

Revenge On My First Love Chapter 151

The two were finally relieved.

"So, what are you going to do about it?"

"I haven't figured it out yet."

After all, it all happened too fast and Sophia hadn't thought it through yet.

"Sophia, you have to act tough."

Sophia nodded her head.

"OK, we don't disturb you here now. You should have some rest, and then think it through. You have to be smart."

Sophia nodded her head again.

The next day, when she woke up, she realized that she hadn't taken the pills yet and 24 hours had passed.

The later she took the pill, the less effective it was. She had to hurry to the pharmacy.

Just as she was about to go, she opened the door and saw someone standing in front of her.

"Good morning!"

Sophia was stunned for a moment. It was Drake, but he seemed different today.

"What are you doing here?"

"Have you thought about it?"

Sophia was speechless. "I didn't think about it and I don't intend to."

"So, aren't you going to be responsible for me?"

Sophia walked out and closed the door.

"Sophia, you can't do this. You raped me and you have to be responsible for me. But if you don't want to, I can be responsible."

Sophia walked down the steps and looked at him. "Mr. Riley, you have a fiancée. Can you just stop talking about it?"

"I have said that I can deal with it. I just need a word from you. Are you going to be responsible for me?"

"No," Sophia said directly and impatiently.

Drake's eyes dimmed a little, but he soon was cheerful again, "No! If you aren't going to be responsible for me, I will follow you everywhere until you say yes!"
