

Revenge On My First Love Chapter 87

Later Cecelia also knew that this was not good, so she came back in time.

She thought those things would never be known, but

Flynn looked at them, "Do you really think Sophia won't fight back when you do this? I'm afraid she still has some evidence about us in her hands, and if you really piss her off, Emilia is what will happen to us."

Such a statement instantly made Marley and Mrs. Price's bodies shake.

Cecelia also came back to hear Mrs. Price talk about what happened before, she was especially worried and said in a hurry, "Mom, I don't want to, I don't want to"

It was a long time before Mrs. Price spoke: "Flynn, whether we did the right thing or not, I want you to understand one thing, and that is that if your sister doesn't do this, she won't be able to marry Drake, let alone anyone else."

"Even with a house wife, what do you think they'll do to her in private?"

Flynn looked at them coldly, "So, you're going to sacrifice another woman's reputation to secure hers?"

"It can't be helped, Flynn, think about it, in the end she's your sister!"

Suddenly, Flynn was silent.

Yes, he knew that the family should not do this, but should he really stand by and watch his sister's reputation be ruined like this?

"Let's forget about this one for now, if you guys invite anything else, don't blame me for not warning you."

"Good!"

Mrs. Price saw that she had finally gotten through to Flynn and smiled at Cecelia.
