

Revenge On My First Love Chapter 77

Then it was time to tell the story of what happened in Cecelia.

"You are Cecelia's brother, your sister is being bullied like this, we the Price family's face can be wanted, so you take care of that Sophia and the man named Bard."

Flynn, however, wrinkled his brow and looked at Cecelia .

Inexplicably, Cecelia was a little weak.

"You were the one who messed with Sophia first?"

Mrs. Price said angrily, "Flynn, what are you talking about? Don't care who provoked whom, this happened, and Cecelia suffered, that's not okay!"

Flynn finally couldn't help but say, "Mom, you just spoil her like this, do you believe that sooner or later, something will happen to her."

"Something happened? What can happen? Besides, our the Price family is so powerful, even if something really happens, we can still suppress it."

"Anyway, I don't care, you have to give Bard and Sophia a good beating, and you better get them out of Sealand in a hurry."

Flynn, however, spoke up and said, "Dad, you think so too?"

"Cecelia is the heart and soul of our family, you know this well, she has suffered so much, indeed she should teach those two people who do not know how to behave."

Flynn sneered, "I realized for the first time that I was the only one in our family who was sober, otherwise, we at the Price Group would have been finished sooner or later, even if we were more powerful."

Mrs. Price said angrily, "Flynn, what are you talking about? You don't want to teach them a lesson, do you? Your sister is being bullied, and you, as a brother, really don't care at all?"

"Manage? What do you care? If she hadn't gone and messed with them, would they have done that to her?"

Cecelia cried out aggrievedly, "Mom, look at brother, whenever it comes to Sophia, I feel like I'm not his real sister anymore.

This statement instantly put Mrs. Price on alert: "Flynn, do you think, after knowing Sophia for so long, you have something in mind for her too?"

Flynn is so speechless, this is his family!
