Chapter 239: Revi plays Adam

[... Eri, you ok there, girl?]

[... The Phoenix Empress?]

[... There is no way Empress Revi will appear.]

[InfluencerEri: I'm fine, just surprised. Thank you all for coming and commenting on my post.]

[OfficialLorelie: Thank you for defending me on here from Pherise.]

[InfluencerEri: Of course, how can she start such a stupid nickname like that for you?]

[OfficialLorelie: Thank you, Eri, but I'm not bothered by it because it's true after all.]

"For now at least," Rowena commented while giving Adam a suggestive wink, making Lorelie blush slightly.

[OfficialLorelie: So what do you think, Eri, you want to be my chaperone when I come to the Felidae Galaxy for my tour?]

[InfluencerEri: Really? 🤔]

[... OMG that's huge.]

[... Yeah, is Eri really going to be Diva Lorelie's chaperone instead of Prime?]

[... Prime is gonna be so pissed when he hears about this lol.]

[TheMMMPresentor: Oh, this is gonna make great content for tonight's show.]

[InfluencerEri: Are you really asking me to be your chaperone?]

[OfficialLorelie: I am, I would much rather have you do it than Prime.]

[InfluencerEri: I would be honoured. As a fan, I would be more than happy to be your chaperone when you come here. 🤩]

[OfficialLorelie: Good, then it's decided. I will ask Queen Marilla to contact Matriarch Maiya and request that you replace Prime as my chaperone.]

[... Will Matriarch Maiya accept her request?]

[... She will if she wants Diva Lorelie to perform in the Felidae Galaxy, remember it's the Catonians who want her to perform for them. Dova Lorelie can decide not to.]

[... Good point.]

[OfficialLorelie: Then I look forward to your company when I travel to the Felidae Galaxy Eri.]

[InfluencerEri: Me, me too. 🤩]

[... Lol Eri is starstruck.]

[... You would be too if Diva Lorelie, the hottest celebrity in the universe, personally asked you to be her chaperone.]

[TheMMMPresentor: So, care to tell us why you didn't want Prime as your chaperone?]

[Phoenixempress: Why would she want Prime as a chaperone? Unlike Eri, who got where she is today through her own hard work. Prime only got chosen to be her chaperone because of her aunt.]

[... ...]

[... WTF.]

[... Wait, she actually appeared?]

[InfluencerEri: Seriously? 🙄]

[Thewhitesoverign: Hey, Revi, what took you so long?]

[Phoenixempress: I was in a meeting with my minister's god-daughter; unlike you, I don't get to lounge around all day having fun.]

[DeverinianLordMalacoss: Well, this is a surprise, hello Empress Revi, it's been a while.]

[Phoenixempress: Hello Lord Malacoss, I hope you're well?]

[DeverinianLordMalacoss: I'm very well, thank you.]

[Phoenixempress: That's good to hear, and how is the Demon King these days?]

[DeverinianLordMalacoss: They are very well, thank you. I will be sure to mention you were asking after their well-being.]

[Phoenixempress: Please do.]

[TheMMMPresentor: Empress Revi, it's a pleasure.]

[PhoenixEmpress: Ah, Malgath, how are you and dear Ulesse?]

[TheMMMPresentor: We are both very well, thank you. When do you finally plan to come on my show?]

[PhoenixEmpress: Who knows. 😊]

[TheMMMPresentor: Always the same answer.]

[PhoenixEmpress: So it seems that everyone is here except Adam. Where is he, god-daughter?]

[TheWhitesOverign: 😏 Stop calling me god-daughter all the time.]

[PhoenixEmpress: 🙄 Fine, fine, I'm sorry. So why is everyone else here but not him?]

[TheWhitesOverign: He's sitting beside us and reading the conversation.]

[PhoenixEmpress: That's not good. Why aren't you making an appearance, Adam?]

[DeverinianLordMalacoss: Adam?]

[TheMMMPresentor: Who is this Adam?]

[S.P.E.C.T.O.R.: Because I'm not one for drawing attention to myself.]

[DeverinianLordMalacoss: The streamer? So your name is Adam.]

[PhoenixEmpress: You're a streamer, how can you not want to draw attention to yourself?]

[S.P.E.C.T.O.R.: There are reasons.]

[Phoenixempres: How criptive, maybe you will explain it to me when you come visit us on Fenix Nest.]

[TheMMMpresontor: You seem awfully familiar with this individual, Empress Revi. Mind telling us who he is?]

[Phoenixempres: Of course, I'm familiar with him. I wouldn't be a very good Empress if I didn't know a Phoenix Friend.]

[TheMMMpresontor: Phoenix Friend, you mean the highest title a non-Phoenix can be granted?]

[DeverinianLordMalacoss: 😊]

[Phoenixempres: I do indeed.]

[DeverinianLordMalacoss: My, my, you continue to impress.]

[TheMMMpresontor: How on Solarian Prime did he earn such a prestigious title?]

[S.P.E.C.T.O.R.: Revi, 😊]

[Phoenixempres: Oops, 🙊 It seems I said too much.]

[TheMMMpresontor: He called you directly by your name, how interesting.]

[S.P.E.C.T.O.R.: ...]

Hehe, you just got played big time, 'Adam'. Revi just tricked you into revealing how close you are to her.]

Hehe," Lorelie giggled.

Ahhhh, well, it was bound to come out eventually," Adam said after sighing.

True, once you travel to Fenix Nest, your friendship with her will be obvious," Erkath replied.

At least she didn't mention about the whole time travel thing," Adam stated.

She may like to tease and have fun, but Revi wouldn't be so foolish as to reveal something so big," Rowena commented.

Why not?" Tephe asked curiously.

Riiiggghhhttt we haven't spoken about this yet," Rowena replied before explaining to Tephe. "Listen, Tephe dear, you shouldn't tell anyone you travelled back in time."

Why not?" Tephe asked as she tilted her head curiously.

Time travel up until now has only been theoretical, but now that you two have travelled back to the Siege of Fenix Nest, you have proven that it is indeed a reality, and that can be dangerous."

Dangerous how?"

Remember when I told you before about the grandfather paradox?" Adam asked.

Ohhhh, I see," Tephe said in understanding.

Grandfather paradox?" Rowena asked as she and the others showed curiosity.

It's when..." Adam replied as he explained to them what the grandfather paradox was.

How interesting," Rowena replied before continuing. "Tephe dear, imagine if some bad people found out that time travel was real and they figured out how to replicate what you did. They could travel back in time and kill your grandfather so that you were never born.

Or take advanced tech back and change the result of an important battle like the two. Basically, they could change history, and we would never know because it would change our own history, just like what happened when you both saved the Phoenix race.

We all need to be careful about who we tell this information to. Do you understand?"

Yes," Tephe nodded.

Good girl," Rowena said with a smile.

Who do you plan to tell?" Adam suddenly asked.

For the time being, no one, however, if they ever wake up, I will speak to the Brood Progenitor about this matter," Rowena replied.

I plan to speak to the Deverinian progenitor, The Demon King, about this once I return to Deverinian Prime," Erkath stated.

I'm still deciding if I should speak on this to the king and queen," Lorelie replied.

Is there anyone I should tell? We Dragons don't really have a ruler after all." Tephe asked.

I suggest you both hold off for now if you're not sure. Once I speak with The Demon King, I can ask their opinion for you." Erkath suggested.

That's actually a good idea. The Demon King is one of the oldest existences in the galaxy after all." Rowena added.

Very well, I will hold off telling the king and queen till I hear the honoured Demon King's opinion," Lorelie said.

Errr, they're talking about you on Xer-verse, babe." Stacey suddenly said, causing them all to focus back on the large holographic screen.

[DeverinianLordMalacoss: Looks like they don't plan to tell you, Malgath. 🗨️]

[TheMMMpresntor: So it would seem, such is my life 😊👉]

[Phoenixempres: It's your own fault for being a member of the press. 🗨️]

[TheMMMpresntor: Excuse me, Empres Revi? I'm not a member of the press.]

[Phoenixempres: You question people, mainly celebrities and try to dig out the truth, don't you?]

[TheMMMpresntor: That's technically true.]

[Phoenixempres: Then you're basically press.]

[TheMMMpresntor: ... Is this why you refuse to come on my show?]

[Phoenixempres: It's one of the reasons, but mainly, I just don't have anything to gain from going on The MMM Show. Tell me one benefit I can get from coming on your show that I haven't gained in twelve lifetimes, and I might consider it.]

[TheMMMpresenter: ...]

[... So who is this guy who seems to know all these famous people, is friendly with Empress Revi and earned the title of Phoenix Friend?]

[... Is there a new player on the rise that none of us have heard about?]

[... Lord Malacoss said something about him being a streamer, but I've never come across a streamer called S.P.E.C.T.O.R.]

[... Me either, you would have thought they would be famous and trending on the streaming platforms if he had so many celebs and famous people in his chat.]

[TheMMMpresenter: Wait a minute, Diva Lorelie recently hired the man who saved her from the pirate attack, and he was rumoured to be a streamer, could it be the same guy?]

[Phoenixempress: Ding, ding, ding. Give the Solarian their prize.]

[... Wait, so this streamer is not only a Phoenix Friend somehow, but was also the one who saved Diva Lorelie from the pirate attack?]

[... Malgath, you need to get this guy on your show.]
