

Chapter 66

Millions of viewers were watching the live stream, and many became interested in the essential oils and lip balm.

After all, in this day and age, people feel more at ease using pure, natural, and additive-free products.

Moreover, while Lindsay was making the products, she took the time to explain their uses and benefits in detail.

"Lindsay is amazing! She knows so much about olive oil and can even purify extracts and make lip balm."

"She understands so many things. After hearing about the benefits, I really want to buy a few bottles of extract for hair and skin care."

"Me too. Once this village sets up their live stream channel, I'll definitely support them."

"I have been following the live stream of the variety show these past few days and realized this village is so genuine, and their agricultural products really look top-notch."

"Village chief, hurry up and organize the live stream sales. I want to buy, buy, buy."

"Yes, please set up the live stream channel quickly. I want to buy all the products our favorite stars have tried."

"Seeing how much they enjoyed the grains here, I've been craving to try them too. Now my wish is fulfilled."

"Who is your bias?"

"Lindsay, of course. She's beautiful, has a great figure, is heroic and cool when saving people, cooks delicious food, knows divination, and can fix appliances. She knows so many things. She's my bias from now on."

"Then she's my bias too."

"Are you a man or a woman?"

"Of course, I'm a woman, but that doesn't change the fact that Lindsay is my bias."

"Ahem, Lindsay is my bias too, and I'm a man."

"My bias is the best. While doing the variety show, she also came up with a way to help the village prosper."

"Absolutely, my bias is amazing. She even advocates for promoting intangible cultural heritage, which is full of positive energy."

"My dear Linds, I love you more and more!"

Other viewers were astonished by the comments. They didn't expect Lindsay's fans to be so unique, all turning calling her their bias. Moreover, Lindsay's fan base had surged dramatically after just a few days of the variety show.

Seeing this, Charles took advantage of the momentum and had the assistant upload a previously filmed video of Lindsay boxing online. The video quickly gained a growing number of views.

The hashtag #LindsayBoxingCoolly even trended on the hot search list.

Initially, many people thought it was just Lindsay riding on the show's popularity, creating a different kind of hot search.

"They assumed Lindsay's boxing wouldn't be that impressive, probably just flashy and for show.

However, those who clicked on the video were blown away.

Even a boxing association noticed it and shared the video internally.

Many people were drawn to the variety show's live stream to see Lindsay because of this video.

"This young woman's boxing style is unique and has a touch of mastery."

"When is the live stream of this young woman boxing? I want to watch it."
"

Curious viewers asked, "What boxing?"

"A video of this young woman boxing was posted online. We came to watch the live stream because of it. Go watch it yourself."

So, Lindsay's fans rushed to watch the video, along with curious viewers who checked out the trending video.

After watching it, they couldn't help but cheer.

"My bias is not only beautiful but also so cool!"

"No wonder she could save people continuously that day. She's so skilled."
"

"The director is unfair. My bias looks so good boxing, and he didn't live stream it for us."

"Exactly! We strongly demand a live stream of my bias boxing tomorrow morning. I'll set an alarm to watch it."

The comments were flooded with demands for a live stream of Lindsay's boxing.

The director was quite surprised, not expecting Lindsay's boxing video to go viral so quickly.

Watching the viewer count in the live stream surge, he was overjoyed.

Previously, the show maintained high popularity due to the conflicts involving Lindsay, Elric, Alex, Olivia, and Justin.

Now, this new surge in popularity had come, and it was wonderful.

So, he instructed his assistant to post an announcement.
