

## Revenge On My First Love Chapter 213

"Mr. Riley, please don't waste your time on me. I won't accept your invitation."

"You can refuse me today or tomorrow. However, I believe my sincerity will move you eventually. You will have dinner with me one day."

"If there's nothing else, I gotta go."

Without waiting for his response, Sophia ended the call.

She thought it was over, but she was absolutely wrong.

Shortly after, the front desk called and informed her a man named Roman Riley had broken into the company.

Chloe asked Sophia about her opinion. As long as Sophia was unwilling to let him enter, Chloe would stop him outside the office.

"Let him in."

"All right."

Chloe knew what Sophia planned to do.

After entering the president's office, Roman flirted with Chloe, "Hi, Chloe. You look gorgeous."

Chloe darted a glance at him in disdain and wasn't impressed at all. "Whether I'm gorgeous or not, it has nothing to do with you. You moron!"

Roman giggled. "Chloe, you little hottie."

"Fuck off!"

She wasn't afraid of him, so she didn't show him any respect when talking with him.

Roman entered Sophia's office.

Sophia was working on a problem. Seeing him enter, she lowered her head to continue working.
