Chapter 107: Stream Title Updated

Adam picked up Stacey in a princess carry again making her yelp once more before he ran and leapt over the tower roof's edge.

[Beczontop (Terrana 5): GOD DAMN IT, JUST LEAVE THAT BITCH BEHIND.]

[OfficialRowena (Felinia 4): I would rather he didn't abandon my granddaughter thank you.]

"Jealous much." Stacey said to the chat as she knew they would still be watching as Adam descended towards the ground at a fairly rapid pace while Stacey tightly held onto him.

As he neared the ground he slowed his descent before he touched down next to the hover bike.

As Adam put Stacey down carefully he deactivated his anti-gravity drive before taking the bag off his back and handing it to Stacey who quickly put it on her own back.

Adam climbed onto the hover bike with Stacey quickly climbing on behind him before she wrapped her arms around him again and pressed her breasts into his back as he activated the bike and turned the accelerator causing them to speed off.

[Beczontop (Terrana 5): 😏😏😏What the hell, that should be me.]

[Handsome3horns (Vinox 2): Give it up girl, you can't do anything unless you meet him.]

[Beczontop (Terrana 5): You're right, why didn't I think of it earlier. I'm taking my vacation time early and heading for Trillion. Tess you're coming with me, what about you Lorelie?]

[Tessisdabest (Terrana 5): You can't be serious.]

[OfficialLorelie (Terrana 5): ...]

[Beczontop (Terrana 5): I'm dead serious.]

[Tessisdabest (Terrana 5): Lorelie can't just drop everything and leave, she is still in negotiations with Royal Entertainment, also she has to perform at the Imperial Families special event in a couple of days.]

[Beczontop (Terrana 5): Fine then we're leaving as soon as the event ends, she doesn't have to negotiate in person, she can do it long distance like before. It's decided.]

[OfficialRowena (Felinia 4): You have found yourself some interesting new friends Lorelie.]

[OfficialLorelie (Terrana 5): Tell me about it.]

[Thewhitesoverign (Devatov 7): Diva Lorelie is performing for the Terran Imperial family? Is it a special event or something?]

[Tessisdabest (Terrana 5): It's to mark the 25th anniversary of his imperial majesty the emperor's ascension to the throne.]

[Whostolemyduck (Earth): So it's basically a silver jubilee, that's what we call the 25th anniversary celebration of a monarch's rule.]

[Tessisdabest (Terrana 5): Then yes it's exactly that, what an interesting name.]

[Thewhitesoverign (Devatov 7): Aww I kinda wish I could go too, I would love to see Diva Lorelie perform and I bet there would be all sorts of celebrations happening.]

[Tessisdabest (Terrana 5): I'm sure the imperial family would have sent you an invite and been honored to have you present at the event if they had known how you felt. However because you have never appeared in public I guess they thought it was inappropriate.]

Thewhitesoverign (Devatov 7): It's not my fault, I wanted to go out and explore but my family never allowed it and instead I have been cooped up in this stupid castle.]

[Beczontop (Terrana 5): If you really want to come I will inform my parents who can let the Imperial Family know. We can be your chaperone while you're here.]

[Thewhitesoverign (Devatov 7): REALLY! Oh well if that's the case, I will head there straight away. 😊]

[Tessisdabest (Terrana 5): Pardon?]

[DeverinianLordMalacoss (Deverinian 9): ...]

[Thewhitesoverign (Devatov 7): I can easily reach Terrana 5 in two days if I fly there.]

[DeverinianLordMalacoss (Deverinian 9): Are you sure that's appropriate Tephe? I'm not sure your mother would approve.]

[Thewhitesoverign (Devatov 7): Hmph, I'm fed up with being cooped up in this castle all the time, I haven't been allowed to leave Devatov 7 in hundreds of years and the last time was only because of my great great grandfather's millionth birthday or something.]

[Noobkiller9000 (Earth): Wait a million, did she say her great great grandfather's a million years old? 🤔]

[Forever1stCommenter (Earth): 🤔]

[Whostolemyduck (Earth): 🤔]

[Puntanghunter69 (Earth): 🤔]

[SciFifanboy (Earth): 🤔]

[1000yearsofdeath (Earth): 😊]

[Naruto\_shippuden\_6468 (Earth): 😊]

[Thewhitesoverign (Devatov 7): Anyway, it's settled, I will see you in two days.]

[DeverinianLordMalacoss (Deverinian 9): Wait Tephe.]

[Superior4horns (Vinox 3): I think she already left.]

[Whostolemyduck (Earth): What's going on? I thought you said dragons were solitary by nature, why does the dragon princess want to attend a celebration where thousands if not millions of people will be present?]

[DeverinianLordMalacoss (Deverinian 9): 😏⇒ It's because of her upbringing. Dragons in general are indeed solitary creatures, however Tephe is... special. Because of certain reasons she was kept away from the public eye until it was deemed she was strong enough to protect herself. I guess the lack of frequent interaction with people her own age and a normal upbringing has shifted her personality away from the norm.]

[AlamoMatador4thewin (Earth): I tell you this chat seems to attract all the crazies.]

[1000yearsofdeath (Earth): True, but it makes it more interesting. Kekeke.]

[OfficialRowena (Felinia 4): Hahaha this is amazing, maybe I should attend as well. It's been a long time since I visited the Terran homeworld.]

[Tessisdabest (Terrana 5): You're of course more than welcome to Diva Rowena.]

[OfficialRowena (Felinia 4): Good I shall set off immediately, I happen to be in on Felinia 4 in the Felidae Galaxy as I just wrapped up a photo shoot with the Catonian's. I should be able to make it with time to spare if I use the local jump gate here to get to the Oasis Galaxy, make sure to chaperone me as well. 😊]

[DeverinianLordMalacoss (Deverinian 9): You better inform the imperial family that I will be attending also. If I don't keep an eye on Tephe I will never hear the end of it from her family. 😏⇒]

[Handsome3horns (Vinox 2): What the hell is going on. This celebration is turning into some kind of meet for all the big shots of the universe.]

[Prestigious3horns (Vinox 2): Not all of them but I see what you are saying, it's definitely surprising.]

[Handsome3horns (Vinox 2): Surprising? It's crazy, when talking about two Diva's, a high ranking Deverinian who rules one of the most important planets in their galaxy and has the demon king's ear and they're not the biggest shock guests, the dragon princess is. She is someone who has never shown herself in public before and she does it at a Terran celebration. The press is going to go nuts when they hear about this.]

[adg (Indigo Station): How do you think the Sloarian's will react when they hear about this?]

[Werewolf1987 (Caniniar 4): Not well. They already dislike the Terran's and now the dragon princess is going to attend their celebration. I remember hearing that the dragon's declined an invite on her behalf to one of the Solarian royal family members' birthdays or something.]

While the chat had been discussing Tephe's whimsical choice to attend the Terran celebration Adam and Stacey had been flying along on the hover bike.

"Where are we going?" Stacey asked as she realized that they were not heading towards sector eight six six."

"The nearest sky tower." Adam replied with a smirk.

"Huh!" Stacey replied in surprise before she realised something and asked, "Is this to do with hacking the sky tower security data?"

"What better time to pay them a visit, they're all going to be too busy at the neutron reactor plant."

[[Missions Goal: Competed.]]

[[Stream Title Updated: Hack the Sky Tower Security data.]]

[[Mission Parameters: You have reached an agreement with the eighty sixers gang after introducing them to the concept of selling virtual porn. However because of a certain streamer who already streams sexual content from the eighty sixers brothel and is from a powerful family on Trillion that lives in the Sky Towers you can not go ahead with your idea until you successfully 'negotiate' with him.]]

[[Missions Goal: Hack into the Sky Tower Security data and find evidence you can use to 'negotiate' with the certain streamer.]]

[Noobkiller9000 (Earth): What the hell is this?]

[Puntanghunter69 (Earth): Wait wait wait wait wait, the streamer introduced the concept of porn to another world? MY MAN. 🤩]

[1000yearsofdeath (Earth): Oh the women are gonna just love this. Kekeke.]

[Gunlovergirl (Earth): ...]

[Superhearofangirl (Earth): ...]

[Celebrityhunter69 (Earth): ...]

[Prestigious3horns (Vinox 2): Err so judging by what the new stream description says, this porn is some sort of sexual content.]

[StealthAssassin9 (Earth): Putang explain.]

[Puntanghunter69 (Earth): On it. 😊]

Puntanghunter69 proceeded to explain to the non Earthlings what porn was, and the female viewers reposone.

[Superior4horns (Vinox 3): ...]

[Tessisdabest (Terrana 5): ...]

[Beczontop (Terrana 5): DON'T EVEN THINK ABOUT FUCKING ANY OF THOSE SLUTS.]

[Lizziethetruepower (Palaxia): ...]

[OfficialLorelie (Terrana 5): ...]

[OfficialRowena (Felinia 4): HAHAHAAAAH. Oh this is priceless. 🤔]

[DeverinianLordMalacoss (Deverinian 9): I'm just grateful Tephe isn't here to learn about this, 😏👉]

[MerceadAnderson (Palaxia): An interesting concept.]

[Lizziethetruepower (Palaxia): ...You just earned yourself another month on the sofa.]

[MerceadAnderson (Palaxia): 😏]
