

Revenge On My First Love Chapter 195

"Mr. Lawson, why do you think so? I promise I never have such an idea. I like Sophia. I love her, all the time."

"And I want to tell you a secret that Sophia may have not told you. We accidentally had sex twice before, and it's almost time to check if she's pregnant. If so, I will be bound to marry her."

"No one can intervene between us."

Both Abbott and Laura knew nothing about this and looked at each other in astonishment.

"Surely, no matter who offered to have sex, I should be responsible for her because I'm a man." said Drake.

Abbott understood. "You mean it's my daughter who offered to sleep with you?"

Drake smiled. "It's not the key. I believe you know Sophia likes me, anyhow."

He was very confident about this.

But it was the truth!

"Although Sophia refused me again and again. I believe she will be with me again one day. So, I want to make myself clear today that if I could get married to Sophia, I won't disappoint her, as well as you. Absolutely."

Abbott and Laura got silent.

And Drake rose to his feet and said, "It's late. I'd better leave. Although it's my mom who asks you to live here, I wish I can take good care of you because it's my house."

"Feel free to ask whatever you need. I'll ask my men to meet your need."

"I'm leaving now. Good night, Mr. And Mrs. Lawson."

Drake walked out of the house, leaving Abbott and Laura looking at each other.

The next day was on the weekend. Thus Sophia and her brother were all off duty.

Rarely, they woke up early and went to visit Abbott and Laura.
