

Small Farmer Medical God

#Chapter 1: The Treasure in the Water - Read Small Farmer Medical God Chapter 1: The Treasure in the Water

"She really is the most beautiful woman in the village, such a good figure!"

In the verdant reed marsh, Hu Xiaobei, dressed in a short-sleeved shirt, was stealthily glancing at the beauty washing clothes by the riverbank...

Xiaobei was nineteen years old this year and grew up in Xiaohe Village.

At this moment, Hu Xiaobei was peeping at Xiaohe Village's number one beauty, Guo Meiyu...

Although Guo Meiyu was in her thirties, she maintained an excellent figure, which was why, in private, she was known as Xiaohe Village's number one beauty!

"That butt..."

Hu Xiaobei couldn't help but widen his eyes as he admired...

The reason for his excitement was that he saw her pull a deep purple bra from the basin...

"Now this is a sight to see!"

As Hu Xiaobei grew excited, he guiltily shrank his head back, since he noticed Guo Meiyu looking around; clearly, she didn't want anyone to see her washing them.

Guilty!

Even though he knew he couldn't possibly be seen from this spot, when Guo Meiyu looked in his direction, Hu Xiaobei subconsciously lowered his head...

Two minutes later, Hu Xiaobei lifted his head again, and at that time, he saw Guo Meiyu starting to wash...

Just then, a carp weighing about seven or eight jin leaped out of the water swiftly...

Taken aback by this unexpected scene, Guo Meiyu, in shock, cast the bra she was holding right out of her hands!

In an instant, it was carried downstream by the river!

"This..."

Watching it drift farther away, Guo Meiyu, who had come back to her senses, immediately panicked...

Thinking she had to retrieve it at all costs, Guo Meiyu rolled up her trousers and was preparing to get into the water...

Seeing this, Hu Xiaobei's eyelids twitched, and then he quickly ran out from his hiding place...

"Sister-in-law, don't..."

"Hmm?"

Guo Meiyu, about to enter the water, turned quickly upon hearing someone calling her, "Xiaobei?"

Seeing that Guo Meiyu recognized him, Hu Xiaobei hurriedly said, "Sister-in-law, there are undercurrents in the river, you absolutely mustn't go in!"

From a young age, Hu Xiaobei often bathed in this river, so he knew that even though the river seemed calm on the surface, it was actually very deep, and rip currents flowed underneath; those unfamiliar with it could easily be at a disadvantage!

"It's okay, I can swim!"

After swiftly saying this, Guo Meiyu stepped into the water...

Hu Xiaobei knew that Guo Meiyu was so eager now because she wanted to quickly retrieve the bra that had been washed away...

Watching the water slowly rise above her waist, Hu Xiaobei was on high alert...

Guo Meiyu was very tense at this point because although she could swim, she was not good at it!

Soon, she breathed a sigh of relief because the river seemed not to be deepening!

"Thank goodness!"

She quickly reached out and grabbed the slowly sinking bra...

Firmly holding it in her hand, Guo Meiyu turned to head back, and only then did she realize the problem—it was very difficult to walk against the current...

Somewhat panicked, she struggled to take a couple of steps forward, and just then, Guo Meiyu suddenly felt a surge of icy water hit her!

Rip current!

Realizing it was a rip current, Guo Meiyu became nervous and, in that moment, she lost her footing and fell...

"Sister-in-law!"

Seeing that Guo Meiyu had fallen, Hu Xiaobei didn't hesitate to dive into the water!

Very quickly, Hu Xiaobei's face looked extremely troubled because he saw Guo Meiyu being swept towards the middle of the river!

Hu Xiaobei knew that many people had illegally sand-mined the river in the past, making it even deeper...

Without hesitation, Hu Xiaobei quickly swam towards Guo Meiyu!

Because he was going with the current, Hu Xiaobei approached quickly...

After grabbing Guo Meiyu's hand, Hu Xiaobei quickly reassured her, "Sister-in-law, don't panic! Please don't panic!"

Hu Xiaobei knew that the most important thing after falling into the water was to stay calm...

Guo Meiyu, grasped by Hu Xiaobei, had just stabilized her body when she felt something wrong with herself, "Xiaobei, my... I've got a cramp!"

Hearing Guo Meiyu say she had a cramp, Hu Xiaobei's face slightly changed!

Because Hu Xiaobei knew that getting a cramp in the water was really dangerous!

Of course, Hu Xiaobei didn't show his panic, but calmly soothed her, "Yes, I know, sister-in-law, don't be afraid, really don't be afraid! Everything will be okay with me here!"

After saying that, Hu Xiaobei clenched her hand even tighter!

After fully securing her body, Hu Xiaobei hysterically yelled for help!

Hu Xiaobei knew that there might be people working in the fields at this time, so as long as he called someone, they would be saved...

After frantically shouting a few times, Hu Xiaobei received no response!

Feeling a sinking heart, Hu Xiaobei glanced at Guo Meiyu, whose face had turned pale, then said again, "Sister-in-law, it's okay! We can't get back now, but it's alright! Someone will definitely come soon!"

Hu Xiaobei had been swimming in the water since he was a child, so he was a good swimmer, but even so, Hu Xiaobei was now unable to drag Guo Meiyu, who had cramped in her legs, to the shore, so at the moment, Hu Xiaobei could only maintain their position to avoid drifting deeper...

...

"Xiaobei? What's happened to you guys?"

Upon hearing someone calling out, Hu Xiaobei's eyes lit up!

The next moment, Hu Xiaobei turned his head and saw several aunts from behind the village running towards them!

Without hesitating, Hu Xiaobei loudly said, "Aunts, we fell into the water, can you find something to pull us up with?"

"We have a rope!"

"Then throw the rope over here!"

"Okay!"

And just like that, they quickly threw over the rope!

After some effort, Hu Xiaobei grabbed the rope and said, "Sister-in-law, we..."

He couldn't finish, because at that moment, Guo Meiyu had already passed out!

"We can't delay any longer, absolutely can't delay!"

Thinking this, Hu Xiaobei quickly tied the rope around Guo Meiyu's waist, and after securing it, Hu Xiaobei said, "Aunts, please help us out!"

"Okay!"

They agreed, and began to pull hard...

Watching Guo Meiyu being pulled up bit by bit, Hu Xiaobei sighed in relief!

After that, Hu Xiaobei prepared to swim to the shore, but then he saw the brassiere belonging to Guo Meiyu falling out of her hands!

Watching it quickly sink to the bottom, Hu Xiaobei didn't hesitate and plunged straight to the riverbed!

In Hu Xiaobei's eyes, since Guo Meiyu had dared to go into the river for it before, it meant she valued it greatly...

So now he had to retrieve it no matter what...

...

"It's so dark!"

After reaching underwater, Hu Xiaobei found it was really dark down there!

Of course, even though he couldn't see very far, Hu Xiaobei still saw the brassiere slowly sinking down!

Without hesitating, Hu Xiaobei grabbed it in his hand...

After catching it, Hu Xiaobei wanted to quickly leave the place, but suddenly he saw something glowing deeply beneath the water...

"Could it be some kind of treasure?"

Looking at the shimmering light, Hu Xiaobei suddenly felt tempted!

Before, Hu Xiaobei had heard that the sand dredging boats here often dug up a lot of gold and such!

"Could it be that my big break is coming now?"

Thinking this, Hu Xiaobei quickly dived deeper, and soon, amidst the green aquatic plants, he saw a deep white pearl!

The pearl was only the size of an eyeball but emitted a captivating glow!

The moment Hu Xiaobei saw it, he really wanted to take it in his hand!

But just as he touched it, Hu Xiaobei was stunned, because it disappeared right into the palm of his hand...
