

## Revenge On My First Love Chapter 43

Chloe didn't care about that and went up to him to beat him up.

But as a single-celled animal, Bard's limbs are so well-developed that she didn't let her touch them, so much so that when the two of them sparred, Chloe looked adorable.

Sophia and Helena were just laughing on the side.

This scene, the Flynn and Bailey are stunned, what is this situation, it seems that the new man and the other two girls are also very familiar ah!

But it is also clear that even if it is familiar, it is not like the kind of familiarity with Sophia.

Aria, who hadn't bothered Sophia in a long time, still wore a look of contempt on her face when she saw this scene.

"She says she's still a virgin, and it's clear to me that she's had that restorative surgery."

Although she didn't want to admit it, Emilia said, "No way! Dr. Platt is not an ordinary person, she's not motivated by money and she doesn't have a conscience."

"According to you, she's really a virgin?"

Emilia's face hardens, and ever since she met Drake, she's been getting more and more annoyed every day at the things she's done.

How great would it be if she hadn't done it .....

"But why do those men still go back and forth to her, what's the figure?"

That's what Emilia doesn't understand. What is Sophia's charm that makes all these men do this for her?

"Both of you are no match for her, don't mess with her again!" Olivia walked over, a warning written all over her face.

Aria and Emilia looked at each other with defiance in their eyes.

On that side, another person came, not recognizing who it was, but coincidentally, she was wearing the exact same pink dress.
