

## Revenge On My First Love Chapter 120

"I thought that you would be against me and Chloe getting together because of Drake."

Sophia smiled. "It's just the business between Drake and me, but then again, if you do have a crush on Chloe, please be serious about it. I won't let you off the hook if I find out you hurt my friend."

Bailey nodded. "You're right, and we're all adults, a lot of our friends are married, it's time for us to find a companion for life, so I'll be very serious about this relationship."

With his promise, Sophia had nothing more to say and gestured for him to go to Chloe.

Bailey, however, did not go away but instead looked at her.

"Is there anything else?"

Bailey thought carefully, but still said, "I know there are some things you may not want to hear, but I want to say them."

Sophia, "..."

"Since Drake broke up with you, he hasn't dated any woman. We can all see that he still loves you and waits for you to appear though he says he has given up on you and stopped loving you."

"Sophia, I want you to know that it's him, not his family, who will be with you. So, it doesn't matter whether his family likes you or not. He will protect you all the time."

Bailey seemed to be about to say something else, but on second thought, he just turned away to leave.

Sophia sat there, her mind wandering.
