

Revenge On My First Love Chapter 97

The man above didn't expect this to happen, so he nodded his head and humbled himself: "Sorry, Mr. Sutton, I didn't mean to do it, I just got it down accidentally."

"Watch it, you know? It's a human life, and Ms. Lawson is one of the investors in this one."

"Yes, yes, yes!"

Sophia smiled and said, "It's okay, Mr. Sutton, I'm not okay either."

And she has no enmity with the people above, he is not likely to do retaliation.

And you can also tell that the person was really careless.

Harris was indeed relieved to see that Sophia was okay.

Instead, Sophia, who was still in Drake's arms, said with some embarrassment, "Mr. Riley, thank you."

Then, try to get out of his arms.

Drake, however, did not move.

Sophia : "....."

One by one, Bailey was the first to say, "Chloe, I kind of want to talk to you"

Chloe did not want to go, but Bailey took her away.

Flynn also walked over to Harris: "Mr. Sutton, I also have something I want to say to you"

Sophia rolls her eyes, can these people be any more obvious?

But

"Mr. Riley, can you let go of me now?"

Originally she was still grateful, after all, it was he who saved himself, but such actions, let some people revolt, right!

"I'll let go of you and you'll be gone."

"Or what? What else do I need to be here with you for?"

Even if they all leave, there are still working workers over here for good? He
