Chapter 281: Dressing room fun***

As Lorelie had requested, the majority of tickets for the Floating City Concert Hall concert were being given out for free to those who had done charitable work, while the rest of the tickets had been raffled off.

“Ladies and Gentlemen, Musiccast have once again been granted access to broadcast one of Diva Lorelie’s New Genre tour concerts to you all watching on the Universal Subspace Network. This time, it is for her final show here in the Oasis Galaxy at the Floating City Concert Hall.

After this concert, Diva Lorelie’s New Genre tour will take her to the Felidae Galaxy, where she will be performing at the UMP Cups opening ceremony.

Diva Lorelie has given us many new songs during the first six concerts of her tour, which have shocked and surprised people and made them wonder how she has been able to create so many new songs in such a short while.

Discussions on Xer-verse are theorising that Diva Lorelie actually discovered her new genre of music some time ago, but kept it quiet even from Drotas Entertainment while she wrote her first selection of songs.

This has led people to wonder if the relationship between Diva Lorelie and Drotas Entertainment was secretly starting to fracture before they attempted to get rid of her, and that Diva Lorelie was planning to leave Drotas Entertainment long before the attack.

If this is indeed true, then Diva Lorelie managed to keep this secret from everyone.”

“Wow, they really know how to come up with some crazy theories when they only have half the story, don’t they?” Adam said as he looked away from the holographic screen on the wall of Lorelie’s dressing room and down at the two beauties who were currently using their mouths to lick and suck his cock as they kneeled in front of him on the floor.

Lorelie had dragged Stacey along with them as they went to her dressing room, using the excuse that she wanted to show it to her. However, as soon as they arrived and had closed the door, Lorelie had pushed Adam down on the couch and pulled his cock out of his trousers, where she started to wank him off while looking at Stacey with a sultry smile.

Stacey understood her meaning and sat on Adam's other side and joined Lorelie in wanking Adam off while they took turns to kiss him passionately until Adam's cock got hard.

Once it was hard enough, the two of them took off their tops and put their gorgeous breasts on full display for him before kneeling in front of him and sandwiching his cock between their breasts.

As they did, Lorelie and Stacey started to kiss each other in front of Adam, putting on a show for him as they used their breasts to massage his cock.

After kissing for a while, they started to lick the tip of his cock together and take turns to suck him off while Adam ran one hand through each woman's hair.

"It's not that surprising," Lorelie said after she removed Adam's cock from her mouth and let Stacey take over sucking him off before she continued. "Hardly anyone knows that my new genre of music only exists because of you, my love."

"I may have given you the music, Lorelie, but it's your talent and skill that have allowed you to make it so popular."

"That may be true, Adam. But it was still thanks to you gifting me something so amazing that I'm as popular as I am now. My heart and body belong to you, baby, now let me eat your cum so that I can go get ready for my show."

"Of course," Adam replied with a perverted smile as he gripped Stacey's hair and gently pulled her head upwards, removing his cock from her mouth and making him look at her with a pout.

"Don't look at me like that, Lorelie needs to prepare for her show, so let her have the first load and then as she gets ready, I will fuck up over the end of the couch."

Stacey smiled at the thought of Adam penetrating her from behind and allowed Lorelie to take over, sucking him off while she moved back to sitting next to him on the sofa and began to suck his neck while he began groping her breast, making her moan in pleasure.

Lorelie used her hands to press her breasts even tighter around his cock and tit wank him while her head bobbed up and down sucking him hard until he could take it no more and came in her mouth.

“FFFUUUUUCCCCCKKKKKK,” Adam groaned in pleasure as he gripped her hair and sprayed his cum into Lorelie’s mouth and down her throat while Stacey watched on with a lustful gaze.

“MMMMM, thank you for the meal,” Lorelie said as she stood up and licked her lips before adding, “You two have fun, I need to get ready.”

Lorelie turned and walked over to the dressing room's dressing table while shaking her ass for the two of them before she sat down and started fixing her appearance and hair that Adam had messed up when he ran his hands through it and gripped it.

“I love that ass of hers,” Stacey commented.

“I agree, but then I love both your asses,” Adam replied.

“Then let me show you mine,” Stacey replied with a perverted smile before standing up and slowly removing her lower clothes for him and Lorelie, who watched through the mirror until she was fully naked.

After that, she walked to the edge of the sofa and bent over it, and while waving her ass said, “Come fuck me in my favourite position.”

Adam stood up, and as Lorelie watched through her mirror, he walked over to Stacey and gently rubbed her ass before giving it a quick spank.

SMACK

“MMMMMM,” Stacey groaned in pleasure as he spanked her.

“So lucky,” Lorelie muttered as she saw him spank her.

“Put on a good show, and I will spank you plenty after it,” Adam said as he looked over at her.

“That’s a promise,” Lorelie said with a lustful smile before she returned to fixing her hair.

“Stop waiting and fuck me baaabbbbeeee,” Stacey whined as she temptingly shook her ass.

Adam didn’t need telling twice, and after teasing her by rubbing his cock against her clit a couple of times, he pushed it deep inside, causing her to moan in pleasure as her pussy tightened around his cock as if it never wanted to release it.

“MMMMMMMM,” Stacey groaned in pleasure before she started to shake her ass to feel him inside her more.

Adam gripped her thighs and started to thrust deeply into her while he looked at Lorelie, who was again watching them in her mirror.

“You're easily distracted, Lorelie,” Adam said as he continued to fuck Stacey from behind.

“Only by you two, normally I can focus on anything, no problem, but when it comes to you two fucking, I just can’t help but watch. It’s so hot and suck a turn on after all.” Lorelie replied.

“It seems Stacey managed to get you addicted to sex.”

“MMMMMM, I mmmmmm I did mmmmmm did good mmmmmm right?” Stacey asked between moans of pleasure.

“Yes, you did,” Adam replied before he spanked her again.

“What was that?” One male Merinmian asked.

“Do you seriously need to ask that?” Another asked.

“What? Should I know what it was then?”

“Only if you're not a virgin.”

“Excuse me? I'm not a virgin.”

“I'm not so sure about that.” The other male Merinmian replied before walking away with a chuckle.
