

Small Farmer Medical God #Chapter 14: Kicked Flying - Read Small Farmer Medical God Chapter 14: Kicked Flying

Dagui!

The reason Hu Xiaobei's face looked extremely awful was because he saw Wang Dagui shamelessly knocking on Guo Meiyu's wooden door!

Knowing that this guy knocking at late night definitely meant no good, Hu Xiaobei wanted to rush over and beat him up, but after thinking it through, Hu Xiaobei gave up!

Hu Xiaobei knew that if he confronted him now and chased him away, he would still come back later, so it was better to quietly wait for a good opportunity to completely teach him a lesson...

As Hu Xiaobei was thinking this, Guo Meiyu's somewhat alert voice came from behind the door!

"Who is it?"

Hearing Guo Meiyu's inquiry, Wang Dagui, who had slightly adjusted his clothes, quickly said, "It's me, Wang Dagui!"

"Village chief, it's so late, what do you want?"

Feeling that Guo Meiyu had no intention of opening the door, Wang Dagui urged, "Just open the door!"

"It's quite late, it's not appropriate, whatever you have to say can be said from outside!"

"What? Do you think I'm not a good person?"

"This..."

In the yard, Guo Meiyu really wanted to say yes, but she knew that would absolutely offend Wang Dagui...

"Hurry up and open the door!"

"!..."

Feeling that Guo Meiyu was still hesitating, Wang Dagui impatiently said, "I'm telling you, this time, I am here to talk about the debt issue between you and Sun Meng. You

better hurry up and open the door, otherwise, when Sun Meng comes to collect the debt again, I won't help you!"

Having said this, the pot-bellied Wang Dagui quietly waited!

In his mind, he had now thrown out the bait, and Guo Meiyu would definitely take it!

Just as he was feeling quite smug about it, he heard the sound of the door latch being moved, and instantly, Wang Dagui smiled...

A long time ago, Wang Dagui had taken a liking to Guo Meiyu, and for that reason, he had wanted to completely possess Guo Meiyu!

In his view, now was a great opportunity to possess Guo Meiyu...

Because she was being threatened...

At that moment, Wang Dagui saw the door open, and instantly, his eyes lit up...

His eyes lit up because he noticed that Guo Meiyu seemed to have just taken a bath...

"It smells so good!"

Seeing Guo Meiyu's cheeks flushed, Wang Dagui felt his whole body becoming restless...

Noticing Wang Dagui's greedy look, Guo Meiyu subconsciously took two steps back and quickly said, "Village chief, what did you previously say you wanted to talk about?"

Hearing her alert opening, Wang Dagui quickly came back to his senses!

He knew he had been too direct just now, causing her to feel fearful!

After a slight cough, Wang Dagui spoke, "Previously, didn't you owe Sun Meng money? I'll pay it back for you!"

"Really?"

"Of course, I won't deceive you! However, I have a condition!"

"What condition?"

"That you follow me from now on! Don't worry, I will never treat you poorly. What do you think?"

"You...You're dreaming!"

Guo Meiyu was extremely angry!

At that moment, she finally realized that a dog truly couldn't change its habit of eating shit!

Being directly rejected by Guo Meiyu, Wang Dagui was displeased, "What? You don't agree? I must tell you, people like Sun Meng are not easy to deal with, and if you don't pay up, they will directly sell you to some remote valley, so you really need to think carefully!"

"I don't need to think, I will not agree! Give up on that idea!"

While speaking, Guo Meiyu directly closed the door!

When one refuses good advice, they must be ready for the consequences!

Seeing Guo Meiyu slam the door shut, Wang Dagui was instantly infuriated!

He hissed furiously and rushed towards Guo Meiyu. In his view, since the soft approach had failed, it was time for the hard approach—he was determined to achieve his goal today no matter what!

"Motherfucker!"

Seeing Wang Dagui charging towards her, Hu Xiaobei let out a low growl!

Earlier, Hu Xiaobei had hidden here, planning to see what was really in Wang Dagui's "medicine basket." Now, Hu Xiaobei knew—he was completely reckless!

Without hesitating, Hu Xiaobei swiftly sprang into action!

Meanwhile, Guo Meiyu was totally taken aback by the rushing Wang Dagui...

Although she had known before that Wang Dagui was not a good person, she had never imagined he would be so bold!

"Heh heh, I will definitely treat you well!"

Seeing Guo Meiyu scared into a stupefied state by him, he chuckled sinisterly...

Actually, under normal circumstances, even Wang Dagui wouldn't dare to be so bold. But it was night, and mainly because Guo Meiyu had just taken a shower, which made her look more appealing than usual, Wang Dagui simply couldn't restrain himself!

...

"Sister-in-law, be careful, there's a bear out there!"

Hu Xiaobei!

Hearing someone shouting, Guo Meiyu instinctively looked over, and when she saw it was Hu Xiaobei, she breathed a sigh of relief.

"Bear?"

Wang Dagui, hearing about a bear, was instantly startled!

The next moment, Wang Dagui quickly turned around, only to see a foot getting larger and larger!

Before he could react, he felt like he had been struck by a car...

Bang!

With a deep thud, Wang Dagui was sent flying seven or eight meters...

Ignoring the 'bear' that had been kicked away, Hu Xiaobei hastily asked, "Sister-in-law, are you all right? Did that bear hurt you?"

"Bear... No, it was just..."

Guo Meiyu hadn't finished speaking when she didn't know what else to say!

At this point, Wang Dagui shakily got up from the ground, feeling as if he had just been hit by a truck...

"This... Hu Xiaobei... you..."

After shaking his dizzy head with a resentful look, he turned to Hu Xiaobei!

He thoroughly loathed Hu Xiaobei now, as he realized that half of his face was swollen from the kick!

"Ah, it's you, village chief, I thought it was a black bear just now! What are you doing here so late at night?"

"You..."

Hearing Hu Xiaobei say this, Wang Dagui's mouth twitched slightly!

The next moment, he said coldly, "I am here for my reasons, but what about you? What are you doing here?"

"I had borrowed the medicine basket from sister-in-law, and I've come to return it! I'm sorry, I really didn't notice it was you! I saw something charging at sister-in-law, and I thought it was a bear! By the way, should I find someone to check on you?"

"It's just a small issue, I can handle it myself!"

Hearing Hu Xiaobei considering calling for help, Wang Dagui's eyelid twitched!

He knew he absolutely couldn't let anyone see him in this pathetic state, otherwise everyone would understand exactly what had happened...

It was precisely for this reason that Wang Dagui realized he had truly suffered a setback this time.

Rejected by Wang Dagui, Hu Xiaobei smiled innocently and said, "Well then, have a safe journey, village chief!"

"Right!"

After nodding expressionlessly, Wang Dagui limped away from the scene!

After he had gone far, Hu Xiaobei turned to look at Guo Meiyu, about to say something; but before he could open his mouth, Hu Xiaobei suddenly felt a warm fragrance embrace him...
