

## Revenge On My First Love Chapter 303

"Of course you are."

Paula was both angry and embarrassed. "Believe it or not? I can disfigure you now. Let me see if you'll still be so proud."

Sophia replied leisurely, "If a man loves a woman, he won't care what she looks like."

"Humph!" Paula mocked, "Are you kidding me? He won't care? I want to know if Drake and Noah will care if you're disfigured."

As she spoke, she put a dagger in Sophia's face to scare her.

After all, an ordinary woman wouldn't have the guts to do it for real.

Sophia gazed at her without blinking or retorting.

Paula became complacent. "Freaked out?"

Sophia sneered in sarcasm. "Think it's possible?"

Paula pointed the dagger's tip against Sophia's cheek. "Why not?"

Sophia raised her head. "Go ahead. Let me see if you have the gall to do so."

"Think I don't dare?" Paula suddenly stabbed the dagger into her thigh.

The piercing pain almost overwhelmed Sophia.

Initially, Paula was scared. However, her fear was replaced by smugness. "How about now? Do you still think I won't be able to do it?"

Then she stabbed the dagger into Sophia's other thigh and pulled it out quickly.

The pain made Sophia unable to utter a beep.

"I hate you to the core, bitch! If it weren't for you, my family wouldn't have become like this. Do you really think I dare not do anything to you?"

"I've never cared about your appearance. If you become crippled, I'd love to see what you'll do in the future."

"I wonder if Drake and Noah will love a cripple."

Sophia knew Paula would do something to her but didn't expect her to stab her legs. The pain was too fierce.
