

Revenge On My First Love Chapter 259

"I'll invite them to another meal when they come to Sealand."

"That's more like it!"

Helena would also come over tonight. They couldn't miss this opportunity to get together.

Drake looked at Sophia. "With this meal, you won't be able to run away from me anymore. You will be labeled as Drake's girlfriend."

Sophia was amused by his childish words. "I know, I didn't want to run away from you!"

When she made the decision, she hadn't thought of escaping.

In the evening, in a luxury private room in Sealand Grand Hotel, Helena arrived with a smile on her face. "I have been invited to dinner by Chloe's boyfriend, and now it's Sophia's. I'm the only single one here now."

Chloe took her by the arm and said, "When are you going to get Travis? If you keep taking it slowly, someone else might get him faster than you!"

"You know I have always been busy with work."

Helena was also annoyed by this. When they were in Sealand, she was able to spend much more time with Travis.

She had had many chances, but somehow, she failed to confess her love every time. It didn't fit her bold and straightforward image in the public at all.

"Besides, Sophia, didn't you say you would help me?"

"Help you with what?" asked Travis, who came in and was taking his seat.

Helena was stunned and panicked. Why didn't anyone tell her that Travis would be here today?

Chloe also seemed surprised. "Sophia, why didn't you tell us Travis would come?"

Sophia smiled. "It wouldn't be a surprise if I told you, would it? So, are you surprised?"

"Even I was surprised. I bet someone is even more surprised!" Chloe looked at Helena.

Travis did not understand their words and looked at them. "You are surprised that I came for dinner?"
