Chapter 131: Brood Blood

[OfficialLorelie (Terrana 5): Sounds like your crew member wants you to accept my offer.]

“Going to Terran Five means probably meeting your grandmother,” Adam advised.

[OfficialRowena (Terrana 5): Hey, hey, why are you making that sound like a bad thing? I want to make up with my granddaughter.]

“I’m aware of that.” Stacey replied and thought for a moment before saying, “In fairness, my grandmother was one of the few who wasn’t prejudiced against me back on Darah Five.”

“Then why have you avoided her? You yourself admitted to being a fan of hers when we first met, since you wore one of her t-shirts.”

[OfficialRowena (Terrana 5): Aww, I’m so happy to hear that you're still my fan granddaughter. 😊👍]

“Because she was never there for me,” Stacey replied.

[OfficialRowena (Terrana 5): 😞]

“My grandmother was the kindest person to me when my grandfather, her husband, was still alive. However, after he passed, she decided she needed time away from the family and so focused on her modelling career and quickly became the top Diva in her field.”

“However, because of this, there was no one there to support me and stop those in the family from bullying me for being only a quarter Brood.”

“Surely you weren't the only part brood present?” Adam asked.

“I wasn’t, however I was the one who always received grandmother's attention most when she still lived with us, and being one of the most influential members of the family as well as a famous model made the other pure Brood’s jealous of me as they wanted her favour so that they could rise higher in the family.”

[OfficialRowena (Terrana 5): I am sorry, granddaughter, if I knew how much jealousy that they had for you, I would have taken you with me.]

“Eventually, it became too much since no one could stop the bullying, and so I ran away and eventually ended up on Trillion.”

“Did the family head or whoever led the family not try to stop it?”

“No, unlike the first family head who helped create the universal senate and believed in equality, the current head believes that the strongest should reign supreme and that pain makes us stronger.”

[Noobkiller9000 (Earth): Wait, what? Their ancestor created the universal senate?]

[DeverinianLordMalacoss (Terrana 5): Indeed. Their ancestor Kavita, along with her 12 lovers, was the first senator.]

[Puntanghunter69 (Earth): 12? OMG, that’s awesome.]

[Whostolemyduck (Earth): No wonder their family is so powerful.]

[Superhearofangirl (Earth): Still, the current family head sounds like a dick.]

[Superior4horns (Vinox 3): Agreed.]

[Celebrityhunter69 (Earth): Why hasn’t Diva Rowena done anything about it if she’s such a high member of the family?]

[OfficialRowena (Terrana 5): Because of the blood ruling.]

[Celebrityhunter69 (Earth): Pardon?]

[OfficialRowena (Terrana 5): Oh, right, you would never have heard of that. To a Brood, blood is special and I don't just mean in the fact that we feed off it to extend our lives, I mean our own blood is also special and it's what gives us some unique abilities.]

[OfficialRowena (Terrana 5): When a new head is chosen for a Brood family, they go through a ritual of sorts, which enhances their own blood, making it impossible for us to go against them directly. While we retain our free will to the extent that we can refuse orders and requests from the head if we so wish, we are incapable of challenging them for the position of head or attacking them alone. Only a previous family head whose blood has been 'enhanced' longer has that capability, and currently, the previous head, Kavita, is in eternal slumber.]

"Then what happens if a family head is making decisions that are leading a family to ruin?" Adam asked.

[OfficialRowena (Terrana 5): While an individual Brood is unable to challenge the head alone, it is possible if many Broods cooperate. Though rare, such situations as you describe have happened in the past with other Brood families; in those cases, the senior family members cooperated to forcefully remove the head and replace them.]

"Well, at least a family isn't stuck with a bad leader." Adam replied before asking, "So why has your family head not been replaced?"

[OfficialRowena (Terrana 5): Because he is not leading the family to ruin. While he is tough on the younger members of the family and does not step in to stop bullying, he has helped the family to grow and remain stable since he took over. Though many in the family, myself included, do not approve of this method, it has nevertheless strengthened the family in certain areas.]

[Noobkiller9000 (Earth): Wow, I guess organising a coup d'état would not be as easy as a Brood.]

[DeverinianLordMalacoss (Terrana 5): What's a coup d'état?]

[Noobkiller9000 (Earth): It's normally referenced when a military organisation or other government officials attempt to forcefully and illegally remove the current leadership. In this case, however, it would be where one or more family members forcefully attempt to remove the family head.]

[DeverinianLordMalacoss (Terrana 5): What an interesting term.]

[OfficialRowena (Terrana 5): Indeed. In answer to your statement, however, now a coup d'état, as you put it, is not something done simply, except of course if an older family head does it.]

“Is it possible to awaken this Kavita from eternal slumber?”

[OfficialRowena (Terrana 5): That is not something we discuss with outsiders.]

[Handsome3horns (Vinox 2): Ouch, shot down.]

[1000yearsofdeath (Earth): Basically she's saying go fuck yourself streamer. Kekeke.]

[Puntanghunter69 (Earth): Or maybe it's go fuck my granddaughter kek. 🤔]

[Beczontop (Terrana 5): Shut the fuck up, you two. 😏]

[1000yearsofdeath (Earth): Kekekekeke.]

[Puntanghunter69 (Earth): Snigger snigger snigger snigger snigger.]

[Tessisdabest (Terrana 5): 😏👉]

It was silent in the cockpit for a while before Adam turned to Stacey and asked, “Well, regardless, are you sure you're heading for Terrana Five, where no doubt your grandmother will be waiting for you now she knows you're heading there?”

“It’s fine, I have to meet her again at some point, and since she is friends with Diva Lorelie, who we might be bodyguarding, I may as well do it sooner rather than later.”

Adam nodded but didn’t comment further before asking, “Spector, what's our ETA for Terran Five?”

“Barring any complications, we should arrive at Terran Five in two weeks,” Spector reported.

“Plenty of time to enjoy ourselves.” Stacey suddenly said before she unexpectedly stood up and walked over to Adam, before she sat on his lap while wrapping her arms around his neck and looking into his eyes with desire.

[Beczontop (Terrana 5): WTF! 😏]

[OfficialRowena (Terrana 5): Oh my. 🤔]

[Puntanghunter69 (Earth): Oh yeah, here we go, stream porn time.]

[1000yearsofdeath (Earth): Is the streamer about to get some? Kekeke.]

[Tessisdabest (Terrana 5): ...]

[OfficialLorelie (Terrana 5): ...]

[Gunlovergirl (Earth): Fuck, I’m jealous of that girl.]

[Justiceistruth: (Earth): Careful, you might turn into Beczontop 2.0 😏]

“What are you doing?” Adam asked with slight trepidation.

“What does it look like I’m doing? I’m fed up with you holding back and not making a move on me, so I’m doing it. With Diva Lorelie possibly coming aboard in the future, I plan to enjoy our two weeks alone as much as possible.” Stacey replied before she leaned in and covered Adam’s lips with her own, causing his eyes to widen in surprise.

He wasn’t a fool; he knew that Stacey had been attracted to him for a while now as she kept hinting at such, however, he had held himself back because of his lingering feelings for Jenny. However, as Stacey’s lips covered his and her warm breath invaded his mouth while one of her hands ran through his hair, Adam felt himself succumbing to the desire and attraction he felt towards her, and soon gave in to it and began to kiss her back.

[1000yearsofdeath (Earth): Boom first base. Kekeke]

[Puntanghunter69 (Earth): Oh yeah, the harem is officially underway.]

[Beczontop (Terrana 5): WTF do you mean harem?]

[OfficialRowena (Terrana 5): What’s this first base?]

[Puntanghunter69 (Earth): Please stalker girl, Diva Rowena’s granddaughter just claimed her place as his girlfriend and by the looks of their kiss me thinks they're about to go all the way, if you want the streamer in the future you're gonna have to become a member of his harem and that goes for you other ladies in the chat, face it.]

[Beczontop (Terrana 5): Wah! 😊]

[Tessisdabest (Terrana 5): ...]

[OfficialLorelie (Terrana 5): ...]

[Gunlovergirl (Earth): Fine by me.]

[Noobkiller9000 (Earth): First base is a reference taken from a sport on Earth called baseball that has four bases; however, in this case, it's been turned into a sexual meaning. First base is kissing and making out, second base is touching above the waist. Third base is stimulating anywhere below the waist, and fourth base, or home base, is having sexual intercourse.]

[Noobkiller9000 (Earth): Though it can vary slightly depending on who you talk to, that's the basic gist.]

[OfficialRowena (Terrana 5): Fascinating, so what the streamer is currently doing to my granddaughter with his hands would be classified as second base?]

[Noobkiller9000 (Earth): Yup, since he's groping her tits.]

Adam, whose hands had started fondling Stacey's breasts, causing her to make small moans of pleasure, saw the messages in the chat and broke the kiss for a moment before saying, "End stream."

[1000yearsofdeath (Earth): What? 🤔]

[Puntanghunter69 (Earth): Oh come on, it was just getting good. 😏]

[OfficialRowena (Terrana 5): Pity.]

[Beczontop (Terrana 5): FUCK!]

[Tessisdabest (Terrana 5): ...]

[OfficialLorelie (Terrana 5): ...]

"Affirmative."

[[Mission Complete]]

[[Stream Ended.]]
