

Real Daughter 41

Chapter 41 Double Pay Back

"Mr. Ma, I'm Su Zhen from the Su Corporation." A fawning smile appeared on Su Zhen's face, he looked hypocritical and ridiculous.

"Su Zhen?" The old man's voice on the phone was a little hesitant.

"Don't you remember? I talked to you about Xin Lin's Real Estate a few days ago." There were a few obvious wrinkles at the corners of Su Zhen's eyes because his smile deepened.

"Oh, I have some impression of it, but didn't I say that there's no hurry for business? I still want to see the sincerity of your Su Corporation." Ma De's tone softened a little, and there was a deeper meaning in his words.

"Yes, Old Master Ma, I understand." Su Zhen knew about Ma De's shameful hobbies. Although he was almost 70 years old, he still had ulterior motives towards some young girls.

Su Zhen's eyes darted around, and his tone was a little flattering. "My youngest daughter is still in high school. Although she's beautiful, her personality is really a little bad. I have no choice. Mr. Ma, you're highly respected. Can you teach my daughter a little so that I, as her father, can worry less?"

When Ma De heard Su Zhen's words, his turbid eyes widened a little, and the corners of his lips curled up to reveal his yellowed teeth from smoking all year round. "Ah, the little girl can be learned after I teach her carefully." Ma De smiled, his voice hoarse and ear-piercing. "However, it's best if you can send her to my house tonight so that I can feel the sincerity of your Su Family."

"Sigh, don't worry. As long as you can hand over Xin Lin's Real Estate to me, I guarantee that you'll be satisfied." When Su Zhen heard that the business deal was successful, the smile on his face became even more obvious. After hanging up, Su Zhen looked at Chu Yun behind him.

"Tell Aunt Li to prepare more dishes tonight. Lin Yin will go to the Ma Family to study at night. We have to let her eat her fill so she's obedient." Su Zhen's expression was very natural, as if Lin Yin was just an item or an unnecessary eyesore. It was already very worth it to use her for business.

“That’s good too. It saves me the trouble of seeing her.” Chu Yun’s face became more ruthless. She sneered and said, “Hmph, she always makes Feifei sad. The dirty thing that crawled out of the slums isn’t that clean to begin with.”

Chu Yun went to brief Aunt Li. Aunt Li was very happy to hear the instructions and started to get busy.

It seemed that the relationship between the family had finally eased. Aunt Li was very happy for Lin Yin. This poor child had finally been gradually accepted by the Su Family, but she did not know that the Su Family had prepared a big gift for Lin Yin.

...

As soon as Lin Yin returned to the Su Family, she saw that Aunt Li’s face was full of smiles.

“Aunt Li, why did you prepare so many dishes?” Lin Yin was a little surprised to see the steaming food on the dining table and asked Aunt Li, who was carrying the dishes.

“Miss, Madam instructed it. It’s not easy for you two to reunite. Actually, she’s also happy.” Aunt Li’s thoughts were very simple. She felt that since she was her biological daughter, there was still some affection.

“Oh? She’s so kind?” Lin Yin sneered. If she hadn’t died once, she might have really believed it.

“Miss, Madam just needs some time. She poured this wine herself. The dishes are all here. I’ll call Sir and Madam. Sit down quickly and eat more later.” Aunt Li smiled and walked towards the second floor.

Lin Yin glanced at the exquisite wine glass on the table and frowned. “Poured the wine herself?” Lin Yin sat at her seat and exchanged the wine glass and cutlery in front of her with Su Fei’s.

Chu Yun was used to being pampered. It was probably not that simple for her to personally pour wine.

Lin Yin's gaze was dark, and a faint smile appeared on her lips. Su Fei, it's your mother who loves you the most anyway. A sensible daughter like you should enjoy what she has prepared.

After adjusting her emotions, Lin Yin sat in her seat without saying a word. Su Fei obediently held Chu Yun's arm and the two of them went downstairs chatting and laughing.

Seeing Lin Yin sitting at the dining table, Su Fei's mood improved a lot. Her mother had already told her just now that Lin Yin would be sent to the Ma family to study tonight. She wondered how arrogant she could be after being bullied by that perverted old man, Ma De.

Su Fei had a sweet smile on her face as she sat beside Lin Yin.

Chu Yun and Su Zhen also sat at the table. Chu Yun looked at Lin Yin with a rare smile. "Little Yin, eat more later. It's not good for a girl to be so thin."

Lin Yin saw the smile on Chu Yun's face and confirmed her previous guess. Chu Yun, no matter what you want to do to me, I'll make your precious daughter pay back double.

Chapter 42 Going Too Far

"I'm not hungry. I don't want to eat." Lin Yin felt disgusted by the woman's fake smile.

When Chu Yun heard Lin Yin's words, she was clearly a little angry, but she quickly suppressed her dissatisfaction and said to Lin Yin, "Then drink some fruit wine. Your father brought it back from France. He treasures it very much. If you hadn't come home, we wouldn't have been able to taste it usually."

"Really?" Lin Yin smiled bitterly. It seemed like there was really a problem with the wine.

When she first entered and heard Aunt Li's words, Lin Yin actually suspected that Chu Yun had treated her a little better than usual because she knew that she had been bullied in school. She was really ridiculously stupid. How could she ask for a little love from a person who doesn't have a heart?

After seeing the woman in front of her clearly, Lin Yin suddenly felt much more relieved. She was still too benevolent. These people could not repay the pain she had suffered in her previous life!

Seeing that Lin Yin did not move, Su Fei, who was beside her, was a little anxious. She picked up the wine glass in front of her and raised her hand to Lin Yin. "There might be some misunderstanding between us sisters. I'm the older sister. I should apologize." Su Fei gestured to Lin Yin and said gently, "Let's drink this glass of wine and be the best sisters after tonight, okay?"

Lin Yin's eyes were a little cold, but she still picked up the wine glass in front of her and drank it in one gulp under the gazes of Su Zhen and Chu Yun. "Alright, drink it too."

When Su Fei saw that Lin Yin had finished the wine in her glass, the smile on her face became even more obvious. She finished the wine in her hand. Su Fei thought to herself, Lin Yin, after tonight, you're not even worthy of carrying my shoes, let alone drinking with me!

Everyone had their own thoughts during the meal. Lin Yin only ate a few mouthfuls of the dishes that the Su Family had touched. Looking at this family, Lin Yin really had no appetite.

"Everyone is done eating. Little Yin, go upstairs and rest early," Su Zhen said to Lin Yin as he put down his bowl and chopsticks. He glanced at Aunt Li, who was cleaning up.

"Okay." Lin Yin noticed Su Zhen's abnormality and slowly stood up to say to Su Fei, "You just said that we'll be the best sisters in the future, right?"

Su Fei didn't know what Lin Yin meant, but at the thought of what was about to happen, she was in a good mood. "Yes."

"Then Sister, I have some questions about my studies. Can I go back to my room and ask you?" Lin Yin also had a smile on her face. She had to know what the Su Family was up to as soon as possible.

Su Fei looked at Su Zhen and Chu Yun. The two of them nodded at her tacitly.

Su Zhen instructed, "Feifei, go help Sister take a look. When Sister is asleep, you can return to your room."

Su Fei understood and nodded before walking upstairs with Lin Yin.

As soon as she entered the bedroom, Lin Yin locked the bedroom door when Su Fei wasn't paying attention.

"Sister, can I play some music?" Without waiting for Su Fei's answer, Lin Yin took out her phone and played a noisy song while turning the volume to the maximum.

Su Fei frowned unhappily. "I have a headache. Turn down the volume."

Seeing Su Fei's slightly swaying body, Lin Yin's big almond-shaped eyes curved slightly. She smiled and said, "Sister, if you have a headache, you'll be fine after sleeping for a while."

Su Fei gradually lost consciousness and was half pushed and half dragged to the bed by Lin Yin.

"How did I..." Su Fei's eyelids felt heavy. She suddenly realized something, but there was no strength in her hands. "Did you touch my wine?"

Su Fei wanted to scream so that her parents downstairs could save her, but her voice gradually became insignificant under the noisy music.

"Wine?" Lin Yin pressed Su Fei onto the bed and whispered in her ear, "Didn't your good mother pour it herself?"

Seeing that Su Fei had fallen unconscious, Lin Yin had a plan.

She took off Su Fei's clothes and put them on her.

After exchanging their clothes, Lin Yin spread Su Fei's hair and covered her with a blanket. "Fortunately, our figures are similar. This way, your good mother probably won't be able to tell."

Lin Yin pulled the curtains and turned off all the lights in the room. She glanced at the faint figure on the bed and muttered to herself, "Enjoy the gift your parents prepared later." Lin Yin was not sure why the Su couple wanted to knock her out. It was just that they had gone too far. She was just giving them an eye for an eye.

Turning off the music on her phone, Lin Yin pushed the door open a crack. Seeing that the Su couple sitting on the sofa had no intention of going upstairs, she opened the door and walked out, walking straight into Su Fei's room.

Chapter 43 So Vicious

Lin Yin deliberately made the sound of the door closing very loud, as if she was informing the Su couple downstairs.

Chu Yun looked upstairs and realized that the door to Lin Yin's room was half open. She said to Su Zhen beside her, "Feifei seemed to have returned to her room just now. Lin Yin should be asleep."

Su Zhen nodded and waved at the two tall bodyguards outside the door.

"The two of you, hurry up. Don't make Mr. Ma wait too long." Su Zhen glanced at Aunt Li, who was tidying up in the kitchen, and deliberately raised his voice. "Put the trash in Miss Lin Yin's room into the sack. It's getting late. Just pack up and come down. Be quick."

"Yes, Mr. Su." The two bodyguards took out the black sacks they had prepared in advance and walked quickly to the second floor.

Chu Yun was a little nervous, but when she thought about how that irksome girl was about to be sent away, she could not hide her joy.

The two bodyguards carried the sack and went downstairs in a well-trained manner. They nodded at Su Zhen and walked out of the Su Family's door.

"Sir, what's that?" Aunt Li noticed the sound in the hall and walked out of the kitchen curiously.

“Oh, it’s nothing. There’s something in Lin Yin’s room that she doesn’t want.” There was nothing unnatural on Su Zhen’s face.

“But...” Aunt Li kept feeling that the thing in the bag did not look like an object.

“Hurry up and pack up. Go back and rest early later.” Su Zhen couldn’t be bothered to explain to Aunt Li. He pulled Chu Yun back to the bedroom with light footsteps.

On the second floor, Lin Yin had been standing in front of the window. She was shocked to see two bodyguards carrying a black sack out of the Su Family’s door.

She did not expect the Su couple to be so vicious. What had happened after she graduated in her previous life had actually happened so early in this life.

Recalling her experience in her previous life, Lin Yin’s nails dug into her palms, leaving obvious marks. If she hadn’t been careful, she would have been harmed.

Fortunately, things had changed. Lin Yin began to look forward to it. If Chu Yun discovered that the person who was sent away was actually her precious daughter, the expression on her face would definitely be quite interesting.

Seeing that there was no one in the hall, Lin Yin quietly walked back to her bedroom and closed the door. Lin Yin changed out of Su Fei’s clothes and threw them aside in disgust. Lying on the bed, Lin Yin felt very comfortable and actually quickly fell asleep.

On the other hand, Su Fei, who was in the car, was not having it easy. The sedative was not very effective, and the bumpy ride gradually woke Su Fei up.

Su Fei realized that she seemed to have been put into a bag. She was about to call for help when she realized that her mouth was firmly gagged and her hands and feet were tightly tied with twine.

Su Fei struggled hard. She didn’t expect Lin Yin to be so difficult to deal with. At the thought of what she would have to face later, Su Fei couldn’t help but tear up and cry.

“Hey, Brother Chen, why do you think Mr. Su handed his daughter to such a person?” The bodyguard driving could not bear to hear the cries in the trunk.

“We’re just bodyguards. Just do what we’re told.” There was an obvious scar at the corner of Chen Xu’s eye, making his already unfriendly face look even more ferocious.

“But this Miss Lin Yin seems to be only 18 years old. It’s hard to say if she can survive if she’s handed over to such an old pervert.” The driver didn’t understand how much hatred could make Mr. Su do this.

“Eighteen years old? She deserved it. Who asked her to treat Miss Su like that?!” Chen Xu had been a bodyguard for the Su Family for three years and had witnessed Su Fei’s most beautiful growth. In his heart, Su Fei was a sacred little princess. How could a rough girl like Lin Yin, who crawled out of a mire, compare to her?

“Brother Chen, we’ve arrived at the Ma Family’s residence.” After parking the car, two bodyguards carried the sack out of the trunk.

The person in the sack struggled hard. Chen Xu punched the sack hard and said, “Behave yourself. Remember that this is the consequence of offending Miss Su!” As he approached the Ma Family’s door, Chen Xu did not know that the little princess he had been thinking about was in the black sack in his hand.

Ma De, who had been waiting in the living room, couldn’t wait to welcome the people from the Su Family.

“Okay, okay!” Seeing the struggling sack, Ma De revealed a greedy expression. “Hurry up and carry her to the bedroom. Young girls are very delicate. Don’t let her get caught in the cold wind.”

The two bodyguards were led to the bedroom by Ma De

Ma De’s eyes were shining and his wrinkled hands were tightly crossed.

“Quick, open it quickly. Don’t suffocate the child!” Ma De seemed to have already seen the young girl’s tender and fair skin through the sack.

Chen Xu was very disgusted by Ma De’s orders, but when he thought about how he could let the person who bullied Miss Su be ruined by this pervert in front of him, he quickened his actions.

Chapter 44 Have to Stay

Su Fei had just seen the light of day when she saw Ma De staring at her as if she was prey. She moved back in fear, but she leaned against the wall.

Looking at the beautiful young girl in front of him, Ma De wished he could tear her apart and eat her.

Looking at the two bodyguards who were still standing there, Ma De ordered unhappily, “Get lost. Can’t you see that I’m going to teach the young lady a good lesson?” Ma De walked towards Su Fei enthusiastically.

When Chen Xu saw Su Fei’s face, he was stunned on the spot. He had clearly gone to Lin Yin’s room. Why had he kidnapped Miss Su?

Ma De couldn’t wait. Ignoring the two men standing at the side, he was already on top of Su Fei.

Just as Chen Xu was about to stop him, he was grabbed by the other bodyguard accompanying him. He also knew that Ma De was someone he could not afford to offend no matter what.

Su Fei’s clothes were torn into a mess, and the cotton cloth in her mouth was finally pulled out by Ma De. “No! I’m not. You’re mistaken!” Su Fei kept struggling.

Although Ma De was old, in the face of Su Fei’s young and beautiful appearance, he could not control the beast in his heart.

“No!” Su Fei’s face was covered in tears, and there was not much left of her clothes.

Chen Xu, who had just arrived at the door, couldn't bear it. He said to the bodyguard beside him, "Hurry up and contact Mr. Su. It's hard to explain if we make a mistake."

Chen Xu walked towards Ma De, who was riding on Su Fei. "Old Master Ma, you..."

Ma De had no time to care. He felt disturbed and cursed unhappily, "If you f*cking want to die, continue standing here!"

Su Fei felt the approaching bodyguards and quickly shouted, "Save me, we met at the Su Family! Save me!" Su Fei did not remember the man in front of her at all, but compared to the old pervert who acted recklessly on her, the bodyguard behind him looked kinder.

Hearing Su Fei's words, Chen Xu was also a little worried. He walked forward and grabbed Ma De's hand which was fumbling around Su Fei's chest. He explained, "Old Master Ma, it's really a mistake. She's not..."

Ma De had already taken off half of his pants. He turned to look at the bodyguard who stopped him, his old eyes tinged with red. "Even if it's a mistake, she has to stay!"

Ma De panted heavily and picked up the phone by the bed. After pressing the button, he said, "Someone come, a reckless rat ran into my room. Catch him and cut him up to feed the dogs!"

Chen Xu was a little flustered when he saw the old man's fierce gaze. Just as he was at a loss, he heard Ma De's phone suddenly ring.

"Hello, Su Zhen." Ma De's tone towards Su Zhen became much better because of the girl in front of him.

Hearing her father's name, Su Fei suddenly got up from the bed and shouted, "Dad! Save me! Dad, I'm Feifei!"

Hearing his daughter's voice, Su Zhen's hand trembled slightly. He explained politely over the phone, "Old Master Ma, I'm really sorry. I was really mistaken."

Ma De glanced at the girl in disheveled clothes and snorted. He said into the phone, "Why? Isn't she your daughter?"

"Yes, yes... but..." Su Zhen was so nervous that he did not dare to speak loudly. He knew Ma De's methods. If he held a grudge against him, it would probably be difficult for him to establish himself in the business world in the future.

"Then there's no mistake!" Ma De's eyes were old, but they looked ruthless and fierce. "Su Zhen, you'd better know! You're the one who begged me to accept your daughter. You'd better think about the consequences if you dare to go back on your word!"

After hanging up, the bodyguards in Ma De's house had already walked into the room.

Seeing that her father's call had been hung up, Su Fei knew that the only person who could save her was probably the man in front of her. Su Fei looked at Chen Xu with red eyes and said gently, "Please, help me..."

Chen Xu saw Su Fei's appearance and the bodyguards walking towards him. He suddenly thought of something and said loudly to Ma De, "Miss Su and I have actually been together for a long time. I know that you only like inexperienced girls. I don't dare to lie to you!"

Ma De and Su Fei were obviously a little surprised. Hearing Chen Xu's words, Ma De looked at the girl on the bed and said disdainfully, "That bastard Su Zhen! I thought about what treasure he could give me. It turns out that it's just a b*tch who has an affair with a bodyguard!"

When Su Fei heard Chen Xu's words, she was a little dissatisfied. His words undoubtedly ruined her innocence, but there was probably no other way to get rid of this old pervert in front of her.

Just as she thought that Ma De was going to let her off, she heard Ma De say to his bodyguards, "Beat her half to death and throw her back to the Su Family. I want Su Zhen to know the consequences of offending me!"

With that, Ma De walked out of the bedroom, and hoarse cries sounded in the room.

Chapter 45 You Deserve It

The Su Family's hall was brightly lit. Su Zhen was hung up by Ma De and sat weakly on the sofa. Chu Yun looked at the silent Su Zhen and cried loudly, "Old Su! Hurry up and think of something! Why? How is that possible?!"

After receiving the bodyguard's call, Su Zhen and Chu Yun were at a loss. They hurriedly called Ma De, hoping that he would let their daughter off, but they did not expect that they would not have the chance.

"No, how could the person sent be Feifei?!" Su Zhen was in a terrible fix. On one hand, it was the Ma Family that he did not dare to offend, and on the other hand, it was the daughter he had raised for 18 years.

"It's her! It's that little b*tch Lin Yin! It must be her!" Chu Yun hurriedly ran up the stairs. "She must still be in the room. She wanted to harm Feifei!"

Su Zhen was also very angry and followed Chu Yun into Lin Yin's room.

"You!" Chu Yun turned on the light in the room and was about to curse when she saw the sleepy Lin Yin on the bed.

"Dad, Mom? What's wrong? What happened?" Lin Yin was indeed asleep, but she knew very well why the two of them were here.

"You..." Chu Yun wanted to pull Lin Yin off the bed, but she seemed to be sleeping.

"Have you been sleeping in your room?" Su Zhen frowned and stared at Lin Yin, observing her expression.

"Yes." Lin Yin rubbed her eyes and said slowly, "I don't know why, but I seem to be especially sleepy today. Sister only taught me half of the questions and I fell asleep. She won't blame me, right? Where's Sister?"

“She-”

There were still tears on Chu Yun’s face. Just as she was about to say it, she was interrupted by Su Zhen.
“Yes, your sister is resting too. Go back to sleep.”

Su Zhen pulled Chu Yun out of the bedroom and closed Lin Yin’s door.

“Old Su, she must be pretending!” Chu Yun wished she could tear Lin Yin apart, but because Su Zhen was beside her, she could only endure it.

“So what if she’s pretending? If outsiders really talk about us, it’s our fault. Forget it, let’s hurry to the Ma Family. We have to bring Feifei back no matter what!”

Chu Yun was also worried about Su Fei’s situation. Ma De was famous for being sinister and vicious. She did not know what would happen to Su Fei.

Su Zhen brought along the antique calligraphy and paintings that he had collected for many years and planned to apologize to Ma De. After all, he really could not afford to offend the Ma Family’s influence. However, just as he reached the entrance of the Su Family, he saw a black car parked not far away.

“Old Su, that doesn’t seem to be our family’s car.” Chu Yun couldn’t see it clearly in the night. She vaguely felt that something had been thrown out of the car.

“Let’s go take a look!” After Su Zhen finished speaking, he realized that the car had already left, leaving only three black cloth bags.

As he walked closer, Su Zhen felt that something was wrong. He hurriedly opened the bag and saw the bruised and swollen Su Family bodyguard.

“Ah!” Chu Yun could not help but scream.

Su Zhen felt even more uneasy. He untied the other two bags. They were Su Fei and the other bodyguard. Neither of them was spared. They were all covered in injuries.

"Feifei!" Chu Yun cried and hugged Su Fei. She realized that her clothes had been completely torn.

"Ah! My daughter!" Chu Yun hugged Su Fei and cried, but Su Fei did not react at all.

Su Zhen was also very sad, but he was more worried about his business. It seemed like Ma De meant that he had completely fallen out with him. The Su Family's business would probably not be easy to operate in the future.

"Old Su, let's go to the hospital! Feifei's injuries are too serious!" Chu Yun looked at the scary bruises on Su Fei's body and her heart ached so much that she could not breathe.

"No, I'll get someone to send the bodyguards to the hospital." Su Zhen took out his phone and instructed Chu Yun, "Let's carry Feifei back to her room. If anyone sees her like this, her life will probably be ruined."

Chu Yun agreed with Su Zhen and asked someone to carry the bodyguards away. Su Fei was carried back to the bedroom by the two of them.

The window on the second floor reflected the girl's fair and exquisite face. The girl had a smile on her lips, but her eyes were a little sad.

"So it's not that you don't have a heart. It's just that your hearts have never ached for me." Looking at the Su couple staggering downstairs, Lin Yin smiled helplessly. "Am I really your biological daughter?"

She saw that Su Fei's clothes were disheveled and there were spots of blood on her body. She looked very terrifying.

"Compared to my previous life, you're considered lucky. After all, there are still parents who are willing to hide you and protect you." Lin Yin sighed softly and pulled the curtains tightly, as if she wanted to completely erase the disgusting scene outside the window.

“Su Fei, just you wait. You owe me this. You deserve everything that happened to you in this life!”

Chapter 46 Victory in the First Battle

The next morning, Lin Yin washed up and walked down from the second floor refreshed. She saw the Su Family couple at the dining table with worried expressions.

“Miss, come and eat breakfast.” Aunt Li had barely slept last night. When she saw the human-shaped sack being carried out of Lin Yin’s room, Aunt Li thought that the Su Family was going to hurt Lin Yin. It was not until she saw Lin Yin’s radiant face this morning that Aunt Li heaved a sigh of relief.

She was overthinking. After all, no parents could be heartless enough to throw their biological daughter out and sell her.

“Thank you, Aunt Li.” Lin Yin looked at the simple and kind middle-aged woman in front of her and smiled at her, her heart filled with warmth.

She looked up at the silent Su Zhen and Chu Yun and a cold smile appeared on her lips.

Their precious daughter was hurt to such an extent, but they could still remain calm. It seemed like they were afraid that the rumors would affect Su Fei. After all, no one wanted to marry a girl who had been left without clothes at the door in the middle of the night.

Lin Yin wanted to go against their intentions. “Dad, Mom, where’s Sister? Isn’t she up yet?”

Chu Yun’s heart ached when she thought of Su Fei.

Last night, Su Zhen invited the family doctor. Although the injuries on Su Fei’s body were not fatal, there were more than 30 wounds and bruises.

The daughter she had always doted on had actually suffered like this! The culprit who had caused Su Fei’s injury was happily eating breakfast in front of her!

Chu Yun really could not take this lying down. Afraid that Lin Yin would ruin Su Fei's reputation if she found out, she had no choice but to suppress her anger.

"Oh, your sister accidentally fell down the stairs last night and injured herself. She needs to rest at home for a while. When you go to school later, you can help her apply for a few days of leave."

Su Zhen looked at Lin Yin who was in front of him, he was unsure if she knew. After all, the acting skills of an 18-year-old child should not be so natural that there were no flaws.

"Really? Then Sister is really careless." Lin Yin picked up a small piece of fried egg and said to Chu Yun, "Mom, Sister didn't hurt her face from the fall, right? After all, she's a girl. Some injuries might stay for the rest of her life."

Seeing Chu Yun's increasingly ugly expression, Lin Yin did not think much of it. Wasn't her heart aching? Then she would make it hurt more thoroughly.

"No." Although Chu Yun did not show any strange expression, Lin Yin saw that her hand that was holding the glass was trembling slightly.

"I'm done eating. Don't worry, I'll remember to help Sister apply for leave." Lin Yin took her backpack and walked straight out the door, unwilling to look at Su Zhen and Chu Yun.

This home would only make her feel suffocated and disgusted.

After Lin Yin disappeared from sight, Chu Yun screamed and broke the glass in her hand.

"Su Zhen, did you see that? That little b*tch must have done it on purpose. She just doesn't want Feifei and me to live!"

Su Zhen saw Chu Yun's ferocious expression and sighed helplessly. "Look at you. What do you look like now? If you have time to be angry here, why don't you spend more time with Feifei? That child hasn't spoken much since she woke up yesterday."

"I'm just angry! What right does that little b*tch have to appear in front of me so proudly?! Old Su, don't tell me your heart softened for her?!" Chu Yun was a little dissatisfied with Su Zhen's attitude. She could not accept that the person she hated could stay in the Su Family comfortably.

"I'm soft-hearted?" Su Zhen frowned and said to Chu Yun, "Do you know the consequences of offending Ma De? Our family will lose at least half of our assets a year! If he deliberately targets us, we don't know how much we'll lose!"

Hearing Su Zhen's words, Chu Yun was also a little worried. "Then what should we do? I can't do anything about losing money, but I can't let this little b*tch be so arrogant! My Feifei can't suffer for nothing!"

"Sigh, Lin Yin and Su Fei are graduating in a year." Su Zhen paused for a moment and said to Chu Yun, "Don't worry, although Su Fei's results aren't outstanding, she can still go to a good university in this city. As for Lin Yin, with what she learned in the past, she probably won't be able to get into university at all."

Su Zhen comforted Chu Yun, "Don't be anxious. When Lin Yin can't go to university, I'll find someone to marry her."

"Get married? Wouldn't that be letting her off easy?" Chu Yun didn't want Lin Yin to live well at all.

"Isn't it up to us who we want her to marry?" A smile appeared on Su Zhen's face. He said to Chu Yun confidently, "Although she's getting married, we're just looking for a buyer with money who can help our Su Corporation."

Chapter 47 Scheme Upgrade

Chu Yun was still dissatisfied. She wished that Lin Yin would never be able to marry anyone in her life. "Then it's not bad for her to marry a rich person. After all, she used to come from the slums.

"Hey, can't you just choose her marriage partner?" Su Zhen said along with Chu Yun, "As long as it's beneficial to the Su Corporation, you can choose whoever you want."

Chu Yun still felt that it was not enough to vent her anger, but her mood improved a little.

“Alright, let’s not talk about her anymore. I want to see Feifei. That child is kind and innocent. Who knows what she’s thinking?”

With that, Chu Yun walked towards the bedroom on the second floor.

At this moment, Su Fei was still lying on the bed in the bedroom. The bruise at the corner of her mouth was especially glaring on her pale face.

“Lin Yin!” Su Fei gripped the furry bear by the bed tightly, wishing she could tear it apart as Lin Yin.

“I won’t let you off!” Su Fei’s expression was ferocious and terrifying, unlike her usual obedient self. At this moment, Su Fei’s eyes were filled with hatred and ferocity.

“Feifei.” Chu Yun’s voice sounded from outside the door. Su Fei immediately adjusted her emotions and became pitiful again.

Seeing her weak daughter lying on the bed, Chu Yun cried again. “Feifei, my poor child, you’ve suffered.”

Su Fei sat up from the bed with difficulty, tears still in the corners of her eyes. “Mom, it’s all Lin Yin’s fault. Where is she? We can’t let this go!”

“Feifei, rest assured and recuperate. We’ll think of a way to deal with that b*tch Lin Yin in the future!” Chu Yun patted Su Fei’s shoulder and comforted her softly.

“But!” Su Fei was indignant. She could not suffer this grievance for nothing!

“Be good. This matter can’t be made public. When you graduate, Mom will find an old man and marry her off casually, lest she’s an eyesore in front of you.” Chu Yun knew that if this matter blew up, Su Fei would definitely be the one affected.

“Okay, I’ll listen to Mom.” Although Su Fei said that, she had other plans. She would definitely not let Lin Yin off easy. She wanted to do everything she could to make her wish she was dead!

At this moment, Lin Yin, who had already arrived at West Axis Academy, was in an especially good mood.

“Without the annoying people in school, the air seems to be much fresher.”

Lin Yin was walking towards the classroom when she heard an ear-piercing female voice behind her. “Lin Yin!”

Shi Dai and Ji Yun stood behind Lin Yin and stopped her with an unfriendly gaze. “Is Feifei sick because of you?!” Shi Dai looked at Lin Yin in disgust, as if she was a rat in a ditch.

“No, what does her illness have to do with me?”

Lin Yin was unwilling to argue with them. She turned to leave, but Ji Yun grabbed her. “How can it not have anything to do with you?! Feifei cried on the phone just now and said that she was very sick. It’s all because you keep bullying her!”

Ji Yun thought of Su Fei’s weak voice on the phone and tugged harder at Lin Yin.

“I bullied her?” Lin Yin broke free from Ji Yun’s hand and thought for a moment before saying to the two girls in front of her, “Yes, I bullied her. What can you do?”

Seeing that the two girls’ shoulders were trembling slightly from anger, Lin Yin smiled. “Aren’t you and Su Fei good sisters? Don’t forget to visit her after school. She’s indeed very sick. I’m afraid she’s lying in bed crying.”

Lin Yin sneered and walked away. She wanted to see how Su Fei would explain herself to her best friend with her hideous and terrifying wounds.

"She's too arrogant!" Shi Dai gritted her teeth in hatred.

Ji Yun watched as Lin Yin left. He bit his lower lip and said to Shi Dai, "Dai'er, we can't just watch her bully Feifei. We have to think of a way to make her suffer!"

"Yes, but we should indeed visit Feifei after school. She's so kind. She must have been angered by Lin Yin." Shi Dai's heart ached when she thought of her good friend's weak appearance.

"Alright, after school tonight, get the driver to send us to the Su Family." Ji Yun thought for a moment and said to Shi Dai, "As for that wretched girl, we can't deal with her, so we'll use someone else to teach her a lesson!"

"Have you thought of a solution?" Shi Dai looked at Ji Yun expectantly.

"If the person we don't dare to provoke in the entire West Axis Academy targets Lin Yin..." Ji Yun's eyes narrowed slightly, as if she could already see what would happen to Lin Yin. "Let's see if she can still stay in West Axis!"

Hearing Ji Yun's words, Shi Dai's eyes lit up slightly. "You mean to think of a way to make Lin Yin offend Gong Ze?"

Ji Yun smiled and nodded. "Those who offend Gong Ze will not have a good ending!"

Chapter 48 I'll Play With You

"But Gong Ze usually doesn't have any contact with the girls in the academy." Shi Dai thought of Gong Ze's cold and handsome face and lowered her head shyly. "It's impossible for him to have any contact with trash like Lin Yin."

"Just let Lin Yin take the initiative to provoke Gong Ze." Ji Yun paused and continued, "Gong Ze likes to rest in the infirmary during lunch break. All the students and teachers in West Axis know, and no one dares to disturb him."

When Shi Dai heard Ji Yun's words, she was also a little surprised. "You're saying that we can think of a way to deceive Lin Yin and make her go there?"

"Lin Yin has just transferred schools. She doesn't understand Gong Ze's habits. We can think of a way to lock her in and deliberately make some noise. Gong Ze will definitely be very angry."

Ji Yun looked forward to Gong Ze dealing with Lin Yin. In Gong Ze's eyes, he would not let go of anyone who offended him.

After the two of them discussed the plan, they started to look forward to noon.

Lin Yin did not know that the two of them had ill intentions towards her. She listened attentively to class for the entire morning and regained many memories of her previous life.

Lin Yin was very smart and her results were good. However, in her previous life, Lin Yin had never dared to show her excellence because Chu Yun and Su Zhen would only mock her coldly and Su Fei would hate her.

However, in this life, Lin Yin had no worries. She was determined to get into a good university and leave the Su Family openly.

The bell rang for the end of class. Lin Yin tidied up the table and prepared to go to the canteen to eat.

"Lin Yin."

A timid and weak voice sounded beside her. Lin Yin looked up and saw Yang Xue standing beside her desk with a nervous expression.

"What's wrong?" Lin Yin did not dislike the girl in front of her.

"I-I want to go to the canteen with you, okay?" Yang Xue looked at the girl with exquisite facial features in front of her and was so nervous that she did not dare to breathe loudly.

Lin Yin looked at Yang Xue's shy and nervous expression and smiled. "Alright, go find a seat in the canteen first. I'm going to the washroom. I'll look for you later."

Hearing Lin Yin's words, Yang Xue felt relieved and couldn't hide the smile on her face. She nodded vigorously and hurriedly walked out of the classroom.

Seeing the girl leave, Lin Yin smiled helplessly. In this life, she didn't want to focus on making friends, but seeing that Yang Xue didn't have any ill intentions towards her, Lin Yin couldn't bear to reject her.

After walking out of the classroom, Lin Yin walked into the bathroom. Ji Yun and Shi Dai, who were standing not far away from the corridor, pulled a thin girl with glasses and said fiercely, "Do you remember everything I taught you?!"

"But..." The girl in glasses was a little afraid. She didn't dare to offend the two people in front of her, nor did she want to offend Lin Yin.

"If you continue talking nonsense, I'll throw you into the infirmary too!" Ji Yun threatened the timid girl.

Under the surveillance of Shi Dai and Ji Yun, the bespectacled girl reluctantly moved towards the bathroom. She could not afford to offend Shi Dai and Ji Yun, but she did not dare to lie to Lin Yin, who had beaten up several students as soon as she arrived in West Axis.

She walked into the bathroom helplessly and saw Lin Yin, who had just walked out.

The bespectacled girl mustered her courage and said slowly, "Lin Yin, you..."

Lin Yin saw that the girl in front of her was clearly a little nervous and could not help but be puzzled.

"Your friend, Yang Xue, just fell on the steps and bled a lot. She's been sent to the infirmary!" The girl said in one breath and rushed out before Lin Yin could answer.

Lin Yin stood rooted to the ground. Thinking of the girl's clumsy acting just now, she felt a little ridiculous.

She looked out of the door cautiously and saw the girl who had just put on her glasses running towards Shi Dai and Ji Yun, who were not far from the corridor.

Lin Yin had an answer in her heart. After thinking for a moment, a cold glint flashed across her eyes.

Although she did not know what they were up to, she did not mind playing with them. After all, it was unknown who would end up miserably.

Lin Yin walked out of the washroom and pretended not to notice them. She walked anxiously towards the infirmary.

Seeing Lin Yin walk away, Shi Dai asked Ji Yun worriedly, "She should be fooled, right?"

"Hmph, she's just an ignorant fool. How could she have discovered our plan?!" Ji Yun stared at Lin Yin's departing figure unhappily.

Why did a piece of trash from the slums look better than them? Her heart was filled with jealousy. Ji Yun hoped that Lin Yin could disappear from West Axis Academy forever!

Chapter 49 Make Her Disappear

On the way to the infirmary, Lin Yin felt Shi Dai and Ji Yun following behind her. She was a little puzzled. Could it be that these two people wanted to lock her in the infirmary and beat her up?

Thinking of their thin and weak appearances, Lin Yin smiled. Not to mention the two of them, she could even defeat them with Su Fei around. How could three pampered young ladies defeat her, who had grown up in the abyss?

Standing at the entrance of the infirmary, Lin Yin considered for a moment and carefully pushed open the door. She realized that there seemed to be no one in the room. Just as she walked in, she heard the door close loudly behind her.

They just want to lock me up? Lin Yin was a little puzzled when she heard a low voice coming from the infirmary cubicle.

“Who is it? Get lost while I’m in a good mood!”

Lin Yin finally knew Shi Dai and Ji Yun’s plan. She sneered and said to the room, “I’m sorry, I’m afraid I can’t get lost now.”

The curtain of the cubicle was suddenly pulled open, and a sleepy-eyed youth walked out with a displeased expression.

“Are you courting death?!” The young man’s facial features were very exquisite. He had a high nose bridge, a smooth chin, and a pair of slender phoenix eyes that looked a little evil. If not for his angry expression, Lin Yin would have thought that he was very good-looking.

“It’s you?” Gong Ze saw the girl in front of him clearly and frowned. “Get out! I still want to rest!”

“You know me?” Lin Yin sized up the boy in front of her, not having any impression of him.

Gong Ze was a little surprised to hear Lin Yin’s words. He raised his eyebrows and asked, “Don’t you know me?”

“I don’t know you. I’ve only transferred schools for a few days. Other than those in the same class as me, I’ve almost never seen any other students.” Lin Yin didn’t think that she had seen the boy in front of her before. Because the boy’s looks were very outstanding, if she had seen him before, she would have an impression of him.

Gong Ze looked at the girl in front of him unhappily. Was he so inconspicuous? After sitting in the same classroom for so long, the girl in front of him actually had no impression of him at all. In the entire West Axis Academy, he was the only one who did not care about others. There was no one who did not know him.

“We’re in the same class...”

Seeing the boy’s dark expression, Lin Yin smiled awkwardly and her tone softened. “Um, classmate, let’s think about how to get out. The lunch break should be over soon.”

Gong Ze looked at the girl in front of him. Her temperament was very unique. Her eyes were clear and her expression was cold and noble, but when she spoke, she became more lively and cute.

He coughed unnaturally and looked away as he walked towards the door.

He tried to pull the door open, but it didn’t budge. Someone must have locked it from outside.

“Damn it, who locked it?” Gong Ze frowned and was about to curse when he saw Lin Yin walking over.

“Shi Dai and Ji Yun, they might be targeting you.” Lin Yin saw that the boy’s expression was getting worse and worse and added, “I just transferred here not long ago. I didn’t know the way and entered the wrong room, so I was accidentally locked in.”

Hearing Lin Yin’s words, Gong Ze thought about it carefully and asked, “Who are those two people? Why haven’t I heard of them?”

Lin Yin looked a little surprised and said to the boy, “Aren’t you in the same class as me? I’ve only been transferred here for a few days, but you still don’t remember that Shi Dai and Ji Yun have been your classmates for at least a year. You actually don’t remember them?”

“I don’t remember everyone!” Gong Ze looked at the girl in front of him and lowered his body slightly. The corners of his lips curled up slightly. “Do you think everyone is like you, fighting right after you transfer? You’re not tall, but you’re quite strong.”

Lin Yin was a little unhappy with Gong Ze’s description of her. She pursed her lips. “Then what should we do now? Aren’t you angry that they locked you up?”

Gong Ze put on his coat and said to Lin Yin, "What's the use of being angry? Whoever is an eyesore in front of me will never dare to appear in front of me again!"

Lin Yin suspected the boy's ability. After all, Shi Dai and Ji Yun came from good families. "Let's not talk about useless things. Let's think about how we-"

Before Lin Yin could finish speaking, she heard a bang. The door of the infirmary was kicked open by Gong Ze.

"You!"

Before Lin Yin could recover, Gong Ze turned around and said to her, "Let's go back to the classroom. Tell me who Shi Dai and what Yun is?"

"Oh." Lin Yin followed behind Gong Ze and started to look forward to the big scene.

The boy in front of her did not seem to be easy to provoke.

Chapter 50 Reaping What You Sow

In the classroom, Shi Dai and Ji Yun were happily waiting for news from Lin Yin.

"Dai'er, do you think Lin Yin will be thrown out of the second floor?" Ji Yun had a smile on her face.

She remembered that the last time a boy accidentally provoked Gong Ze, he was thrown out of the second floor of the corridor.

"It's considered okay to be thrown out. One time, a female classmate confessed to Gong Ze and accidentally spilled the milk tea in her hand on him. Gong Ze was furious. Although he didn't do anything, his subordinates scared that girl until she dropped out of school."

Joy flickered in Shi Dai's eyes, as if she could already see Lin Yin trembling.

"You're Shi Dai?" A cold male voice sounded from behind. Shi Dai turned around and saw the gloomy Gong Ze.

"Yes, why are you looking for me?" Shi Dai did not react. When she saw Gong Ze's handsome face, she tucked her hair behind her ear shyly.

Ji Yun noticed Lin Yin, who was standing behind Gong Ze with a smile.

How was that possible?! Why was she still standing here fine? Moreover, Gong Ze didn't seem to have any intention of doing anything to her!

"Ah!" Following Shi Dai's scream, Gong Ze kicked open the desk in front of Shi Dai.

"If you want to die, just say it. There's no need to deliberately provoke me." Before Gong Ze could finish speaking, he kicked Shi Dai's chair again.

Shi Dai fell to the ground and her knee hit the corner of the table. It was so painful that tears welled up in the corners of her eyes.

"What did I do?" Shi Dai was embarrassed and angry. When she saw Lin Yin behind Gong Ze, her heart was filled with jealousy.

"You again! What right do you have?" Shi Dai struggled to get up and wanted to rush towards Lin Yin, but Gong Ze kicked her again.

Ji Yun did not dare to make a sound when she saw Shi Dai's miserable state.

It was already lunch break, and there were not many students in the classroom. Even if there were people, no one dared to stop Gong Ze.

Gong Ze didn't even look at Shi Dai, who was lying on the ground. He asked Lin Yin, who was behind him, "Isn't there another one? Who is it?"

Hearing Gong Ze's words, Ji Yun was so frightened that her face turned pale. She had never expected things to turn out like this. What did that b*tch Lin Yin say to Gong Ze to make him so hostile to her and Shi Dai?

Lin Yin looked at Shi Dai, who was on the ground, and then glanced at the pale-faced Ji Yun. She felt relieved. She didn't have to do anything to make the two of them endure a punishment like this. They really deserved it.

Gong Ze noticed Lin Yin's gaze and asked Ji Yun, "The other one is you?"

Ji Yun hurriedly waved her hand. "No, I didn't do it!"

"Did I say what you did?" Gong Ze looked at the flustered girl in front of him, his eyes filled with disgust.

Why was the difference between people so big? Lin Yin could face things bravely without fear, but the two girls in front of him were like frightened sparrows and couldn't even stand up.

"Get lost! Don't appear in front of me again!" Gong Ze stepped over Shi Dai's scattered books. Ji Yun went forward to help Shi Dai up. Their faces were pale as they supported each other and walked out of the classroom.

Gong Ze returned to his seat, and Lin Yin did not say anything.

Because of Gong Ze's anger, the classroom was strangely quiet. Lin Yin turned around and realized that Gong Ze was already lying on the desk, the corners of her lips curling up slightly. No wonder she had no impression of him. He was always lying on the table with his face buried. It would have been strange if she knew him.

Lin Yin noticed Yang Xue's gaze and smiled at her. She wondered if this girl had been waiting for her in the canteen.

Yang Xue blinked at Lin Yin and walked out of the classroom. Lin Yin followed.

“Are you alright?” Yang Xue checked Lin Yin’s body with concern to see if she was injured.

“What can happen to me?” Lin Yin was a little puzzled. She saw Yang Xue look around and say softly, “I heard that you went to the infirmary at noon?”

“Yes, a classmate came to tell me that you were injured and asked me to look for you in the infirmary.” Lin Yin had no intention of hiding it.

“Someone wanted to harm you!” Yang Xue and Lin Yin were even closer. “The students of West Axis all know that Gong Ze likes to rest in the infirmary at noon. He hates being disturbed the most.”

“Gong Ze?” Lin Yin thought of the boy in the infirmary and asked Yang Xue, “What will happen if we disturb him? Is he that scary?”

“It’s very scary. Not many people can compare to Gong Ze’s family background. Even the teachers in West Axis don’t dare to offend him!” Yang Xue said patiently to Lin Yin. “He has a bad temper. None of his classmates who offend him will have a good ending!”

Seeing that Lin Yin still looked disapproving, Yang Xue said anxiously, “Don’t doubt me. You have to avoid him in the future!”
