Chapter 229: It just seems easier\*\*\*

“How about we put this topic on hold for now, as unfortunately, I have to leave soon, one of my ministers is already pleading with me to return to work,” Revi said with a smirk as she glanced to her side.

“You have to go already?” Tephe asked in a sad tone.

“Afraid so, but don’t worry, I will be sure to call you often, goddaughter.”

“Ugh, only if you stop calling me goddaughter,” Tephe complained.

“Hehe,” Revi chuckled before looking at Adam and saying.

“I look forward to when we can meet again, Adam. I have a gift for you that I have been waiting to give you for a long time.”

“A gift?” Adam asked in surprise.

“Hey, where’s my gift?” Tephe complained.

“I have given you plenty of gifts ever since you were born,” Revi replied.

“You have?” Tephe asked in confusion.

“I guess you don’t remember, as it never happened for you, ok fine, I will prepare something for you also.”

“Yay.” Tephe cheered, making Revi smile before she turned back to Adam and continued.

“Yes, it is a gift to thank you for everything you did for my race back then and also for lending me your support when I was at my most vulnerable.”

“I didn’t really do much, and I’m not sure you have even been vulnerable,” Adam replied.

“Don’t underestimate what you did for me. There was no one else at the time who could have done that, and it helped me move forward.”

“Very well, if you insist, then I won’t refuse.”

“Good, look forward to it as it’s a very special gift,” Revi replied with a smile before looking to the side again and sighing, after which she said.

“Fine, fine, I’m coming. I’m afraid I have to go, but I will be sure to call you all again soon.”

As she finished speaking, Revi gave a quick wave and smiled at them all, though her eyes looked towards Adam before she ended the call.

“Mmmm,” Adam moaned as he, Stacy and Lorelie lay naked on the large bed in Lorelie’s bedroom.

The two beauties were at present lying on either side of him, rubbing his cock together while taking it in turns to kiss him as Adams' hands each groped and fondled a plump ass cheek of each girl.

“She’s improved, hasn’t she?” Stacey said proudly into Adam’s ear before sucking on it as Adam and Lorelie kissed passionately.

Adam broke the kiss and looked at the beautifully blushing Lorelie before nodding slightly and saying, “Yes,” after which he turned and started to kiss Stacey while Lorelie moved her lips down to his neck and started kissing it.

Stacey broke the kiss after a few minutes before looking at Lorelie and suggesting, "Why don't you show him what else you learned?"

Lorelie blushed even more, but still nodded before moving her body down the bed so that her face was right next to Adam's cock.

As Stacey let go, Lorelie continued to rub it before sticking her tongue out a little bit before gently licking the tip, making it shiver slightly.

Spurred on by the positive reaction, Lorelie looked up into Adam's eyes, who was watching her closely as Stacey started to kiss and suck his neck before Lorelie stretched her tongue out even more and ran it up the entire length of his shaft.

"Mmmm," Adam groaned in pleasure, making Lorelie smile seductively as she continued to lick his cock, teasing him for a few moments before taking his cock slightly into her mouth, where her tongue started licking the tip, making Adam moan in pleasure even more.

"Looks like you're enjoying it," Stacey said as she began to suck his ear again while one of her hands ran over his chest.

"How on Earth is she so good? I mean, it's her first time giving a blowjob, right?" Adam asked as he continued to watch Lorelie, who had started bobbing her head up and down while not taking her eyes off his face.

"I had her practice on my fingers before. If she is going to be in your harem, then she needs to learn how to satisfy you after all." Stacey replied.

"I see you started calling it a harem," Adam commented as he tried to resist the urge to moan again.

"It just seems easier," Stacey shrugged in reply before she assaulted his neck again.

"Are you going to feed again?" Adam asked as he moved his hand that had been groping Lorelie's plump ass onto her head and gripped her hair slightly.

Lorelie seemed to enjoy the sensation of him grabbing her hair because her sucking suddenly increased slightly.

“No, I don’t feel the need to feed again yet,” Stacey replied.

“Ok, but just let me know when you need to,” Adam replied.

“I will,” Stacey said with a happy smile before stealing his lips and kissing him passionately.

Lorelie watched the two of them kiss intently, and as she did, she found herself getting more and more turned on as her pussy got wetter.

She started using her other hand to cup and massage Adam’s balls while her wanking, head bobbing, licking and sucking all increased in momentum until Adam couldn’t take it anymore and groaned into his kiss with Stacey as he unloaded his cum into Lorelie’s mouth.

“MMMMMMMMMMMM,”

Lorelie’s eyes widened in surprise, and she quickly removed his cock from her mouth before coughing slightly with watery eyes.

“Are you ok?” Adam asked with concern after breaking his kiss with Stacey as he saw Lorelie’s reaction while Stacey moved over and gently rubbed her back,

“I’m, I’m fine,” Lorelie managed after a few seconds before taking a few deep breaths and saying, “I just wasn't expecting that.”

“Neither was I, I mean, I wasn’t expecting you to be so good on your first attempt,” Adam replied.

“What can I say, she’s a quick learner. It seems music isn’t the only thing she picks up quickly, but sexual skills also,” Stacey stated with a smirk, making Lorelie blush again before adding, “Don’t worry, that’s a normal reaction to anyone’s first time. You will get the hang of it soon.”

Adam sat up and gently cupped Lorelie’s cheek before asking, “You sure you're ok?”

“I’m fine, really. I was just surprised, that's all.”

“Ok,” Adam said with a smile before kissing her forehead, making her smile happily.

“Well, I think she deserves a reward, so lie back down,” Stacey said as she pushed Adam back down onto the bed.

“Reward?” Lorelie asked as she tilted her head in curiosity.

“Yup, sit on Adam’s face,” Stacey said.

“What?” Lorelie asked in surprise.

“You’ve already felt my tongue inside you, now it’s time for you to feel Adam’s, though I warn you, he’s not as skilled at using it as I,” Stacey said with a playful smirk.

“Hey,” Adam protested.

“I’m just being honest, you're skilled and it feels good, I wont deny that. But I’m just better at it than you.”

“From using it on Susan?”

“Among other women.”

“Right little slut aren’t you?”

At hearing his words, Stacey mounted on top of him and leaned over him before looking down into his eyes with a perverted smirk and saying, “That’s right, I’m your little slut. I might have fun with Lorelie occasionally when you’re not around, since you said it’s ok, but at the end of the day, I’m your woman and your slut. Got a problem with that?”

“Nope,” Adam replied with a slightly perverted smile.

“Pfft, pervert,” Stacey said before grabbing Adam’s cock that had gotten hard again and sliding it into her tight, wet pussy with a moan of pleasure as Lorelie watched on from the side in surprise.

“MMMMMMMM, god, I missed this.”

“Well, you could have had it the other night if you two didn’t blueball me,” Adam complained.

“That was punishment for getting one of your girlfriend’s a strange nickname, and you know it,” Stacey replied before she started to rock her hips slightly so that she could feel Adam’s cock with every part of her pussy before she leaned over and kissed Lorelie.

Though surprised at first, Lorelie returned the kiss that lasted for a few seconds before Stacey broke it and said, “Go sit on his face already and let him lick you out while he fucks me, we will give our man something many men have dreamed of but can never get.”

Lorelie looked at Adam, who nodded reassuringly, causing her to smile as she shifted her position on the bed so that her pussy was directly over Adam’s mouth.

Adam reached up with his hands and grabbed her hips before pulling her down slightly and licking her pussy gently, making her quiver and moan.

“mmmm,”

Adam continued to lick it for a moment before he pushed his tongue inside, making Lorelie quiver and moan even more.

“MMMMMM, so good,” Lorelie moaned

“MMMMMM, fuck did you just get bigger again?” Stacey asked as she continued to rotate her hips.

Stacey and Lorelie held each other's hands as a means of support while they looked at the pleasure and ecstasy in each other's faces before Lorelie took the initiative to kiss Stacey.

As the two beauties kissed, Adam continued to lick Lorelie pussy while one of his hands went up to fondle her ample breasts.

Stacey, on the other hand, started to move herself up and down, making Adam's cock repeatedly penetrate deeply inside of her.

Both women moaned as they lost themselves in the feeling of pleasure and lust, and it wasn't long until they both broke the kiss and screamed in pleasure at their mutual climax.

“FFFUUUUCCCCCKKKKKK,”

“YEEEEESSSSSS, SSSOOOOOO GOOOOODDD,”
