It was not until Su Fei signed the villa transfer contract that Su Fei felt like she was living in a dream. It was so unreal.

In the past, the Su Family was rich, but she never had real assets in her hands. Su Zhen had everything firmly in his hands.

But now, Lu Zheng had given her a luxurious villa, and it was a villa that belonged to her alone. How could Su Fei not be mesmerized?

After chasing away all the servants, Su Fei shouted and laughed wildly in the villa. As she walked to her bedroom, she took off her annoying clothes.

Then, she lay comfortably in the bathtub to wash herself.

She wanted to wash away all the shabby smell of her past. This way, she would be a member of a wealthy family in the future and be different from the Su Fei who parasitized the Su Family.

Su Fei was in an extremely good mood. Even the marks on her body that Lu Zheng had just left behind felt like the shape of money.

She knew that Su Fei's life was extraordinary. She would definitely meet a true benefactor that would let her live the life she wanted.

Now, Lu Zheng has appeared!

Chapter 368: End of High School

The cold and sweet-sour plum soup slid into her body through her mouth. Lin Yin felt comfortable all over.

At the side, Lu Yan and Yang Xue were looking at the administrative seals of each school and preparing to choose a school.

“Yinyin, why don’t you look at the school? Have you thought about where you want to enroll?” Lu Yan looked up at Lin Yin and asked.

Lin Yin retracted her gaze from her cell phone and nodded. “I’ve long thought about it. The Capital University.”

Lu Yan sighed and said, “As expected, star students don’t need to experience troubles like ours. Yang Xue, have you chosen?”

Yang Xue nodded and said, “I’m preparing to go overseas.”

Lu Yan looked at Yang Xue in surprise. “Why didn’t I hear you mention it before?”

Yang Xue looked at Lin Yin and smiled. “It was just a while ago. Didn’t we invest in Yinyin’s company and earn some money? So I plan to study medicine overseas. When the time comes, my mother will go with me.”

Lu Yan said sadly, “If you go, we’ll have fewer chances to see each other in the future. I’ll miss you so much.”

Yang Xue looked at Lu Yan in amusement. “What are you doing? I haven’t left yet. We still have to pester each other for more than two months.”

Only then did Lu Yan smile. Then, she continued to complain that her studies were bumpy.

“Your parents should have planned for you long ago,” Lin Yin said.

With a family like the Lu Family, they would definitely choose a future path for their descendants.

“But I don’t like it. My mother wants me to learn design so that I can inherit her company. My father wants me to learn machinery so that I can inherit his career.” Lu Yan leaned on the table with a hopeless expression.

When they heard about the mechanical specialization, Yang Xue and Lin Yin couldn’t help but laugh.

“See, the two of you think it’s unreliable too, right? So, I thought that I had to choose for myself. Otherwise, if my parents came, I would be finished,” Lu Yan said with a plaintive expression.

The three of them chatted at the beverage shop for the entire afternoon. When Lu Ming came to pick them up, the three of them were still unsatisfied.

Lu Yan looked at Lu Ming and said with a strange expression, “In the past, when my uncle came, he would definitely pick me up. Now, when my uncle comes, he will definitely pick Yinyin up. Aiya, as expected, his niece is still inferior to a woman. I’m so sad.”

Lu Yan would never get tired of teasing Lu Ming.

Lu Ming glanced at Lu Yan indifferently. She was no longer as cold as before. This made Lu Yan sigh even more. Indeed, tough men had gentleness. Now that she had Yinyin, her uncle treated her better.

Lu Ming approached Lin Yin and whispered, “I made your favorite sweet and sour osmanthus fish tonight. Are you going back to eat it now?”

Lin Yin nodded at Lu Ming and asked, “Would it be enough if Yang Xue and Xiao Yan ate with us?”

Lu Ming frowned and shook his head with a serious expression. “If it’s not enough, I’ve only prepared yours and mine.”

Lin Yin pursed her lips and looked up at the two people who had been looking at her and Lu Ming. “Then I’ll go back first.”

Yang Xue and Lu Yan looked at each other and smiled. Then, they looked at Lin Yin mockingly, making Lin Yin feel embarrassed and flee.

Lu Ming looked lovingly at Lin Yin’s back as she fled. Then, he turned to look at

Lu Yan and said, “Wait for a while. I’ll get the chauffeur to pick you up and send the two of you back.”

“Uncle, hurry up and leave. The two of us know the way home,” Lu Yan said teasingly.

Lu Ming only smiled at Lu Yan’s teasing and followed Lin Yin.

On the day the college entrance examination results were released, different families had different reactions.

Lu Yan’s results were neither good nor bad. In the end, she chose her favorite programming major.

Once Lin Yin’s results were out, Capital University would definitely be in her hands.

Yang Xue’s application to study abroad was also issued.

The students in the class were all making a fuss in the group chat. They were going on a graduation trip. Lu Yan thought that she didn’t know when she would be able to see Yang Xue in the future, so she pulled Lin Yin and Yang Xue along and signed up.

As Lu Ming watched Lin Yin pack her luggage, he asked, “How many days are you going for? Do you need to prepare so many things?”

“It’s ten days. Obviously, I need to prepare more things. There’s still camping on the mountain during the trip. I have to prepare something to prevent mosquitoes,” Lin Yin said as she continued packing.

“I’ll get Shen Yu to send it to you when the time comes. Don’t be busy. I’m going on a business trip tomorrow too. Stay with me tonight,” Lu Ming said with a plaintive expression..

Chapter 369: Pick Her Up

Lin Yin didn’t look at him for the entire night. He felt neglected and uncomfortable.

Lin Yin turned to look at Lu Ming in amusement and said, “Lu Ming, how old are you? Why are you still like a child?”

Lu Ming hated it when Lin Yin said that he was old.

Previously, when Mu Ran said that he was old and not worthy of Lin Yin, he was still brooding over the fact that he was an old cow eating young grass.

Lu Ming bent down and his strong arms passed through Lin Yin’s knees. He picked her up like he was carrying a child.

Lin Yin was still holding a dress in her hand. She cried out in shock when Lu Ming suddenly picked her up.

“Yinyin, are you despising me for being old?” Lu Ming’s dangerous aura sounded in Lin Yin’s ear.

Lin Yin said weakly, “That’s not what I meant.”

Lu Ming’s eyes landed on Lin Yin’s small earlobe, and his voice was a little low. “Is it because you despise me for not being as strong as those young men?”

Lu Ming's hot breath spread across Lin Yin's ears and the back of her neck. Lin Yin's skin quickly turned pink.

"I didn't say that. You've misunderstood! Hurry up and let me go. I still have to pack my things," Lin Yin said angrily.

Lu Ming ignored Lin Yin's weak protest. Instead, he lowered his head and bit Lin Yin's pink earlobe gently. Hearing Lin Yin's delicate cry, Lu Ming stuck out his tongue and sucked Lin Yin's earlobe into his mouth, biting and licking it gently.

Lin Yin subconsciously wanted to turn her head to avoid it, but she was being bit. She could only sav with a red face. "Lu Ming, let go of mv ear."

Lu Ming's chuckle was deafening in Lin Yin's ears. His happy voice was like a drumstick hitting Lin Yin's heart, making her heart tremble and beat violently.

Lu Ming let go of Lin Yin's earlobe. After Lin Yin heaved a sigh of relief, Lu Ming grabbed Lin Yin with one hand and turned her 180 degrees.

The next second, Lin Yin and Lu Ming were facing each other. The insecure Lin Yin instantly wrapped her arms around Lu Ming's neck and her legs subconsciously wrapped around Lu Ming's lean waist, holding him tightly.

Lu Ming hugged Lin Yin in a good mood. His hot arms were under Lin Yin's hips, making her feel a little uncomfortable.

Lu Ming looked up at Lin Yin's bright eyes and smiled. "I listened to you and let go of your ears. Then do I have any rewards?"

Lin Yin's ears were so red that they were about to bleed. She looked to the side, not looking at Lu Ming's burning and lustful eyes. "You're really shameless. You clearly took advantage of me, but you still want me to reward you. Shameless!"

Lu Ming let go of one hand and suddenly lost some of the strength to hold Lin Yin up. Lin Yin instantly hugged Lu Ming even tighter in panic. The two of them hugged each other tightly.

Lu Ming felt the softness pressing against the muscles in his chest and his heart skipped a beat. At this moment, as a normal adult man, all the cells in Lu Ming's body were clamoring to suppress Lin Yin and bully her.

But in the end, Lu Ming still calmly raised his hand and pinched Lin Yin's pink cheek. He smiled and said, "Only you dare to say that I'm shameless." The love in his words was like spilling out water in a fully saturated sponge.

"Isn't that because you did such a shameless thing yourself? Can't I say it?" Lin Yin's shy voice sounded.

Her soft voice was like the tip of a feather, teasing Lu Ming's heart. "Okay, okay, okay. It's my fault. I did something shameless. Yinyin, can I kiss you?"

Lu Ming's gaze landed on Lin Yin's lips. Then, his gaze slowly moved up and locked onto Lin Yin's gaze as he asked piously and seriously.

Lin Yin quickly pursed her lips and shook her head like a rattle. "No, I only kiss my boyfriend."

Lu Ming looked at Lin Yin in disappointment and sighed faintly. "There's still a long time before school starts."

Lu Ming sighed again. Why did university students start school so late? Couldn't they start school in July?

Then, Lu Ming laughed at his ridiculous idea. He was so lustful. What little rationality he had was controlled by desire. His mind was filled with the desire to sleep with Lin Yin.

Lu Ming felt that he was really too sick..

Chapter 370: Begging

In the brightly lit villa, Su Fei was also instructing the servants to pack up. On this graduation trip, she wanted to take back all her glory as the eldest daughter of the Su Family.

“Yes, put on those custom-made gowns too,” Su Fei said arrogantly. Then, she frowned slightly and said harshly, “Be gentler. This gown is worth 200,000 yuan. If it’s torn, you won’t be able to afford it even if you sell your poor family.”

The servant’s forehead was sweating from Su Fei’s words.

At this moment, someone came in and reported, “Miss, those people are here again.”

Su Fei’s expression was instantly filled with impatience. “They’re really persistent. Let them in.”

Su Fei got someone to put the things aside and sat on the sofa arrogantly. She looked at Zheng Chao’s parents with disdain as they brought a group of middle-aged people in.

The Zhao Family, who had always been arrogant, was uneasy in front of Su Fei.

Their expressions were sad and fawning.

Su Fei smiled smugly. In the past, the Zhao Family was as arrogant as they were now humble in front of her. Such a stark contrast made Su Fei feel extremely happy.

“Didn’t I say? When I’m happy, I’ll let your sons go home,” Su Fei said casually as she ate the grapes that the servant beside her had peeled.

Zheng Feng rubbed his hands and smiled apologetically. “But it’s been 20 days.

It's about time. I hope Miss Su can be merciful and let our son go home."

Zheng Feng did not expect that his future daughter-in-law, who used to be cautious in front of them, could actually get close to the Lu Family and become Lu Zheng's goddaughter.

Now, they had no other choice but to beg Su Fei.

The corners of Su Fei's lips curled up in disdain. She mocked, "It's only been 20 days. Are you guys that anxious?"

Zheng Chao and Zhao Zhi had bullied her for more than 20 days. How could she vent her anger?

Zhao Zhi's mother knelt at Su Fei's feet and cried with tears all over her face. "Miss Su, I beg you. Can you let Zhao Zhi go? I'll kowtow to you. Let him go!"

As she spoke, Zhao Zhi's mother really kowtowed to Su Fei. She kowtowed to the ground with a bang.

Su Fei looked at Zhao Zhi's mother coldly, her expression not soft at all. Back then, when she was bullied and humiliated by so many people, it was not that she had not begged, but had they ever been soft-hearted and let her off?

NO!

When they saw her begging humbly, they laughed even more wantonly and bullied her even more.

He stepped on all her dignity, face, and shame, making her so unbearable, disheveled, and dirty.

Among those people, other than the leader, Zheng Chao, Zhao Zhi was the one who had humiliated her the most.

Therefore, she would definitely not let Zhao Zhi off. When she was done playing, there would only be one outcome for Zhao Zhi. He would be tortured to death and nothing else.

She would not let go of all the people who had bullied her in the past. She would not let these people live in this world and become existences that could threaten her at any time.

Everyone watched helplessly as Zhao Zhi's mother's forehead was cut. Blood dyed her forehead and the ground red, but Su Fei still did not say anything.

Zheng Feng and his wife, Zhou Ping, looked at each other. The two of them could feel Su Fei's heart of stone and were worried.

For half an hour, it was not until Zhao Zhi's mother fainted in the living room that Su Fei's voice sounded faintly. "Throw her out and she dirtied my expensive floor tiles. She deserves to die."

The bodyguards guarding the side immediately went forward and lifted Zhao Zhi's mother up like a dead dog.

Suddenly, Su Fei seemed to have thought of something fun. An evil smile appeared on her face and she immediately said, "Wait, lock her up first. I have use for her!"

Everyone was shocked. They did not expect Su Fei to imprison someone in front of so many people.

Zheng Feng swallowed his saliva and begged with a fawning expression, "Feifei, on account that Zheng Chao still helped your Su Family find a project after your Su Family went bankrupt, can you let Zheng Chao out? We're family friends, right?"

"Family friend?" Su Fei gently ground out these two words, then mocked, "Taking advantage of our Su Family's downfall and lack of resources to provide what's called a project and openly embezzle our funds.. Is this what you mean by family friend?"
