"How fragrant!"

Subconsciously embracing Guo Meiyu who threw herself into his arms, Hu Xiaobei smelled the faint fragrance that wafted from her!

"Xiaobei, thank you so much. If it weren't for you just now, Sister-in-law would have really been in a terrible situation!"

After catching her breath with some residual fear, Guo Meiyu spoke with immense gratitude!

Guo Meiyu was truly grateful to Hu Xiaobei, because she knew that if Hu Xiaobei hadn't arrived in time, her fate would have been utterly dismal, as Wang Dagui was capable of doing anything!

"Sister-in-law, there's no need to be so formal with me!"

Feeling Guo Meiyu's residual fear, Hu Xiaobei spoke while gently patting her back!

At this moment, Hu Xiaobei had recovered from his initial daze, so he vividly felt the warmth emanating from Guo Meiyu's body...

That sensation caused a slight surge of lust to slowly rise from his abdomen!

Trouble!

As the lust surged rapidly, Hu Xiaobei's eyelids suddenly twitched violently...

He was so nervous because he knew Guo Meiyu could probably feel the changes in his body!

Indeed, at the moment his body reacted, she had clearly felt it...

"You little rascal!"

After muttering shyly in a soft voice, Guo Meiyu gently pushed Hu Xiaobei!

Subconsciously taking a step back, Hu Xiaobei hurriedly whispered, "Sister-in-law, I..."

Hearing that Hu Xiaobei was about to explain, Guo Meiyu chuckled, then quickly waved her hand, "Alright, let's not talk about that! Did you sell all the medicinal herbs we gathered from the mountain?"

"Yes, we sold them all!"

As they talked, Hu Xiaobei quickly turned around, and swiftly took out a black bag from the medicine basket!

Waving it in his hand, Hu Xiaobei quickly said, "Here, Sister-in-law, this is all the money. Oh, I bought a water pump earlier, so I spent a part of it!"

"You..."

Seeing Hu Xiaobei handing over all the money, Guo Meiyu was flabbergasted...

In that moment, Guo Meiyu truly felt warmth in her heart!

Taking a gentle breath, Guo Meiyu softly said, "Sister-in-law doesn't want it, all these medicinal herbs were found by you, so I won't take any!"

After being rejected, Hu Xiaobei paused slightly, "Sister-in-law, didn't we agree on this before?"

"But I really can't take it!"

Feeling the decisiveness in Guo Meiyu's words, Hu Xiaobei hesitated slightly, and quickly took out ten thousand yuan from the bag, "Sister-in-law, I know you actually don't owe those scoundrels any money, but they are clearly clinging to you now, so you still have to pay them back. Here's ten thousand, I'll cover it for you, that should be okay, right?"

"This..."

"Sister-in-law, if you don't take this ten thousand, it'd be really too awkward!"

"Well... alright! I'll take it!"

"That's more like it!"

Seeing Guo Meiyu accept the money, Hu Xiaobei smiled...

"This way, once Sister-in-law has money, you must pay me back!"

"Okay! I'll wait!"

"Alright, now let's go inside, Sister-in-law, and tell me about selling the medicinal herbs today! Sister-in-law wants to hear!"

"Right away!"

So, Hu Xiaobei and Guo Meiyu walked one after the other into the house!

On the other side, Wang Dagui had already left this place!

At this moment, he bitterly touched his own face...

"Hu Xiaobei, sooner or later, I will completely kill you! Guo Meiyu, I will absolutely not let you go either!"

After saying this with immense bitterness, Wang Dagui fiercely kicked a clump of dirt on the ground...

After that, leaning against the wall, Wang Dagui quickly took out his cellphone from his pocket...

After opening the contacts and finding Sun Meng's number, Wang Dagui sneered, and soon, he directly dialed the number!

Soon, Wang Dagui heard a cheerful response from the receiver, "Village Chief Wang, you finally remembered this little brother, ah. Last time you told me to threaten Guo Meiyu, I did as you said, and it really was effective!"

"Right! Guo Meiyu is just a widow, it's naturally simple to deal with her! By the way, come and threaten Guo Meiyu for the money again tomorrow!"

"Tomorrow? But I initially gave Guo Meiyu a week's time, and tomorrow isn't up yet!"

"What's there to worry about! Whether it's a week or a year, Guo Meiyu won't be able to gather the money anyway!"

"That's true!"

"Right, after you come tomorrow, that Hu Xiaobei who interfered with you last time will definitely obstruct you again, make sure to teach him a good lesson, understand?"

"It seems like the village chief and Hu Xiaobei have a grudge! Alright! This matter's easy to handle! I guarantee I'll do it well for you!"

"Right! Then it's settled!"

After hanging up the phone, Wang Dagui sneered bitterly, and then he coldly said, "I really hope tomorrow comes quickly!"

After saying this, Wang Dagui hummed a tune and happily went home...

...

Inside the house, when Hu Xiaobei saw Guo Meiyu start to get busy, he spoke up, "Sister-in-law, I really have eaten already! You don't need to fuss!"

Upon hearing Hu Xiaobei's words, Guo Meiyu slightly pouted her lips and whispered softly, "Why? Do you despise my cooking?"

"Not at all, how could I! It's just that I really have eaten already!"

"You've already eaten, so just eat a little less! I just bought some cucumbers at the market today, I'll just make a cold dish, and we can eat it directly!"

"Well... okay then!"

Knowing that it was no use being polite any further, Hu Xiaobei then readily agreed!

"That's more like it!"

After a smile, Guo Meiyu quickly started washing the cucumbers!

Watching Guo Meiyu's serious demeanor, Hu Xiaobei couldn't help but be a bit infatuated...

Ever since he was a child, Hu Xiaobei had always thought Guo Meiyu was beautiful, but now seeing her, she wasn't just beautiful but also virtuous!

"It would really be great if I could marry her!"

While he was thinking this, Hu Xiaobei heard a cry of alarm...

Snapping back to reality quickly, Hu Xiaobei saw Guo Meiyu covering her finger in pain...

"What's wrong, sister-in-law?"

Just like a spring-loaded device, Hu Xiaobei quickly sprang up and anxiously asked!

Seeing the tense look on Hu Xiaobei's face, Guo Meiyu laughed, and the next moment, she said, "It's nothing, just accidentally scraped off a bit of skin!"

"Really, you're an adult! Be more careful!"

While tenderly chiding her, Hu Xiaobei naturally took her hand, and just like that, before she could react, Hu Xiaobei had already put her scraped finger into his mouth...
