

Small Farmer Medical God #Chapter 4: The Rascal Ruffian - Read Small Farmer Medical God Chapter 4: The Rascal Ruffian

This feeling is too wonderful!

The moment their lips touched, Hu Xiaobei's entire body bristled with goosebumps!

There's no helping it; the sensation truly is indescribable!

"What an innocent little fool..."

Feeling only a touch on her lips from Hu Xiaobei, Su Xueying murmured inwardly, and the next second, she bashfully squinted her eyes, and then shyly returned the gesture...

How fishy...

As she placed the medicinal herbs in her mouth, Su Xueying frowned slightly!

In that instant, Su Xueying really wanted to spit them all out, but before she could act, she clearly felt a slight improvement in her body!

Knowing they were truly helpful, Su Xueying continued to endure the fishy taste, and at the same time, she began to admire Hu Xiaobei!

Previously, Su Xueying thought Hu Xiaobei was just an average person, but now she knew that wasn't the case because an average person could never have found the antidote so quickly...

"Sister-in-law, how do you feel now?"

Half an hour later, Hu Xiaobei saw that Su Xueying's complexion was getting better and asked in a low voice!

"Yes! I really feel much better, thank you!"

As she spoke, Su Xueying felt very shy because she really didn't know how to face Hu Xiaobei now!

Sensing Su Xueying's embarrassment, Hu Xiaobei said, "Sister-in-law, there's no need for courtesy with me. Right, there might still be some toxins left in your body, so tonight, I'll need to take another look at you!"

"Yes! I understand, I'll head back first!"

"Okay!"

Watching Su Xueying walk away, Hu Xiaobei quietly sighed!

Hu Xiaobei's Xiaohe Village used to be a very nice place.

However, a few years ago, during the dredging of the river channel, there was a terrifying mudslide, and most of the village's youths were swept away! Since then, Xiaohe Village had become known far and wide as Widow Village!

Su Xueying's man had also perished in the mudslide, so life now was very hard for her!

"I hope I can change the situation in the village!"

Having sighed to himself, Hu Xiaobei prepared to head home. After returning to the village, Hu Xiaobei heard icy mockery...

"What? Proud of not paying off debts?"

"Who owes debts, be clear! I never borrowed money from you!"

It was Guo Meiyu's voice!

Thinking this, Hu Xiaobei quickly walked forward!

After passing an alleyway, Hu Xiaobei's expression darkened, because at that moment he saw seven or eight people standing under a tree ahead, and opposite them was the very same Guo Meiyu he had rescued from the river before!

"Hey, starting to deny debts? Today your words are useless, unless you pay me ten thousand yuan, otherwise, I will not let this go!"

"Bullying too much!"

"Indeed!"

"Ahh..."

At this moment, many women gathered around silently sighed!

They all knew that this rascal's mention of ten thousand yuan was completely fictitious; he was just trying to tarnish Guo Meiyu's reputation!

He had liked Guo Meiyu for more than a day or two, but since Guo Meiyu had never agreed to him, his fury turned to harassment, and now he was outright causing trouble!

"Sun Meng!"

Looking at the arrogant man clutching a cigarette, Hu Xiaobei clenched his fists tightly!

Hu Xiaobei knew that this Sun Meng was a ruffian from the neighboring Sun Family Village, who never did anything proper and just liked to show off everywhere!

Before, Sun Meng had seen Guo Meiyu at the market and, finding her beautiful, had always wanted to find an opportunity to pursue her. But since Guo Meiyu had never given him attention, his frustration turned to disgraceful tactics!

"You... you bastards!"

Guo Meiyu was so angry that she trembled all over!

Watching Guo Meiyu shake with anger, Sun Meng greedily observed her from head to toe and then eagerly said, "Bastard? Heh, I like that name! Okay, since you can't repay the money, come back with me and make it up to me properly!"

Having said that, Sun Meng looked at his underlings and urged impatiently, "Grab Guo Meiyu for me! Do a nice job, and you'll get your reward later!"

"Yes!"

After quickly agreeing, Sun Meng's henchmen smirked coldly and directly encircled Guo Meiyu!

Despair!

Seeing Sun Meng's henchmen block all her escape routes, Guo Meiyu fell into complete despair!

Guo Meiyu knew all too well that once she was really caught by them, she would be utterly doomed.

Seeing Guo Meiyu pale as death, Sun Meng chuckled and said, "Don't worry, once I feel you've compensated enough, I'll send you back! So, don't take it too hard!"

"You... you beast!"

After hurling such a word of despair, Guo Meiyu helplessly collapsed to the ground...

At this moment, she knew she could only resign herself to fate...

...

"No, we absolutely cannot let sister-in-law be taken away!"

Thinking this, Hu Xiaobei grabbed a hoe and hysterically rushed out!

Seeing Hu Xiaobei running over like a madman, Sun Meng's henchmen were startled!

The soft ones are afraid of the hard ones; the hard ones fear those who don't care about their own lives!

Hu Xiaobei now appeared so reckless that it sent chills through their entire bodies.

"Who are you? Are you seeking death?"

Sun Meng looked ugly at this time...

In his view, he was about to succeed...

But now, a Chen Yaojin appeared out of nowhere!

"I am your Master Hu, today, whoever dares to take a step forward, I'll beat him to death; if worse comes to worst, we'll just trade life for life!"

"You..."

A twitch formed at the corner of Sun Meng's mouth...

At this moment, he was truly intimidated by Hu Xiaobei's aura!

He looked at his henchmen and saw they were too frightened to move; he then knew that today there would be no opportunity to continue.

Thinking this, he gave Guo Meiyu, who was protected behind Hu Xiaobei, a hate-filled sneer and said, "Guo Meiyu, since someone is helping you today, I'll give you another week. If you still can't pay back my money after a week, I really won't give you another chance!"

After saying this coldly, Sun Meng sneered and said, "Let's go!"

"Yes!"

Those henchmen, who were already trembling in fear because of Hu Xiaobei, quickly nodded after hearing Sun Meng's words and soon all of them fled in disarray...

...

"Xiaobei, well done!"

"Yeah, Xiaobei!"

"Fantastic!"

After watching Sun Meng and his people leave in a sorry state, the women all started to speak up!

At this moment, they were truly happy, for the village finally had a man who could stand up for them!

Hearing the women's praise, Hu Xiaobei smiled.

Hu Xiaobei actually knew that although he had stepped in to drive the scoundrels away, in reality, this was just a temporary relief to the problem, and these scoundrels certainly wouldn't let it go so easily!

"Only if we show them what we're made of, will they stay honest in the future!"

Thinking this, Hu Xiaobei looked towards Guo Meiyu and said, "Sister-in-law, are you all right?"

After glancing at Hu Xiaobei, Guo Meiyu sighed, "Xiaobei, thank you. If it weren't for you today, I really don't know what would have happened!"

"No need to be formal with me, sister-in-law, shall I walk you home?"

"No need, I can make it home on my own!"

Watching Guo Meiyu walk away forlornly, Hu Xiaobei silently sighed!

Hu Xiaobei knew that only by completely solving the problem could Guo Meiyu truly start to feel happy again!

"I have to think of a good plan!"

As Hu Xiaobei was thinking this, Sun Meng and the others were gathered at the entrance of Xiaohe Village...
