

Revenge On My First Love Chapter 104

Sophia turned her head, "Do you want to die?"

Drake smiled and didn't say anything.

It's a bit of a hike to the suburbs over there, relatively speaking.

On the way, Drake said, "I'm a little thirsty, can you give me a bottle of mineral water?"

Sophia brought over a bottle of water and handed it to him.

Drake looked over, "I'm driving, how do you see me opening the mineral water?"

Sophia impatiently opened the mineral water bottle and handed it to him.

"Thanks!"

A certain man's face still has a smile on it.

Drake finished his drink and handed it to her, "Are you thirsty?"

"Not thirsty!" Sophia wasn't interested in drinking his water.

"Well, you can drink it anytime you want, I don't mind you."

"But I resent you!"

Well done!

Drake shook his head helplessly.

But I have to say, this thorny Sophia now is more interesting than the silly Sophia before.

more, the two finally

out of the car, the place was still haunted

"Sophia, what are you

as if she hadn't heard, kept

"Sophia!" Drake shouted again.

front shouted loudly, "We refuse to demolish the house, if we

behind us followed along and shouted, "Reject

people of the village and the town, there is no

grabbed the loud speaker from the village chief and said to the villagers, "Hello everyone, I am Sophia, the president of the Skylane Group, and I am here today

they had come, and hurriedly extended

was going on, but Drake also introduced himself

really so thankful that you guys can come, they've been

smiled, "It's okay, leave

"Good, good!"

that could have happened

said, "If you want us to demolish the house, we will just die here, we are not afraid to make a big deal out of

just about to walk over when Drake pulled her back: "Don't go, it's

look, didn't say much, just shrugged

wrinkled his brow and

other party seems to have not expected Sophia to come over, holding the knife, shaking and saying, "You, you do not come over, otherwise,

a strange environment, you will feel very uncomfortable, and the surrounding neighbors don't know each other, that kind

people loosen up a bit and look

me, I would think the same way, in your opinion, we give you demolition, it is us businessmen for profit, I admit, there must be profit in it, otherwise what do we bother so much

think about it, today not only our city, but other cities, there are traffic jams in this area, some people go to

hours, go home and then do other things, basically have been very late, which will lead to

"What does any of this have to do with us, it wouldn't have happened

it's true that this has nothing to do with you, but you don't want to change your life today, but your children don't
