

## Revenge On My First Love Chapter 106

But Sophia at that time would cry every time she met him like this.

Maybe he is also soft-hearted, and eventually he will let her go.

But now, she can't cry anymore, but she definitely won't let him get away with it either.

"If you don't want to go down and sleep, I can go down." She said through deadened teeth.

"Such a big bed, why do you have to go down there to sleep? It's so cold here, what if you freeze and catch a cold?"

"I'd rather catch a cold than sleep with you."

Drake steals the concept: "Oh? Really, wouldn't you be sleeping with me if you were down there?"

Sophia : "....."

It's speechless!

"Drake , are you going to start or not?"

"Don't get up and drive!"

Sophia stared at him with a deadly glare, while he looked at her with a smug expression.

Sophia bit him when he went up to her.

"Hiss!" Drake screamed out in pain, "Sophia, are you a dog?"

"If you don't get out of my way, I'll turn into a cat and scratch you to death!" With that, Sophia's hand came up.

Do not look at her nails are not very long, but it is the nature of women to scratch.

Drake saw her threat and somehow managed to laugh out loud.

Sophia was once again speechless, what a time it was, and he could still laugh!

"What's so funny!"

"Sophia , you don't know how cute you look right now!"

Sophia froze for a moment, but then thought of something: "Don't compel me there!"

"Compulsion? Does your use of that word mean that you actually want to have sex with me too .....
