

## Revenge On My First Love Chapter 91

"What are you afraid of, living in our house for the first half of the year and going to their house for the second half of the year, what's not to like?"

Mr. Duncan: "....."

Dad, aren't you thinking a little early?

Chloe returned to Sophia's side and whispered to them a bit about her appointment with Bailey.

Sophia glanced at her, "Watch out for playing with fire."

"What?"

Helena explained, "Usually two people who pretend to be lovers, pretend to be real."

"No!" Chloe hastily denied, "Bailey and I won't, don't worry!"

The three men didn't say anything.

When Cecelia came, it also caused quite a stir, after all, Cecelia is definitely the first Miss Sealand.

Cecelia also chose a rose dress today, although the style is different from Sophia's, but the color is the same.

Both of them are related to Drake, so it is inevitable that they will be compared to each other.

"How boring!" Bard said irritably.

What is there to compare, his sister will always be the prettiest!

Sophia smiles: "It's human nature, they can say what they like, don't care."

"I do feel aggrieved by you, you are at least ....."
