Looking at the worried look on Saintess Gu's face, Qin Yu couldn't help but say, "They are all disciples of the nine great aristocratic families. Even if there is any danger, they must have a way to save their lives."

Saintess Gu shook her head and said, "No, you don't understand the nine great aristocratic families at all."

Qin Yu was a little surprised and waited for her to continue.

"The purpose of this trip to the sanctum is to gain experience," Saintess Gu explained. "If life-saving means are set up, this trip will be meaningless. It won't bring any advancement."

Hearing this, Qin Yu sneered in his heart.

However, Qin Yu did not believe what she said.

These aristocratic families must have left a way out for them. They would not allow any untoward incident to happen to them.

"Alright, let them pray for their blessings," Qin Yu urged and said.

In Qin Yu's opinion, they had to find the hidden treasure before the others. Otherwise, they would not be able to get anything.

Two of them continued moving forward. Just as recorded in Qin Yu's mind, the rest of the journey was smooth without any other obstacles.

In a short while, they arrived in front of a stone door.

This stone door was tremendously huge, as tall as several people. It was majestic and gave off a strong sense of oppression. It made the two of them a little breathless.

Qin Yu was silent. He tried to push open the huge stone door with all his strength.

A golden light flickered on his palm, and the powerful force pushed the huge stone door with a loud bang.

Dust was stirred up at this moment. Saintess Gu, who was not far away, could not help but cover her mouth and nose.

“The stone door is not opened this way,” Saintess Gu said at this moment.

Qin Yu turned to look at Saintess Gu, frowned, and said, “How do I open it then?”

Saintess Gu didn’t say a word. She walked to the stone door and stopped.

She put her palms together and mumbled something. It was as if she was outlining the Great Dao, and an extremely mysterious radiance appeared around her.

“Rumble...”

With a series of rumbles, the huge stone door slowly opened.

The moment the door opened, a trace of aged internal qi rushed out. The first thing that entered their eyes was an ancient stone cave.

On the wall, there were stone holes, which looked like cabinets built on stones.

As for the hidden treasure that they were looking for, it was naturally hidden in the cabinet.

Qin Yu and the Gu Saint didn’t dare to waste time, so they quickly walked in.

Qin Yu released his divine sense to cover the surroundings, trying to find something.

Unfortunately, there was nothing else apart from what they saw.

Qin Yu furrowed his brows and said softly, “It’s really an incomplete sanctum...”

This trip would not have been so smooth if it were a complete sanctum.

The sanctum of a Tribulation Stage great cultivator was enough to give birth to incredibly frightening creatures. Even if he had died, he would probably leave behind a remnant of his divine sense or obsession.

Unfortunately, there was nothing here. It was more like a storage room.

“Alright, time to split the loot,” Qin Yu muttered.

Saintess Gu glanced at Qin Yu but didn’t speak.

She reached out her palm, and the treasures floated into the air.

It was unknown how many years these treasures had remained silent. They no longer looked lustrous and were even covered in dust.

Even so, Qin Yu could tell that these treasures were extraordinary.

He activated his desolate divine eye and scanned through every single treasure.

Soon, Qin Yu's eyes fell on a Divine Stone.

The Divine Stone looked dull and did not have any internal qi fluctuations, but the origin of this Divine Stone was incredibly extraordinary!

"If I'm not mistaken, this should be a Bodhi gem..." Qin Yu murmured.

There were many rumors about the Bodhi gem. Rumor had it that the Bodhi gem conceived the seed of Bodhi. When the seed was planted, it would give birth to the Bodhi treasure tree.

The origins of the Bodhi treasure tree were even more terrifying. Rumor had it that numerous top existences had enlightened and ascended under the Bodhi treasure tree. The most famous one was Shakyamuni.

This kind of treasure tree was tremendously precious. Rumor had it that it grew in a terrifying Forbidden Zone. Back then, an Immortal Emperor brought out a few treasure trees from there. Since then, the Bodhi gem was born and scattered all over the world.

Qin Yu suppressed his excitement and looked at Saintess Gu subconsciously.

Saintess Gu's eyes fell on the Bodhi gem as well.

Qin Yu had a bad feeling in her heart.

It seemed that Saintess Gu had also noticed the extraordinary qualities of this gem.

"Saintess Gu, there are many treasures here. Can I only take one of them?" Qin Yu took the initiative to ask.

Saintess Gu covered her mouth and chuckled. She squinted her eyes and said, "You're talking about the Bodhi gem, right?"

Qin Yu's face changed slightly, and he suddenly had a bad feeling.

At this moment, Saintess Gu's transcendent internal qi had disappeared. Instead, she looked like an old witch who was scheming.

This Saintess Gu was definitely not as simple as she looked!

"That's right." After hesitating for a while, Qin Yu finally nodded.

Since she had seen through him, there was no point hiding it.

...

"I didn't expect you to know about the origin of this Bodhi gem," Saintess Gu said with a smile.

Qin Yu remained silent. If Saintess Gu disagreed, he would have to give up today.

If they fought here, it would be hard to say who would win.

And without the help of Saintess Gu, Yan Yunfan and Si Shifeng would probably not let him go.

Thinking of this, Qin Yu gritted her teeth and said, "Since Saintess Gu is also interested in the Bodhi gem, I won't fight with you."

Upon hearing this, Saintess Gu's beautiful eyes flashed with surprise.

She looked at Qin Yu, snickered, and said, "What? Are you giving up just like this?"

Qin Yu spread his hands and said, "What else can I do? Do I fight you here? I don't think there's a need for that."

The smile on Saintess Gu's face grew wider. She then reached out her hand and grabbed the Bodhi gem.

The other treasures were divided into two portions by Saintess Gu's divine power. One portion fell into Qin Yu's hand and the other portion into the hands of Saintess Gu.

This immediately made Qin Yu extremely displeased. D\*mn it! This woman was really greedy. Not only did she take the Bodhi gem, but she also wanted to split the rest of the things equally!

...

"Don't worry," Saintess Gu said.

She looked at Qin Yu and said with a faint smile, "Since we're here with our joint efforts, we'll share the Bodhi gem. How about it?"

"You and I share it?" Qin Yu was stunned. His face was full of confusion.

"That's right," Saintess Gu smiled and said. "Is Mr. Qin unwilling?"

Qin Yu came back to his senses and shook his head. "Of course not. I'm just a little curious. How do we share this thing? Don't tell me you're going to split it into halves?"

"It seems like Mr. Qin knows about the Bodhi gem, but you know very little about it," Saintess Gu said with a smile.

Qin Yu nodded slightly, waiting for Saintess Gu to continue.

"It takes a long time for the Bodhi ancient tree to grow," Saintess Gu continued. "It takes at least a hundred years for the Bodhi ancient tree to start emitting its Holy Breath. As for the fruit on the tree, I'm afraid it will take even longer."

!!

Hearing this, Qin Yu was shocked.

This thing actually needed such a long time to raise!

"So, you and I will raise this ancient tree together. In the future, we will share the tree. How about it?" Saintess Gu said.

Qin Yu thought for a while and agreed it was a good idea.

"I agree, but... I can't figure out where to plant the Bodhi seed," Qin Yu asked curiously.

"In the Gu family, of course," Saintess Gu said with a smile.

"The Gu family?" Qin Yu frowned instantly.

Once this thing entered the Gu family, Saintess Gu would turn against him, and there was nothing Qin Yu could do.

Moreover, if it was planted in the Gu family, how would Qin Yu raise it?

Saintess Gu chuckled. She seemed to have noticed Qin Yu's confusion and said, "What the Gu family has is much more than you can imagine. Furthermore, I'm living alone in one of the Gu family's Mystic Realms. So there's no need to worry about the interference of the Gu family."

Qin Yu was shocked. He looked at Saintess Gu in surprise and said, "You mean to plant this Bodhi ancient tree in the Mystic Realm you're in?"

"That's right," Saintess Gu nodded.

Qin Yu said half-jokingly and half-seriously, "Saintess Gu, aren't you afraid I'll do something to you?"

"No, I'm not," Saintess Gu shook her head.

This made Qin Yu speechless. He thought for a moment, nodded, and said, "Alright. We'll do as you say!"

Saintess Gu didn't say anything else. She kept the Bodhi gem and the other treasures in the Spatial Magic Artifact.

"Next, I need Mr. Qin to lead the way out of the sanctum," Saintess Gu said.

"Of course, no problem," Qin Yu nodded and said.

Therefore, Qin Yu walked out of the sanctum with Saintess Gu based on his memory.

The two spent a long time and finally left the sanctum without danger.

Outside the sanctum was still packed with people. They looked at the sanctum as if they wanted to see what kind of treasures would come out of it.

However, when they saw Qin Yu and Saintess Gu walking out together, their faces turned very ugly.

"It's that kid again! He actually walked out with Saintess Gu!"

"What role is this kid playing? And what is his relationship with Saintess Gu?"

"I'm afraid this person has an extraordinary background. Otherwise, how could he gain the favor of Saintess Gu? "

"Could he be a Holy Son of some aristocratic family that has not disclosed himself? I saw him challenging Yan Yunfan!"

Hearing the crowd's discussion, Qin Yu was too lazy to explain.

He looked at Saintess Gu and said, "Saintess Gu, I'm afraid there's one more thing I need your help with."

Saintess Gu nodded slightly, signaling Qin Yu to continue.

Qin Yu hesitated for a long time, then finally smiled bitterly. "I wonder if Saintess Gu has any way to let me enter the Yan family..."

This was the Gu family's territory, and only the Gu family, Yan family, and Si family of the nine great aristocratic families had come here. This was enough to show that the Gu family and the Yan family had a good relationship.

Saintess Gu looked at Qin Yu in surprise and said, "Go to the Yan family? Why do you want to go to the Yan family?"

"It's a long story," Qin Yu sighed slightly. Of course, he could not tell her the truth.

"Perhaps you should look for Yan Yunfan regarding this matter. After all, he's the Holy Son of the Yan family. He has more say than I do," Saintess Gu said with a smile.

Upon hearing this, Qin Yu bowed slightly and said, "I've troubled Saintess Gu."

To see Yan Yunfan? With Yan Yunfan's character, how could he possibly agree?

Just as Qin Yu turned around and was about to leave, Saintess Gu said, "Mr. Qin, you and I share the Bodhi gem. Don't you want to go to the Mystic Realm of the Gu family to take a look?"

Qin Yu stopped in his tracks. He turned around to look at Saintess Gu and mumbled, "It seems reasonable."

Since Saintess Gu occupied a Mystic Realm all by herself, he didn't have to worry about the Gu family suspecting anything.

Just as the two were talking, the man with the mustache seemed unable to hold back anymore.

He covered his face and ran out from the dark.

"Qin Yu, don't forget the agreement between us." The man with the mustache reminded him.

He had a secret technique to cover his face, so he was not afraid of Saintess discovering his identity. Little did he know that Saintess Gu had already known his identity.

Just as the man with the mustache was asking Qin Yu for the treasure, a killing intent came quietly. The smile of the Saintess was filled with cold killing intent.

"Eh? What's going on? Why did the temperature suddenly drop?" the man with the mustache shrunk his neck and muttered softly.

“Man with the mustache, I’ve been looking for you.” At this moment, the man with the mustache heard Saintess Gu’s voice.

The man with the mustache’s face changed. He instantly felt something not right and turned to escape!

However, Saintess Gu had already sealed the surrounding space. No matter how powerful one was, one could not escape!

“Qin Yu, f\*ck you!” the man with the mustache was so angry that he couldn’t help cursing.

Qin Yu hurriedly stood in front of Saintess Gu, cupped his hands, and said, “ Saintess Gu, I don’t know what misunderstanding the two of you have. But...”

...

However, before Qin Yu could finish his sentence, he was forced back by Saintess Gu with a wave of her hand!

She stretched out her palm, and 38,000 silver needles appeared in the void. Each silver needle could pierce through the void and had unlimited power!

“Saintess... Saintess Gu, please listen to my explanation. It’s a misunderstanding. It’s all a misunderstanding...” the man with the mustache smiled embarrassedly and said.

However, Saintess Gu refused to listen to his nonsense. She waved her hand, and the 38,000 silver needles flew in the direction of the man with the mustache!

The terrifying power turned everything in the surroundings into dust, and the void was instantly riddled with holes!

Qin Yu’s expression changed drastically. He immediately took a step forward, wanting to block in front of the man with the mustache. Unfortunately, it was too late. The silver needle was too fast!

Just as the silver needle was about to pierce through the man with the mustache, his figure suddenly disappeared into thin air!

“Qin Yu, f\*ck you!”

The man with the mustache’s curses came from all directions, but his figure had long disappeared without a trace.

Sainess Gu didn’t seem to be surprised by the outcome. She just snorted.

"D\*mn it! I was scared to death," Qin Yu patted his chest, feeling the lingering fear.

...

He opened his mouth and was about to speak when a few sorry figures shot out from the sanctum.
