

Real Daughter 501

Chapter 501: Bait

She sent the current location and the license plate number of the car to Mu Heng. After explaining the situation briefly, those people were already planning to drive away with Ye Wen.

Sun Biao was also shocked when he saw Chu Yun. He had never received any news that Chu Yun had been taken away by human traffickers.

Therefore, Sun Biao thought that Lin Yin was staring at this car because of Chu

Yun.

Sun Biao asked nervously, "Boss, what should we do now?"

Lin Yin was so anxious that she was sweating profusely because she saw that the human traffickers had already tied Ye Wen up through coaxing.

Lin Yin was afraid that if the Mu family did not find Ye Wen in time, what if she did not follow them now and Ye Wen was taken away?

Ye Wen was delirious now. She probably did not even know how to escape.

Seeing that those people were about to close the door of the back car, Lin Yin panicked and sent a string of numbers to Sun Biao. Then, she said to Sun Biao, "I'll follow them. I'll secretly send you the location later. Try your best to drive and follow. This number is Mu Heng's. Remember to communicate with Mu Heng if anything happens later, understand?"

As the car was relatively far away, Lin Yin only asked Sun Biao to do his best.

Sun Biao did not know why he had to contact the Mu family about today's matter, but this was not the main point. Lin Yin's safety was the main point. Sun Biao said disapprovingly, "No, Boss, I'll go!"

"If you go, they won't accept you!" Lin Yin glanced at Sun Biao's figure and said directly.

As she spoke, Lin Yin darted out so quickly that Sun Biao could not react.

Sun Biao could only turn around in frustration and run to the place where they had parked the car.

Lin Yin's sudden appearance frightened those people. When they saw that it was just a delicate little girl, their vigilant expressions instantly relaxed.

The few of them looked at each other maliciously before approaching Lin Yin.

Lin Yin looked at the people surrounding her in horror and asked in a trembling voice, "W-What are you doing? I-I was just lost. I didn't see anything! Really, I'll leave immediately!"

Those people laughed wantonly, so Lin Yin successfully went from an ignorant little girl to an object that was going to be sold.

Those people were still smug. "We didn't lose out today. We caught a big one in the end. This beautiful girl will definitely be able to sell for a good price."

As for Lin Yin, her hands and feet were tied by those people, her mouth was sealed, and she was also locked in the van.

As soon as she got into the car, Lin Yin approached Ye Wen.

Ye Wen, who was still uneasy and wanted to break free from the rope, stopped struggling when she saw Lin Yin approaching.

She just sat up in a daze and looked at Lin Yin beside her. Her eyes were red and she didn't say anything.

On the other hand, Lin Yin looked at the red mark on Ye Wen's wrist in shock. The red mark almost broke the skin on Ye Wen's wrist.

Lin Yin looked up at Ye Wen, wanting to ask if it hurt, but she met Ye Wen's wet eyes.

The emotions in those eyes were emotions that Lin Yin had once yearned for but never had.

Even though Ye Wen's mouth was sealed now, it could not stop Ye Wen's strong longing for her daughter. It was so strong that Lin Yin could not accept it.

Lin Yin looked away. She was afraid that if she continued to look into Ye Wen's eyes, she would not be able to help but want to cry.

As Lin Yin lowered her head, Ye Wen's gaze followed Lin Yin's face. She wanted to call out her daughter's name, but because her mouth was sealed, she became anxious and whimpered.

Afraid of attracting the attention of the people guarding them, Lin Yin immediately looked up and comforted Ye Wen with her eyes.

It was strange that Lin Yin could not say anything. However, when her gaze turned to Ye Wen, Ye Wen seemed to be able to sense Lin Yin's meaning and instantly fell silent.

On the other hand, when Mu Heng received the location and news from Lin Yin, he immediately informed everyone to set off for the slums outside the Capital.

Sun Biao also walked around the winding slums, trying to find Lin Yin's location.

At this moment, Zhou Hai, who had just arrived, looked at the dilapidated environment in front of him and said with dissatisfaction, "What kind of place is this? Didn't you arrange an identity for me? Aren't I the heir of a rich family? This is where a rich heir lives?"

Chapter 502: Sister-in-law

Xiao Ming, who was at the side, immediately went forward and said, "Big Brother, wait a moment. Isn't there a batch of goods to be handed over here? I was thinking that since we're here, why don't we go over personally to take a look?"

"What goods?" How could a busy person like Zhou Hai remember every order?

Besides, the order that he could not remember was definitely not an important order.

Xiao Ming smiled and said, "It's just a random order. Big Brother, I want to see how they hand over things here."

Zhou Hai snorted and said, "So you changed my route? Xiao Ming, I handed the matter to you to deal with, not for you to mess around! You, on the other hand, even changed my route. Do you really think your life is too long or something?"

Xiao Ming scratched his head in embarrassment and said, "I don't think I'll die. Of course, if you want my life, I'll give it to you."

Zhou Hai was simply speechless at Xiao Ming. After rolling his eyes, he did not want to argue and said, "Hurry up and stop wasting my time. Your Master Zhou still has something to do."

"Sigh! I'll be quick!" Xiao Ming replied with a fawning smile.

Lin Yin probably did not expect that she and Zhou Hai would meet again so soon.

When Xiao Ming saw Lin Yin being pushed in, his eyes widened. He pointed at Lin Yin in disbelief and shouted, "Sister-in-law?"

At this moment, Xiao Ming was already suspecting Lin Yin's brain. How could someone be caught by human traffickers after only a few days?

Therefore, he thought that Lin Yin was either a fool or an idiot.

The people who kidnapped Lin Yin looked at Xiao Ming in confusion. They wondered if they had heard wrongly.

Lin Yin looked suspiciously at the person who was calling her sister-in-law.

She had some impression of this "sister-in-law". Wasn't this the person who was working for Zhou Hai who wanted to bring her to Country D?

It was that person called Xiao Ming, but when Lin Yin looked at Xiao Ming, she didn't feel that she knew the person in front of her.

So, had his face changed and his voice remained the same? What was going on?

Xiao Ming calling her sister-in-law attracted Zhou Hai, who was in the other room.

Zhou Hai sneered sinisterly and said, "Bring your sister-in-law in!"

Xiao Ming immediately wanted to pull Lin Yin away, but before he could touch her, Ye Wen, who was beside her, bared her teeth and stood in front of Lin Yin, looking at Xiao Ming fiercely.

She looked very much like a female beast protecting her cub. She was fierce and did not retreat at all, as if if the person in front of her dared to reach out to Lin Yin again, she would go up and bite them.

Lin Yin looked at Ye Wen, who was blocking her path despite the danger, with a complicated expression. The bitterness in her heart gradually spread up and crawled into her eyes, stinging her tear ducts.

Xiao Ming did not expect this woman to stop him just because he wanted to bring Lin Yin in.

The man beside her immediately went forward and said, "Um, this old woman is a lunatic."

Xiao Ming frowned and questioned, "Lunatic? Why did you capture a lunatic? We want healthy ones. Are you fooling us?"

That person said with an awkward expression, "Sir, you can't say that. This person is crazy. But isn't her cornea, heart, liver, spleen, and stomach still good? Moreover, look at the woman. She doesn't look young, but her skin is so well-maintained. She must be from a rich family. Even if you can't sell her, you can extort a sum of money!"

After Lin Yin heard that person's words, she turned to look at him, her eyes instantly turning sharp.

When Xiao Ming saw Lin Yin's expression change drastically, he was so angry that he slapped that person's head. "What nonsense are you talking about?"

This time, they had to stay here for some time. It was not like the previous time when they would leave after just coming to pick up the goods.

Therefore, in order to better integrate with the society here, Xiao Ming specially learned a lot about the public order here.

For example, for the first time, he knew that human trafficking was inhumane. It was illegal here and they would be locked up.

Therefore, Xiao Ming was afraid that Lin Yin would have something against them.

After all, Lin Yin was going to be their sister-in-law. If her subordinates kidnapped her and said that they were going to dig out her heart and lungs, what if Lin Yin held a grudge?

Besides, selling organs was illegal here, unlike Country D. Stealing other people's body parts was considered a survival skill.

Therefore, such a bloody thing might be terrifying to Lin Yin, who had always lived here..

Chapter 503: Mother-in-law

Therefore, Xiao Ming didn't want Lin Yin to know too much yet, in case Lin Yin didn't go to Country D with them. Wouldn't his boss be alone?

The person did not know what he had said wrong, but he could only bite the bullet and nod repeatedly. "Yes, yes, yes. I'm talking nonsense!"

Xiao Ming stood in front of Ye Wen and Lin Yin and did not go forward. He only smiled and said, "Sister-in-law, um, Big Brother wants you to go in."

At this moment, the human trafficker finally realized that they seemed to have kidnapped an impressive person.

They actually kidnapped the woman of a certain big boss of the human trafficking company?

Those people were so frightened that cold sweat broke out on their foreheads. They begged for mercy with a miserable expression, "Sister-in-law? Um, isn't this the friendly fire? We failed to recognize you. We were blind. I hope Sister-in-law can forgive us! Please don't take offense!"

Lin Yin glanced at those people coldly. Forgive? How? By relying on the rag stuffed in her mouth?

Seeing that Lin Yin's expression was still not good, those people seemed to have finally realized that something was wrong. Someone immediately wanted to go forward and untie Lin Yin.

Ye Wen thought that those people were going to hurt Lin Yin and stood in front of her. It was not until Lin Yin touched Ye Wen with her arm and gave her a comforting look that Ye Wen stood quietly beside Lin Yin.

Everyone even felt that it was very magical. She couldn't understand how a person with mental problems could be so obedient.

Those people came back to their senses and took out the cloth that was stuffed into Lin Yin's mouth. They even respectfully untied Lin Yin.

What a joke. They had kidnapped the woman of the human trafficking boss. If they didn't apologize now, they might be the ones who would be kidnapped to Country D and have their stomachs cut open.

After Lin Yin was untied, she immediately untied Ye Wen and took out the cloth from her mouth.

Xiao Ming wanted to stop her, but in the end, he did not say anything. He told himself silently that this was Sister-in-law! This was Sister-in-law!

Lin Yin looked at the red mark on Ye Wen's wrist and stroked it gently with her fingertips, feeling a little upset.

Unexpectedly, in the next moment, Lin Yin's hand was grabbed by Ye Wen. At this moment, Ye Wen was not crazy at all. She only looked at Lin Yin gently and said, "Tian Tian, don't be afraid! Mom will be fine! Mom will protect you! Mom will protect Tian Tian well."

Like a belief, Ye Wen kept repeating the words that would protect Lin Yin, anxious and firm.

It was as if she would not be able to protect her daughter if she said less, so she was determined.

Xiao Ming's eyes widened as he looked at Lin Yin in disbelief. "Sister-in-law, is this your mother?"

Before Lin Yin knew how to answer, Xiao Ming immediately patted his thigh and shouted at the top of his voice, "Brother! Your mother-in-law is here! Aiyo! At this speed, we'll be meeting both parents today. We didn't treat you well! How awkward!"

The human traffickers felt that their lives were suddenly in danger. What kind of good luck was this? They had actually kidnapped their client's woman and mother-in-law?

The few of them were about to beg for mercy, but Xiao Ming obviously did not give those people a chance. He immediately called out to his brothers beside him, "What are you waiting for? Hurry up and clear the area! Get all these dirty people out. It'll affect the reception of the esteemed guests."

As he spoke, the few trafficked women who had just been pushed in were brought away by the people Xiao Ming had brought.

Lin Yin glanced at Chu Yun. She had not been awake since the beginning and did not even react when she was carried out.

The moment the door closed, Zhou Hai, who had been in the next room, walked out with an ambiguous smile on his face. He sized up Lin Yin and Ye Wen and sneered. "It seems like my future girlfriend is looking forward to being with me. You brought your mother along this time."

With Xiao Ming's example just now, Lin Yin could quickly accept seeing a completely unfamiliar Zhou Hai.

The voice was the same as the one Lin Yin had heard previously, but Zhou Hai's appearance was almost completely different from before. Even the scar on Zhou Hail's eyebrow was gone.

Confused, Lin Yin suppressed the suspicion in her heart and sneered. "It's not polite to dream in broad daylight! Moreover, the people below you are as rude as you!"

Zhou Hai had thought that Lin Yin would at least ask about his appearance curiously. He did not expect Lin Yin to scold him recklessly..

Chapter 504: Understanding Too Much

Zhou Hai smiled and said, “Yinyin, do you want to see who’s holding you and your mother hostage? Aren’t you afraid that if I’m unhappy, your lives will be lost here?”

Lin Yin did not refute Zhou Hai’s address of Ye Wen. She only smiled and said, “I don’t think you want to cause trouble here this time, right? Otherwise, you wouldn’t have stayed inside just now and not dared to show your true face. You even removed the scar on your eyebrow and hid your appearance, right?”

Xiao Ming, who was dim-witted, immediately went forward and said to Lin Yin with a smile, “Sister-in-law, you’re really impressive, but you’re wrong about one thing. The appearance you saw last time was fake. Now, this is Big Brother’s true appearance. Isn’t he a little better-looking than before and not as fierce?”

Zhou Hai was so angry that he gritted his teeth. Who in the right mind would tell her everything?

Lin Yin was a little surprised. She did not expect that even when they were so close last time, she could not see Zhou Hai’s true appearance. She did not know what technique he used to disguise his appearance. If only she could learn it.

Zhou Hai couldn’t be bothered to answer Lin Yin because Lin Yin was right. He had never thought of causing trouble when he came here this time.

He only wanted to quickly complete Old Zhou’s matter and bring Lin Yin back to Country D to avenge his previous humiliation.

Therefore, if Xiao Ming had not acted first and reported later today, he would not have come here to provoke such an incident.

However, sometimes life was very strange. For example, he had indulged Xiao Ming, so he met one of his goals for coming this time and saw someone he had been curious about.

As he thought about it, Zhou Hai's gaze turned to Ye Wen, who was beside Lin Yin, and the corners of his lips curled up slightly.

When Lin Yin saw Zhou Hai's gaze turn to Ye Wen, her heart tightened. She pulled Ye Wen behind her and sneered. "Why? Do you want to silence us? Then I advise you to think about it carefully. If you don't want to be hunted down here, don't have any ideas about the person beside me."

Zhou Hai raised his eyebrows slightly and asked in surprise, "You called her the person beside you?"

Lin Yin sized up Zhou Hai and questioned, "Why? Do you have a problem with that?"

Zhou Hai smiled and shook his head. He calmly turned around and found a slightly cleaner seat to sit down. He said, "Why would I have any objections? I'm just curious. This Mrs. Mu is already so protective of you, but you haven't acknowledged her. I'm a little curious!"

Lin Yin's eyes widened in shock. She didn't know how Zhou Hai knew about this in Country D.

Not many people seemed to know about her relationship with the Mu family. Then why did Zhou Hai know? Could it be that she had Zhou Hai's spies around her?

Or did Zhou Hai know the Mu family very well? For example, was he related to her disappearance more than ten years ago?

As if he knew Lin Yin's doubts, Zhou Hai explained kindly, "You don't have to be surprised, and you don't have to suspect that I got someone to follow you. I just happen to know Mrs. Mu's face and know that the Mu family lost a daughter more than ten years ago. Therefore, now that you're by her side and she's so protective of you, I can naturally guess."

At this point, Zhou Hai paused for a moment. His cunning eyes flashed as he asked, "However, I want to know if you're the lost daughter of the Mu family?"

When Lin Yin heard Zhou Hai's question, her suspicion of Zhou Hai decreased a little. She thought that she might be thinking too much. Zhou Hai didn't look old. He was probably still a child more than ten years ago, right? How could he be involved in stealing a child?

However, Lin Yin did not completely let go of her doubts about Zhou Hai because his surname was Zhou and he knew Mrs. Mu, who had not appeared in front of everyone for more than ten years. He also knew that the Mu family had a missing child.

Zhou Li's surname was also Zhou and he had an unclear relationship with the Mu family.

Therefore, it was very likely that Zhou Hai was Zhou Li's child, or someone he knew, right?

Lin Yin did not answer Zhou Hai's question directly. She only smiled and said, "Since you know her identity, hurry up and let her go. Otherwise, you might be surrounded by the Mu Family later."

Zhou Hai said fearlessly, "Yinyin, you're wrong. I'm also a victim. How can I let her go? I'm also waiting for the human traffickers to let me go." Lin Yin frowned, not understanding what Zhou Hai was talking about..

Chapter 505: The Person Who Threw Mu Tian

Zhou Hai smiled and stood up to walk towards Lin Yin, but he was blocked by the protective Ye Wen.

Zhou Hai was not angry. After glancing at Ye Wen, he said very politely, "Auntie

Mu, my name is Huo Ge, the Huo Family's Huo Ge."

Ye Wen did not know what Zhou Hai was talking about. She only looked at Zhou Hai warily and did not speak.

Lin Yin frowned and said, "You used a fake identity?"

Zhou Hai smiled and said, "How do you know that Huo Ge is a fake identity and

Zhou Hai is not?"

Xiao Ming was about to step forward and explain to Lin Yin when Zhou Hai's gaze was like a sharp blade that shot towards Xiao Ming, making him instantly shut up and stop talking.

Zhou Hai, no, ever since he entered, Zhou Hai was no longer Zhou Hai, but Huo

Huo Ge waved at Xiao Ming and whispered in his ear. Xiao Ming's eyes lit up as he nodded and said, "I like this. It's always been us kidnapping others. We've never tried being kidnapped before."

Hence, as soon as Xiao Ming went out, he called for everyone to start working.

Some of the people brought over from Country D were sent out to hand over today's batch of goods. Then, they would send someone to Country D later. The rest would be sent to a place further away to guard.

The original human traffickers suddenly became kidnappers. According to Xiao Ming, they had kidnapped a rich young master and planned to extort him. They accidentally kidnapped Lin Yin and Ye Wen too.

When the human traffickers heard that no one wanted to pursue the crime of them mistakenly catching someone, they beamed with joy and sighed secretly. They had escaped the bullet.

Perhaps because the commotion was a little loud, Chu Yun, who had been unconscious, opened her mouth and woke up slowly.

Seeing how busy everyone was, Chu Yun stood up in a daze and swayed in the crowd.

When the human trafficker saw Chu Yun, he belatedly cursed, "Damn it, I forgot about this old beggar."

With that, the human trafficker called a few people to bring Chu Yun over and put her with the girls who were about to be brought to Country D.

Looking at the few men coming towards her, even if she was a little abnormal, Chu Yun could feel a dangerous aura.

She hurriedly ran around, wanting to avoid being captured by those people and cause an uproar.

Xiao Ming was furious and said loudly, 'You dogs with no professional ethics. They're all crazy. I'll definitely get someone to investigate your goods next time.'

When the human traffickers heard Xiao Ming's words, they were a little angry that Chu Yun had caused them to be scolded, so they chased even harder.

Chu Yun, who was at her wits' end, ran into the room where Lin Yin and the others were in in a panic and ran around crazily.

Lin Yin pulled Ye Wen and frowned coldly at Chu Yun, who was obviously mentally ill.

Huo Ge, who had planned to put on a mask to cover his face, threw it away in the end and scolded loudly outside the door, "What are you doing? You can't even watch over a lunatic!"

At this moment, when Chu Yun, who was in the house, saw Ye Wen, her eyes widened instantly. She muttered, "I didn't throw it! I didn't throw it! He asked me to do this! Ye Wen, it has nothing to do with me!"

At this moment, Ye Wen was still looking at Chu Yun in a daze, while Lin Yin seemed to have caught a clue. She immediately went forward and questioned anxiously and loudly, "You were the one who threw that child away, right? Who is he? Who is the person behind you?"

Chu Yun was shocked by Lin Yin's loudness. When she turned to look at Lin Yin, Chu Yun, who was still panicking, instantly had a hint of ruthlessness in her eyes.

"If I had known earlier, I would have drowned you! Why are you so tough?! You were thrown into a smelly ditch and sent to an orphanage! You should have died long ago! If you were dead, you wouldn't have come to harm my Feifei! You deserve to die! You deserved to die 18 years ago!" Chu Yun laughed crazily as she spoke.

Chu Yun's words instantly shocked everyone present.

Lin Yin immediately went forward and pushed away the people who were about to pull Chu Yun out. She grabbed Chu Yun's collar and questioned her sternly, "Chu Yun! Eighteen years ago, you were the one who got someone to take the Mu family's daughter away! Wasn't it! Who instructed you?!"

When Ye Wen saw that Lin Yin was angry, she followed her nervously. She carefully pulled Lin Yin's arm and whispered, "Tian Tian don't be angry! Don't be angry!"

However, Chu Yun did not answer Lin Yin.. She only continued to repeat, "You little b*tch, you deserve to die! You should have died long ago! Why didn't you

die?! You little b*tch!"

Chapter 506: Condition

Lin Yin's expression turned abnormally ugly. She slapped Chu Yun's face hard, causing her to roll on the ground.

In her opinion, Ye Wen was not someone Chu Yun could scold.

When Ye Wen saw that Lin Yin was agitated, she thought that Chu Yun had bullied Lin Yin. She said anxiously, "Tian Tian, don't be afraid. Mom will hit the bad guys! Hit the bad guys!"

As she spoke, Ye Wen hit Chu Yun on the ground.

Xiao Ming and the others stood at the side. They did not know if they should go forward and stop her. After all, the woman who hit her was their boss's future mother-in-law.

At this moment, Huo Ge only looked at the two people fighting on the ground with dark eyes. After waiting for a while, when he saw that Ye Wen had beaten Chu Yun up until she could not resist, Huo Ge waved his hand and got someone to separate the two of them. He said coldly, "Get this beggar..."

"Wait!" Lin Yin interrupted Huo Ge. As she pulled Ye Wen back, she said to Huo Ge, "Can you hand this person to me?"

Since she knew that she was taken away 18 years ago because of Chu Yun, it was impossible for Lin Yin to let Chu Yun off. She had to find out why.

Huo Ge looked into Lin Yin's clear eyes. Even when she was begging, her eyes were filled with arrogance.

However, at this moment, Huo Ge inexplicably felt that Lin Yin looked familiar. This familiarity made Huo Ge want to agree.

However, thinking of Chu Yun's identity, Huo Ge still stopped himself from satisfying Lin Yin and rejected, "No!"

Lin Yin said calmly, "You can raise conditions!"

Huo Ge approached Lin Yin with a wicked smile. However, before the two of them could get close, Ye Wen slapped him.

Huo Ge immediately shrank back and ignored Ye Wen's angry gaze. He smiled slyly and said, "Sleep with me for a night. I'll let you bring Chu Yun back for a day. Sleep for two nights and let you bring her back for two days. How about that?"

Before Lin Yin could answer, Ye Wen frowned and said loudly, "No! Tian Tian will sleep with Mom!"

Huo Ge smiled and shook his head. "She looks mentally abnormal, but she's very jealous. Lin Yin, your mother is very interesting!"

It was naturally impossible for Lin Yin to agree to such ridiculous conditions.

She could only watch unwillingly as Chu Yun was taken away by Huo Ge's men.

Lin Yin did not know where Chu Yun was brought, but Lin Yin would be forced to act out a kidnapping scene with Huo Ge.

Seeing that Ye Wen and she were tied up again, Lin Yin smiled and said, "Zhou Hai, your scheme is already displayed in front of me. When I say it casually, won't the truth be revealed? Why do you have to put on this show? It's a waste of effort!"

"You can try and see if anyone believes what you say." Huo Ge smiled and said, "By the way, remember that my name is Huo Ge next time. If you call me by the wrong name, it'll easily cause a misunderstanding."

Lin Yin glanced at Huo Ge angrily, her heart filled with curses and disdain.

Huo Ge also obediently reached out and asked Xiao Ming to tie him up. In order to make it more realistic, Xiao Ming tied him up very seriously, afraid that if he did not tie him up tightly, others would notice that something was wrong.

Then, Xiao Ming asked cautiously, "Big Brother, do you want to wear a mask?"

The corners of Huo Ge's lips curled up slightly. "The dead won't reveal my appearance. Don't worry."

Xiao Ming immediately understood what Huo Ge meant.

Lin Yin frowned. The next second, she instantly understood and asked, 'You want to deal with all those human traffickers? Kill them all?' Huo Ge didn't answer Lin Yin and just watched with a smile.

Lin Yin, who did not get an answer, could only give up.

Then, the three tied-up people had cloth stuffed in their mouths and stayed quietly in the room.

All the human traffickers pretending to be kidnappers were outside, while Xiao Ming was hiding in the dark.

When he saw the police and the Mu family appear, Xiao Ming took the opportunity to rush out and fight with the human traffickers.

When the Mu family saw the people who rushed out, they were confused for a moment, but they still followed those people to subdue more than ten human traffickers who were not their match.

Then, a few teams rushed into the room and ran to the person they wanted to save.

When Sun Biao saw that someone had untied Lin Yin, he brought his brother to watch the human traffickers in front of the room.

Lin Yin had thought that this would be a difficult rescue, but she did not expect to meet Zhou Hai. No, he should be called Huo Ge now. It had become a joke.

Mu Heng and Mu Xiao anxiously untied Lin Yin and Ye Wen.. Mu Ran asked anxiously and with heartache, "Mom, Yinyin, are you alright?"

Chapter 507: Acting

When she saw the red mark on Ye Wen's wrist, Mu Ran's heart tightened.

No matter what, in Mu Ran's eyes, Ye Wen was still his biological mother. How could his heart not ache?

Xiao Ming also cried, "Young Master, it's good that you're fine. If something happens to you, I'll definitely be beaten to death by the old lady when I go back. I'm not married and haven't had children yet!"

This exaggerated acting made the flesh on Huo Ge's face twitch. A humiliating emotion jumped repeatedly in his heart!

After the few of them were untied, Ye Wen held Lin Yin's hand tightly and stopped letting go.

Mu Ran and Mu Xiao could only protect them. Mu Xiao immediately sent a message to Mu Cheng, who was guarding the house, and informed him that they were safe.

Mu Heng looked at the person who had also been kidnapped and asked suspiciously, "Which family are you from?"

"We're from the Huo Family. Our Young Master is the Second Young Master of the Huo Family, Huo Ge," Xiao Ming immediately said.

"Huo Ge?" Mu Heng searched his mind and really found information about Huo

When she saw the red mark on Ye Wen's wrist, Mu Han's heart tightened.

No matter what, in Mu Ran's eyes, Ye Wen was still his biological mother. How could his heart not ache?

Xiao Ming also cried, "Young Master, it's good that you're fine. If something happens to you, I'll definitely be beaten to death by the old lady when I go back. I'm not married and haven't had children yet!"

This exaggerated acting made the flesh on Huo Ge's face twitch. A humiliating emotion jumped repeatedly in his heart!

After the few of them were untied, Ye Wen held Lin Yin's hand tightly and stopped letting go.

Mu Ran and Mu Xiao could only protect them. Mu Xiao immediately sent a message to Mu Cheng, who was guarding the house, and informed him that they were safe.

Mu Heng looked at the person who had also been kidnapped and asked suspiciously, "Which family are you from?"

"We're from the Huo Family. Our Young Master is the Second Young Master of the Huo Family, Huo Ge," Xiao Ming immediately said.

"Huo Ge?" Mu Heng searched his mind and really found information about Huo Ge.

The master of the Huo Family, Huo Huai, had two sons. The eldest son, Huo Bing, had always been learning how to manage the family business beside the eldest son of the Mu Family, while the second son of the Huo Family, Huo Ge, had been sent overseas to study since he was young and rarely came back. So the person in front of him was the Second Young Master of the Huo Family?

For some reason, he looked like he did not believe it.

Lin Yin sneered. "Nonsense!"

Xiao Ming widened his eyes. He did not expect his sister-in-law to undermine him and immediately felt a little uneasy.

On the other hand, Huo Ge was not nervous at all. Instead, he looked at Lin Yin calmly and provocatively.

From Lin Yin's expression, Mu Xiao could tell that Lin Yin and this so-called Huo Ge seemed to be a little unusual. He also sized up Huo Ge's face, wanting to see if there was anything wrong.

"Bring those people in. I want to interrogate them now!" Mu Heng instructed loudly.

Just as Guan Nan was about to bring those people in, the ten or so human traffickers suddenly foamed at the mouth and fell to the ground. Guan Nan frowned and went in to report, "Boss, those people are foaming at the mouth."

Xiao Ming immediately exclaimed, "Then hurry up and save them. They're all the murderers who kidnapped our Young Master. There might be a mastermind behind them. If they die, how can we find the mastermind?! Then our Young Master will be in danger in the future!"

Lin Yin sneered. This Xiao Ming usually looked dumb, but he was an acting genius. He lied as if it was true.

The police who came with the Mu family immediately called an ambulance. After all, they had just subdued the kidnappers. It would be a little unbelievable if something happened to them together.

Mu Ran asked in confusion, "Yinyin, what happened? Why are you here? Why is

Mom here too?"

Lin Yin turned to Huo Ge with a meaningful gaze and said, "The human traffickers under Zhou Hai captured some people and planned to send them to Country D to be sold. I happened to see them, so I sent you a message. Then, they caught me too. When they were handing the people over, I realized that

Zhou Hai had also arrived.”

When Lin Yin said this, she kept staring at Huo Ge. Then, she said faintly, “Then that Zhou Hai suddenly disappeared and Huo Ge appeared. Don’t you think it’s magical?”

Lin Yin did not say it explicitly, but the Mu family members present were not fools. Mu Heng and Mu Xiao looked straight at Huo Ge.

Mu Ran said directly, “So Zhou Hai and Huo Ge are in cahoots?”

Huo Ge smiled and pretended to be stupid. “This lady really knows how to joke. I just came back from overseas today and have never been to Country D. How can I know people from Country D, let alone gang up with them?”

“We’ll know if it’s true after we investigate,” Mu Xiao said with a smile.

As soon as Mu Xiao finished speaking, Mu Heng had already given the order. This sudden appearance of Huo Ge made Mu Heng feel that something was amiss.

Huo Ge nodded at Mu Xiao in a gentlemanly manner and said gently, “Help yourself! But you’d better hurry up. Otherwise, when my family comes to pick me up later, I won’t be able to fool around with you. After all, my family and I haven’t seen each other for a long time. We want to get together.”

“Really? I’ve always thought that Second Young Master Huo doesn’t get along with his family. It turns out that Second Young Master Huo gets along well with his family. Why don’t I help Second Young Master Huo contact his family?” Mu Xiao smiled, but his words were filled with suspicion..

Chapter 508: Huo Ge

“You guys know a lot about me. Since this gentleman wants to do something unnecessary, thank you!” Huo Ge replied calmly without any panic. He even pretended to be stupid and asked, “You guys know me so well, but I still don’t know who you are. It seems a little rude not to introduce yourself.”

Mu Heng maintained the self-restraint of a young master of an aristocratic family and said calmly, “Mu Heng of the Mu family, these two are my younger brother, Second Brother Mu Xiao, Third Brother Mu Ran, and our mother and sister. ”

When he saw Mu Heng pointing at Lin Yin and talking about his sister, Huo Ge smiled and said, “So you’re from the Mu Family. I’ve long heard of you, but I’ve never heard of such a good-looking young lady in the Mu Family.”

Mu Ran’s eyes instantly narrowed dangerously because when Huo Ge said this, his tone was frivolous and rude.

Huo Ge looked at Lin Yin with interest and disrespect.

“Huo Ge, you’d better watch your eyes and mouth. Otherwise, I don’t mind digging out your eyes and sealing your mouth!” Mu Ran warned.

Even Mu Heng and Mu Xiao stared at Huo Ge coldly. If the ice in their eyes could be used as a weapon, Huo Ge would probably be riddled with holes by the ice blades in their eyes.

Huo Ge raised his eyebrows slightly and did not mind Mu Ran’s warning. He only apologized on the surface. “I’m sorry. I just went overboard when I saw that this Miss Mu is good-looking. I’ll be careful next time.”

At this moment, Mu Heng had already received the information about Huo Ge. He compared Huo Ge’s appearance to the person in front of him. They were really identical, even the personal assistant who often followed beside him looked identical.

Lin Yin and the others also received the information about Huo Ge that Mu Heng had forwarded. They frowned.

Especially Lin Yin. No matter how she thought about it, it was impossible.

Huo Ge was the second son of the Huo Family's First Madam. He had started studying abroad when he was five years old. Other than coming back for New Year's, he was almost always overseas.

However, from the information, there was almost no difference between the young Huo Ge and the current Huo Ge, so there was no problem with his appearance.

But how could Zhou Hai and Huo Ge look so similar?

Or could it be that the person in front of him was Huo Ge, and Zhou Hai was just an alias that Huo Ge used when he was out?

But Zhou Hai was in the human trafficking business. As one of the eight aristocratic families in the Capital, the descendants of the Huo Family did not need to do such a dangerous thing, right?

Lin Yin frowned so hard that her wrinkles could kill a fly.

Mu Xiao carefully identified Hugo and said, "Second Young Master Huo, I treated your Grandma for a period of time before, so we're considered friends. I was afraid that your Grandma wouldn't know that you're safe now, so I contacted her. She said that she would come over to pick you up immediately. I estimate that it will take another half an hour. Why don't you wait here? I can also check on your Grandma's recovery while she's here."

"Thank you, Second Young Master Mu. I'll definitely set up a banquet to entertain you another day. I'm grateful that you've been taking care of my Grandma and treating her all these years," Huo Ge said with a smile.

Lin Yin did not expect that the hooligan-like Zhou Hai from before would become Huo Ge now. He had more elegance and manners as a young master of an aristocratic family. Look at how beautiful his words were.

Guan Nan and the others followed the police to send the human traffickers to the hospital while the Mu Family and Lin Yin accompanied Huo Ge and waited for Old Madam Huo to arrive.

Lin Yin pulled Ye Wen's hand and sat at the side. Her heart ached as she took off her shoes. Then, she squatted in front of Ye Wen, wanting to pick up Ye Wen's dirty feet and clean them up.

There were still some bloodstains on his dirty feet and there were several wounds.

Just now, Lin Yin did not dare to let go of her guard and deal with Ye Wen because she had to be on guard against Huo Ge.

Ye Wen cowered in embarrassment and avoided Lin Yin's hand. She whispered,

"It's dirty! Don't! Wear the shoes Tian Tian. Mommy doesn't hurt!"

Mu Xiao squatted down and said softly, "Let me do it!"

Lin Yin shook her head and said, "I'll do it. My hand is light and it won't hurt her as easily."

Lin Yin said softly to Ye Wen, "I'll be gentler. Can you give me your foot?"

When Ye Wen heard Lin Yin's words, she really obediently stretched out her feet. There was an indescribable joy in her timid eyes.

In Ye Wen's opinion, this was her Tian Tian making demands. It was her Tian Tian who needed her, and she could satisfy her Tian Tian, so she was happy..

Chapter 509: Carrying Sister

Lin Yin took the handkerchief from Mu Xiao and gently wiped the dirt on Ye Wen's feet. It was so gentle that Ye Wen's heart was about to melt.

Ye Wen could not help but reach out to Lin Yin's face and touch it lovingly. She said softly, "Tian Tian, you're back, right?"

Lin Yin only lowered her head and did not say anything. She cleaned Ye Wen up silently and put on her shoes for her.

Ye Wen was a little disappointed, but when she saw Lin Yin's bare feet on the ground, she immediately pulled Lin Yin up and forced her to sit where she had been sitting just now.

Then, Ye Wen carefully picked up Lin Yin's feet. Just like how Lin Yin had picked up her feet just now, she gently patted the dust on the soles of Lin Yin's feet. Her serious and undisguised gaze made Lin Yin's heart ache.

She did not dare to be too agitated, but she also exposed her slightly red eyes.

In her previous life, when Lin Yin returned to the Su Family, she thought that Chu Yun was her biological mother. However, Chu Yun despised her too much and never touched her.

Lin Yin still remembered the look of disgust Chu Yun gave her when she accidentally touched her hand.

At that time, she didn't know that she wasn't her biological daughter, so in Lin Yin's opinion, it was really too uncomfortable to be despised by her biological mother. It was as if her heart had been pierced by a knife and the knife was still stirring wantonly in the wound, blood flowing.

As for Ye Wen, after cleaning the dust off Lin Yin's feet, she was about to take off the shoes that Lin Yin had put on her feet just now.

Mu Ran, who was at the side, immediately stopped her. Then, he nimbly took off his shoes and handed them to Ye Wen.

Ye Wen looked up at Mu Ran in a daze. When she saw Mu Ran's familiar and unfamiliar face, Ye Wen's face was filled with confusion.

After a while, Ye Wen seemed to recognize Mu Ran. She shook her head and said, "Xiao Ran, wear your shoes. Mommy won't!"

An intimate "Xiao Ran" instantly stunned Mu Ran. After so many years, his mother finally recognized him again.

Mu Xiao grabbed Mu Ran's hand and patted his shoulder silently.

On the other hand, after Ye Wen pushed Mu Ran's shoes away, she stubbornly wanted to return Lin Yin's shoes to her.

Xiao Ming looked at the warm scene in front of him with envy in his eyes.

When he was born, his mother died in childbirth. Later, his father died to save Master Zhou. At the age of four, he became an orphan.

He still did not know what his parents looked like.

At the side, Huo Ge only smiled coldly in disdain and cursed them in his heart for being pretentious, hypocritical, and disgusting.

Lin Yin did not accept the shoes Ye Wen handed her. Instead, Mu Ran squatted down in front of Lin Yin and smiled at Ye Wen. "Mom, let me carry Sister."

Lin Yin looked at the broad shoulders in front of her and said to Ye Wen, "Let Brother Mu Ran carry me. I won't have to walk anymore. It's so easy!"

With that, Lin Yin lay on Mu Ran's back, and Mu Ran easily carried her sister.

Ye Wen looked at the siblings in front of her with a doting smile in her eyes.

At this moment, the few people who had been hurt seemed to slowly open their hearts and begin to be willing to accept the love from their families.

Lin Yin, who was on Mu Ran's back, suddenly stood a head taller than everyone present. She couldn't help but sigh at how it felt to be on someone's back.

In her previous life, Lin Yin's heart would ache when she saw Su Lin carrying Su Fei dotingly.

At that time, she could not figure out why Su Lin was always more intimate with Su Fei when she was clearly Su Lin's biological sister.

So much so that when Su Lin listened to Su Fei and deliberately pretended to be a good brother to get close to Lin Yin, Lin Yin did not dare to say to Su Lin, "Brother, I also want you to carry me, like you carried Su Fei, carrying me, your sister."

Now that she was suddenly satisfied, Lin Yin was really happy. Even without that overflowing smile, everyone could see the corners of Lin Yin's lips curl up uncontrollably.

Mu Ran, on the other hand, looked at Mu Xiao and Mu Heng provocatively with his back facing Lin Yin. Then, he looked in Ye Wen's direction with a smile.

Today, his mother called out his name and he even carried his biological sister. It was as if his broken world had suddenly been filled.

That happiness and satisfaction made Mu Ran exceptionally happy.

On the other hand, Ye Wen was much better. When her daughter returned, she even saw her son and daughter loving each other.

All of this seemed like a dream..

Chapter 510: Old Madam Huo

If it was a dream, Ye Wen really hoped that she would not wake up for the rest of her life. This way, she could be with her children forever.

Mu Heng and Mu Xiao were also watching the scene in front of them with smiles.

Huo Ge looked at the scene in front of him with a frown. Then, he rolled his eyes secretly. It was just being carried. What was there to be happy about?

She was indeed a little girl. She could be so silly and happy with just a little care.

And this family looked crazy and sick.

However, before he could continue despising the Mu Family for too long, Old Madam Huo rushed over and hugged him tightly.

She hugged him!

Huo Ge subconsciously wanted to break free, but when he saw that the Mu

Family was looking at him, he reached out a little stiffly and patted Old Madam

Huo's back gently. He said softly, "Grandma, so many people are watching!"

Only then did Old Madam Huo let go of Huo Ge, but her hand was still holding onto him tightly. She choked and said, "You damn kid, you stayed outside for several years. Why didn't you wait for me to die before coming back?!"

Huo Ge had just been mocking the Mu Family's mushy familial ties, but he did not expect it to be his turn now.

Huo Ge's expression could be violent, bloody, sinister, and hypocritical, but he could not deal with such a mushy scene.

On the other hand, Xiao Ming immediately grabbed Old Madam Huo's hand and said with a crying expression, "Old Madam, how can you say that? Second

Young Master's heart will probably ache to death if you say that about yourself. In this world, you dote on Second Young Master the most

Old Madam Huo immediately reflected on herself. "Look at me, what nonsense are you talking about?! I still have to live for a few more years and protect my good grandson."

As she spoke, Old Madam Huo wiped the tears off her face and held onto Huo Ge tightly. "The last time you came back was six years ago. Now that you're back and your studies are over, don't go overseas anymore. Just stay by Grandma's side."

Huo Ge nodded at Old Madam Huo and said, "Okay! I'll listen to Grandma!"

Old Madam Huo was overjoyed. At this moment, she saw a few people looking at her and Huo Ge.

Almost instantly, Old Madam Huo's image of a cute little madam changed. She smiled appropriately and nodded at the Mu family. She said calmly, "I'm sorry to have embarrassed myself! "

Mu Heng and the rest nodded at Old Madam Huo respectfully. "Old Madam

Huo.”

Old Madam Huo’s gaze landed on Ye Wen, who did not react. She only fixed her gaze on Lin Yin and asked with concern, “How has Mrs. Mu been recently? Is she in better spirits?”

Old Madam Huo had seen the young Ye Wen before, so she could naturally recognize her.

Besides, everyone in the Capital knew that the wife of the Mu family was a lunatic. As for the reason, more than ten years had passed and the younger generation did not know.

However, as someone from the older generation, Old Madam Huo knew very well.

Back then, Ye Wen had just given birth to her fourth child, a daughter and sent invitations to all the major families to invite everyone to the one-month-old celebration of the daughter of the Mu family, the Missy of the Mu family.

Unfortunately, the little girl was stolen before she was even a month old. Later, she heard that Ye Wen had gone crazy.

Therefore, the eight big families in the Capital rarely mentioned the fourth child of the Mu family all these years. Naturally, the younger generation would not know that the Mu family once had a daughter.

Mu Xiao nodded at Old Madam Huo and said, “Much better. Thank you Old Madam for your concern.”

Old Madam Huo looked at Mu Xiao with a gentler gaze and smiled. “It’s all thanks to you informing me today. Otherwise, I wouldn’t have known that my grandson had secretly come back.”

Mu Xiao smiled warmly and said, “Old Madam, you’re too polite. Isn’t this too much of a coincidence? Second Young Master Huo, my mother, and sister were actually caught by the same human traffickers. Otherwise, I really wouldn’t have known that Second Young Master Huo would suddenly come back.”

Old Madam Huo had known on the way that Huo Ge had been caught by human traffickers. However, she was still a little afraid when she heard it, so she did not even hear Mu Xiao mention his sister.

Old Madam Huo's eyes were filled with concern, heartache, and blame as she glanced at Huo Ge.

Seeing this, Mu Xiao took a step forward and asked, "Old Madam, I met Second Young Master Huo by chance when he came back six years ago. It's just that I keep feeling that Second Young Master Huo looks a little different from before..

What do you think?"
