

## Revenge On My First Love Chapter 221

After finding the contract mentioned by Sophia, Bard drove to the appointed hotel and told the foreman about his purpose. The foreman took him to an elevator.

When they arrived on the specific floor, the light was on. However, it was utterly dark after they walked out of the elevator.

Bard felt weird. When he looked back at the foreman, the latter had gone.

'What's going on? Someone wants to do something to me?'

Bard thought there was something wrong with this hotel.

Before he turned away, a group of people walked out from the dark while pushing a cart, in which there was a big birthday cake with burning candles.

They sang a birthday song loudly.

Only then did Bard recognize they were Sophia, Edwin, Charles, Helena, Chloe, Bailey, Emma, Aria, and Drake.

He was dumbfounded.

The giant birthday cake stopped before him. Sophia said with a smile, "Happy birthday, Bard. Make a wish!"

Everyone was watching him. Bard was still in a daze. "So, you all remember my birthday?" he muttered.

"Of course we do," Chloe chuckled, "You can't blame us. Sophia forbade us to tell you ahead of time. We didn't mean to freak you out."

'Sophia?'

Sophia prompted, "All right. All right. Make a wish and blow out the candle."

Only then did Bard return to his senses. "OK. OK."

He sucked in his breath to blow out the candles.
