

Revenge On My First Love Chapter 243

The Old Riley stared at him with cold eyes, "So, what do you question me about?"

From his earliest years, Baron had always thought of his father as mighty, and every time his father looked stern, Baron's mind went blank.

By the way, Drake had reminded him not to act impulsively. Could it be that Drake already knew what the Old Riley had in mind?

Forget it. Baron decided not to mention the matter.

In the corner of the yard.

Roman kept yelling, "Mom, why did you do this to me? Today's matter was not my fault at all!"

"Stop it!" Olivia shouted, and signaled to the servants to leave. She asked snappishly, "Roman, what's wrong with you today?"

"I, I don't know!" Roman recalled carefully. "It seemed that I ate something. When I went back, I wanted to watch the video about Drake and Abby. But, surprisingly, once inside, I felt uncomfortable. And there's a woman crawling towards me and then I did it with her..."

Being afraid of being scolded, Roman added softly, "Mom, I don't know what happened! Really!"

Olivia, of course, believed her son. "It seemed that you were drugged by Drake and we did not realize that before."

"Mom, since then, let's tell Grandpa!"

"Oh, shit! Don't tell him! Today's situation is in our favor. If you tell your grandpa that you were drugged by Drake, what are you going to say if he asks, 'Why did Drake drug you?'"

"Besides, if I was ratted out and your grandpa forbade me to go out, no one could do help you in place of me. Roman, my dear Roman, don't be silly, OK?"

Roman was confused. "But Grandpa is on our side, isn't he? If he doesn't obey us, we can control him with the phone."

"Jerk! If we did, Drake would find it out. He's very smart. Once he discovers it, our plan will fail!"

Roman did not expect things to get so tricky that his advice would not work either way. What should they do?
