

Revenge On My First Love Chapter 242

Olivia did not expect things to happen like this. Although she did not know which link of her plan failed, she wouldn't admit that she was the mastermind of it.

"Dad, I don't know why this is happening. I mean, this has nothing to do with me."

Drake was not surprised seeing that Olivia refused to admit it. It would be weird if she did.

"The woman inside, get dressed and get out of here!"

Abby hadn't come back to her senses yet. But the roar frightened her. She quickly put on her clothes and got out, her legs weak.

"Old Mr. Riley."

Although the Old Riley retired a long time ago, his name was known to everyone. His aura was still intimidating.

"Why are you at my house? Explain!"

"I..."

Abby subconsciously looked at Olivia when she spoke.

Olivia yelled, "What are you looking at me for? Did I ask you to come?"

Abby understood that Olivia was trying to disassociate herself from her.

However, she knew that she could not afford to offend the Riley family. When she was about to speak, Drake spoke.

"Ms. Pearce, you can tell the truth. After all, since you and Roman have slept together, my grandfather will ask Roman to be responsible for you."
