### Chapter 201: Stripping \*\*\*

Lorelie smiled and nodded in understanding before she moved one of Stacey's hands aside and attacked Adam's nipple again with her tongue.

Stacey absentmindedly moved her now free hand towards one of Lorelie's breasts and inserted it inside her nightwear to play with it directly.

"MMM, Stacey, even Adam hasn't touched them directly yet." Lorelie moaned into Adam's chest.

"Mmmm, then remove your nightwear that is already covered in cum and let him play with them, your body belongs to him after all, doesn't it?" Stacey replied with difficulty as Adam's assault kept going.

Lorelie thought for a moment before nodding, after which she gently pushed Adam on the chest as if asking him to move back slightly. Adam understood her meaning and carefully backed away with Stacey.

Both of them focused their hot gazes on Lorelie as they understood that they were about to see something very few people had ever seen, the completely naked form of the universe's most popular Diva and celebrity.

Lorelie shivered slightly as she felt their hot gazes upon her; however, it wasn't out of fear but out of excitement, for some reason, she found herself liking the fact that both Adam and Stacey desired her naked form.

Lorelie started to sensuously walk away slightly, while purposefully shaking her ass for the two of them as she looked over her shoulder and gave a sultry smirk before she slowly started to remove her nightwear right in front of them.

"How the fuck does she manage to make that look so hot?" Stacey asked as Adam's assault on her ass hole had paused because of his focus being entirely on Lorelie.

"No idea," Adam replied.

“While I’m not at Rowena’s level, it’s not like I have never modelled before; I have, after all, had to do shoots for my own merch,” Lorelie replied as she stood before them both in nothing but her panties.

“My god, she’s so hot, those tits are perfect,” Adam commented, making Lorelie smile and blush slightly.

“Agreed,” Stacey said.

Lorelie turned her back to them again and bent over purposefully, showing them her ass as she slowly started to remove her panties. At the last moment, when they hung from one ankle, she turned and flicked her panties towards Adam, causing them to impact his chest.

“What do you think?” Lorelie asked as she struck a pose with her arms crossed above her head.

“Beautiful,” Adam replied.

“Hot,” Stacey replied.

Lorelie smiled at the praise as she sensually walked towards them before taking Adam’s free hand and guiding it to grasp one of her naked breasts.

Adam automatically squeezed her breast, making her moan and bite her lip as she looked into his eyes.

“Do these breasts that belong to you feel good, Adam?” She asked.

“They feel fucking great,” Adam replied as he squeezed again.

“Mmmm, I’m pleased,” Lorelie replied before looking at Stacey and asking.

“Are you going to make me stand naked here alone, or are you going to join me in letting our boyfriend admire what belongs to only him?”

“If Adam would remove his finger from my ass hole, I would.” Stacey pouted.

Adam gave her ass hole one final push, causing her to moan in pleasure before removing his finger and cleaning it on his boxer shorts.

Stacey walked around Adam towards Lorelie while saying, “While I agree that our boyfriend is the only man who can ever touch our bodies from now on.

I disagree that they are exclusively his, after all, your body also belongs to me now.”

After she finished speaking, she kissed Lorelie on the lips again, which Lorelie returned as Adam watched.

After a few seconds, she broke the kiss and licked her juicy lips while saying, Your taste and Adam’s cum, delicious.

She then sensually walked away to the spot that Lorelie had just vacated while shaking her ass before she started to slowly remove her nightwear as both Adam and Lorelie, who now pressed her breasts into Adam’s naked chest, watched her.

After removing her top and putting her breasts on full display for the two of them, she placed her hands on her hips and struck a pose with a smirk that looked awfully similar to her grandmother's.

“Do you think that’s how Rowena would look if she were the one standing naked before us?” Lorelie asked into Adam’s ear with a sultry voice.

“Why bring Rowena up at a time like this?” Adam asked in surprise.

“No reason, I just thought Stacey looked a lot like her with that smirk for a moment,” Lorelie replied before kissing him on the cheek and focusing on Stacey again.

Copying Lorelie, Stacey also turned and showed off her ass for them both as she bent over to remove her panties before flicking them at Adam and striking a pose that showed off all her assets.

“You really do have a great body,” Lorelie commented as she stared at it.

“It’s not as good as yours,” Stacey replied.

“It’s much fitter than mine,” Lorelie replied as she admired the slight muscles that Stacey had.

“It comes from the work I used to do.”

“I think you both have great bodies,” Adam added.

“Thank you, babe, but are you not going to strip for us?” Stacey asked as she pulled Lorelie towards her, and they hugged each other while Lorelie nodded in agreement.

“Why do I need to strip myself when you both can do it for me?” Adam asked with a smirk as he continued to stare at both women’s naked bodies that were pressed against each other.

“Do you think we should help him remove his pants, Lorelie?” Stacey asked as she looked at him.

“Let’s think about it for a moment,” Lorelie replied before surprising Adam and Stacey by stealing Stacey’s lips.

Stacey showed a surprised look for a moment before she started to kiss her back.

Both women kissed with their eyes closed for a few seconds before opening them and looking at Adam while they continued to kiss each other as they allowed their hands to roam the other woman’s body.

Adam found their make-out session super hot and soon felt his wood rising again.

Stacey soon noticed that and broke the kiss, smiling before saying, "If we don't help him soon, we won't be able to take them off."

"I can see that," Lorelie replied as she stared at the obvious bulge in Adam's pants.

"Then let's help him," Stacey said before giving Lorelie a peck on the lips, after which they both walked towards Adam before pressing their naked breasts into his chest.

Stacey started to stroke his bulge through his pants before asking Lorelie, "Are you ready to learn how to please our man using your hand?"

"I am," Lorelie replied as she copied Stacey's actions and rubbed the bulge through Adam's pants.

"Mmm", Adam groaned slightly at the feeling of the two beauties rubbing his bulge at the same time.

"Then take a look," Stacey said as she gripped his pants and pulled them over his bulge and down to the floor.

"Wow," Lorelie said as she got her first look at a man's penis.

"Impressive, isn't it?" Stacey said with a smirk before kissing Adam's cock, making it twitch slightly.

"Yeah." Lorelie nodded without looking away as if she was hypnotised by the sight.

"Trust me when I say it's an impressive size and won't disappoint you in the future," Stacey said as she stood up before pushing Adam's chest, making him take slow steps back.

Soon, the back of his legs hit the bed, and he fell back onto the bed before Stacey climbed on beside him and pressed the tip of her index finger against the tip of Adam's cock and moved both of them around slowly, causing it to twitch again.

“Come lie down on the other side and copy me,” Stacey instructed as she looked up at Lorelie, who still stared at Adam’s erect cock.

Lorelie nodded before lying down on the bed on the other side of Adam, copying Stacey and pressing her index finger against the tip of Adam’s cock, making it jerk.

Stacey started running her index finger up and down one side of his shaft while saying, “Now if you're ever in a hurry, you can use your hand to wank him or your mouth to suck him so that he cums quickly.

However, whenever you're not in a hurry, our boyfriend likes to be edged.”

“Edged?” Lorelie asked curiously as she copied Stacey and ran her own index finger up and down the other side of his shaft.

“There is a limit to that,” Adam remarked as he enjoyed the feeling of both his women touching his shaft.

“Edging is when you take him to the brink of climax only to stop just before,” Stacey explained with a smirk as she ignored Adam’s remark.

“And you enjoy that?” Lorelie asked in surprise since she was learning to love the feeling the two of them gave her when she climaxed.
