

Revenge On My First Love Chapter 206

Sophia smiled, put the cup down on the table, and looked at him, "Dereon..."

Just as she called his name, Dereon was surprised. "Ms. Lawson, you remember my name?"

"Don't get me wrong. Although there are many people in the crew, I just tried to remember everyone's name. I think it means respect for them."

Dereon suddenly had special feelings for her. "I really did not expect that you would be so considerate, Ms. Lawson. It's a really nice gesture."

"I actually want to ask you something. Do you want to be an actor or a star? If you just want to be an actor, you just need to play every role well. There are a lot of movies that became famous because of the wonderful supporting actors. But if you are anxious to be a star, I advise that you should quit the business."

Dereon's face turned pale.

He thought that his good appearance would make Sophia feel sorry for him and offer him a chance to play a leading role.

Why didn't she do it? Instead, she advised him to quit the business.

Maybe it was because he didn't try his best to please her.

Dereon got close to her and Sophia frowned.

When she was about to avoid him, he grabbed her wrist and looked at her affectionately. "Ms. Lawson, there's something that I haven't told you. Ever since I met you for the first time on the set, I have fallen in love with you."

Sophia didn't expect him to be this bold.

But it made sense. She knew he came to her with an ulterior motive.

The reason Sophia agreed to talk to him was that she wanted to make him give up the idea of hooking up with her, lest he approached her with all kinds of excuses in the future.

Handsome actors came to her and tried to trade sex for career success. She had been through this kind of thing many times.

"Dereon..."

As she was about to speak, someone came over and kicked Dereon, who fell to the ground.

Dereon was stunned, he didn't expect this at all and looked at the man, dumbfounded.

Drake pulled Sophia up into his arms. "Are you trying to cheat on me with him? Are you sure?"

Sophia could see now that Drake was purely jealous. Although she was somewhat moved, she didn't want to be misunderstood...
