

Revenge On My First Love Chapter 109

Emma smiled: "I asked for it, I think even this kind of place is a bit too good, besides, as you know, I don't really want my ex-husband's family to know I'm back now, I mainly want to see my son and daughter this time."

Sophia can also understand, about Ms. Emma's story, she also heard, so many years, others do not know, she Sophia but very understand.

She really misses her baby!

"Okay, Ms. Emma, I'll leave you alone, tell me if there's anything you can't conveniently tell them, and I'll be sure to come see you first."

"Good!"

Although Sophia still had a lot to say to Ms. Emma, she had made such a long flight, so she was told to get some rest first, and since she was here, there was no rush.

Sophia went back and talked to Chloe and Bard about it.

"Sophia , let's go see your teacher together sometime too!"

In the past, when Emma was teaching Sophia, she often came to Lawson Manor and became familiar with the Lawsons, including Emma and Sophia's mother, both of whom have developed into girlfriends.

"Well, let Ms. Emma rest and relax for a while, and we'll see her again in a few days!"

"Yes!"

A few days later, Sophia contacted Emma and was ready to go over.

Emma called Drake as soon as she thought Sophia was coming.

"Son, Mom's students are coming later, do you have time?"

Drake looked at the work at hand, "Mom, there may not really be time for this one, sorry."

Emma was still disappointed, but didn't mind when she thought of the many opportunities that would follow.

"OK, you get busy!"

Drake also heard her thoughts and then followed up with, "Just give my name where you're going to eat for lunch."

"No, she likes to eat what I make, so we'll be at home today."

Drake was envious that even though he said his mom was back, he hadn't let her cook a single meal these days, but that student of his mom's, had eaten many times.
