Chapter 276: Punishment ***

“I trust I don’t know what you're talking about, CEO Drotas,” Mr Mysterious replied.

“Don’t give me that shit, you don’t think I can’t figure out that you already suspected that the ship was advanced and that you wanted to capture it, either for yourself or for another client,” Drotas snarled.

“I honestly have no idea what you mean.”

“Fine, whatever. What do you plan to do now? You'd better sort this shit out if you still want half my company.”

“I have already taken measures to ensure that next time we wont fail.”

“Oh fuck that’s tight,” Adam ground in pleasure.

“Oooohhhhhh gooooooddddd,” Stacey moaned as she buried her face in the soft bed beneath her while she felt Adams' hard cock penetrate her ass hole for the first time, thus claiming her anal virginity.

It was a strange feeling and nothing like how it felt when he rammed his cock inside her pussy, though she had to admit that it wasn’t as bad as she was expecting. She felt his cock slide in her ass as Adam started to slowly thrust back and forth, and she soon started getting used to the feeling and enjoying it.

“MMMMMMMMM,” Stacey moaned in pleasure as she gripped the bed sheets tightly.

“I think she’s enjoying it, babe,” Lorelie said to Adam from he head of the bed as she fully displayed her sexy naked body for him while she fingered herself with her legs wide open for him to watch.

“She’s not the only one, fucking her ass and listening to her moans of pleasure while watching you masterbating for my entertainment, it's amazing,” Adam replied.

“I bet it is, and wait until you have more women showcasing themselves just for your pleasure in the future,” Lorelie replied with a sultry smile as she licked her lips.

“More women?” Adam asked in surprise, causing him to freeze his movements before he quickly continued thrusting into Stacey, making her moan in pleasure.

“You don’t really think that a guy as great as you will only have two women, do you?” Lorelie asked with a wink.

“I honestly hadn’t thought about it. I already feel privileged at the fact that I can have both of you,” Adam replied.

“I’m happy to hear you say that, babe; however, I have a feeling that you will be getting many more lovers in the future,” Lorelie replied as she continued to finger herself while grabbing one of her plump tits and massaging it.

“I don’t know, unless you're talking about Becky, who seems desperate to get my cock.”

“Becky’s an option, but only if she is willing to agree to a few conditions and Stacey allows her to join.”

“MMMMMMMMMM, not, mmmmmmmm lik mmmmmmmm likely mmmmmmmm,” Stacey replied between moans.

“She says that, but I think she is secretly warming up to her since Becky informed her about her friends on Trillion.” Lorelie replied before adding, “The way you fuck her ass looks so hot, and her moans of pleasure make me want to try it.”

“I’m more than happy to take your anal virginity after Stacey receives her punishment, babe,” Adam replied.

“Mmmm, puni mmmmmmm puni mmmmmmm sh mmmmmment?” Stacey asked through her moans.

“What punishment?” Lorelie asked curiously and with slight excitement.

“This punishment,” Adam said before he lifted one of his hands that had been grabbing Stacey’s thighs and brought it down on her plump ass cheek.

SMACK

“AAAAAAHHHHHHHHHHHHHHH,” Stacey screamed as she suddenly climaxed from the combined assault on her asshole and now her ass cheek, after which her body collapsed on the bed and she breathed heavily.

“Oh wow,” Lorelie said with excitement in her eyes as she bit her lip before asking, “What was that for?”

“Wh, why?” Stacey asked brathlesly.

“That was your punishment for threatening me with no sex for a week, just so that I would kill that Rabbitouser.

“Bu but she said...” Stacey began, but Adam cut her off quickly by grabbing her thighs and lifting her back up slightly before he resumed thrusting his cock into her ass.

“MMMMMMMM FFFUUUCCCCCKKKK,” Stacey moaned, as she felt him entering her ass hole again.

“I know what she said, but that doesn’t bother me because there is no way I would ever fuck anyone like her. What angered me was that you publicly forced me to choose between you and her.”

“I mmmmmm I di mmmmmmm I didn’t mmmmmmmmean it mmmmmmm.”

“You might not have meant it that way, but that's how it looked. Of course, I would choose you over her. I would do that every single time, but the fact that you made me show that as if you don't trust me pissed me off.” Adam growled before.

SMACK

“AAAAHHHHHHHH,” Stacey screamed as she buried her head in the bed.

SMACK

“AHHHHHHHH,”

“Oh gods, that's so hot,” Lorelie said breathlessly as she neared climax from watching Adam spank Stacey.

“I'mmmmmmm so mmmmm soorrrmmmmmm sorry mmmmmmm.”

“What are you sorry for?”

SMACK

“AAAAHHHHHHHH, for mmmmm making it mmmmmmm look mmmmm like that mmmmmmm.”

SMACK

“AHHHHHHHH,”

“I didn't mind that you blueballed me before when we all first slept in the same bed because Lorelie getting that nickname was partially my fault, however.”

SMACK

“AHHHHHHHHH,”

“I do mind when you threaten me with no sex for no real reason. If I’m being punished for something I did, then fine. However, if it’s because you’re jealous of another woman speaking that way to me, then.”

SMACK

“AHHHHHHHHH,

”SMACK

“AHHHHHHHHH,”

SMACK

“AHHHHHHHHH FFFFUUUUUUUUUCCCCCKKKKKKKK” Stacey screamed again as she once again climaxed.

“FUUUUUUCCCCCKKKKKKKK,” Lorelie moaned loudly as she herself climaxed.

Both girls collapsed limply on the bed, breathing hard.

Adam pulled his cock out of Stacy's ass and left her lying limply on the bed before he moved towards Lorelie and pulled her away from the headboard, after which he flipped her over onto her front.

“WHA?” Lorelie asked in surprise and excitement, as for some reason she enjoyed it when Adam manhandled her.

“I’m giving you what you obviously want as a reward for working so hard, Adam said as he grabbed her thighs and lifted her ass, then pushed his hard cock inside her ass hole.

“EEEEEEEEKKKKKKKKKK” Lorelie squealed in a strange voice as she felt his hard cock invade her ass.

“Fuck, you're as tight as Stace.”

“MMMMMMMMMMMMMM,” Lorelie’s squeal turned to moans of pleasure as Adam started thrusting back and forth inside of her.

“MMMMMMMMMMMM, soooooooooo mmmmmmm sooooooo goooooodddd mmmmmm.”

SMACK

“EEEEEEEEKKKKKKKKKK,” Lorelie squealed again as she felt Adam’s hand slap down on her ass.

“Whhh mmmmmmm why? Mmmmmmm I mmmmmmm not mmmmmmm pun mmmmmmm punish mmmmmmm?” Lorelie asked through her moans.

“I told you it’s your reward, don’t think I haven’t noticed how you’re very submissive to both Stacey and me”, Adam began to explain as he continued to fuck her ass, as Stacey watched with glazed eyes where she lay naked on the bed.

“At first, I thought it was because we were teaching you what to do and how to place each of us, but then I figured out that you’re actually naturally submissive in bed and enjoy being dominated and manhandled.

”SMACK

“AHHHHHHHHH,” Lorelie moaned as she began to enjoy the feeling.

That's why when I was spanking Stacey just now, you had a look of longing in your eyes as if wishing that you were in her place."

"SMACK

"AHHHHHHHHH,"

"As a good boyfriend, I would never deny what my girlfriend wants, especially if I'm also getting tremendous pleasure from it."

"SMACK

"AHHHHHHHHH GGGGOOOOOODDDDDSSSSSS," Lorelie yelled lowly as she once again climaxed before collapsing on the bed.

"FUUUUCCCCKKKKK," Adam groaned in pleasure as he unloaded his semen into his Diva girlfriend's ass hole before collapsing over her back.

The three of them lay quietly for a few moments to catch their breath before Adam removed his cock from Lorelie's ass hole and rolled over to lie on the bed next to her.

Lorelie lazily crawled over to him and gave him a quick kiss on the lips before snuggling up next to him and closing her eyes.

Stacey looked at the two of them for a moment before she also crawled over to Adam, but instead of kissing him, she looked at him apologetically before saying, "Sorry."

"As long as you understand," Adam said as he leaned up and gave her a quick kiss before pulling her close to him.

Stacey accepted the gesture and, like Lorelie, snuggled up to him before speaking again.

“I honestly didn’t mean to offend or upset you in any way by making that stream quest. I just got pissed off by what that Rabbitouser bitch said.”

“If you're going to get jealous over every woman who makes a move on me, I’m going to have to punish you often.”

“Well, look who’s got a high opinion of himself now he’s dating a Diva,” Stacey said while gently hitting him.

“Not at all, you and Susan told me about the Rabbitouser race before and said that, like the Succuba race, they have very high sex drives. I’m sure this isn’t the last time we will meet one of their kind, and I can’t be dealing with you getting jealous every time a woman speaks to me like that.”
