Chapter 309: Should I call back later?

“We are in the process of completing the first samples of the clothing in question as we speak, and they should start hitting the shelves in a couple of weeks, though naturally we won't be releasing every style at once and will instead release only two or three at a time.

As for why it excludes swimwear, that is because all swimwear designs from Adam's home planet are exclusive to Jacques Swimwear.”

“Jacques Swimwear? Isn't the owner a friend of Diva Lorelie?” Sinead asked with interest.

“That is correct. If you wish to know more about the new swimwear lines that they will be releasing, you will have to arrange an interview with Jacques.”

“I see, then I suppose that about wraps up the interview, but if possible, I would like to take you up on the offer you made me earlier,” Sinead stated.

“Oh?” Erkath asked with interest.

“I have actually been trying to find Diva Lorelie's boyfriend, Adam, for quite a while so that I can interview him.”

“You have?” Erkath asked with surprise.

“Yes. He first came to my attention after he saved Diva Lorelie's life, though, of course, back then, no one could tell me his name or identity, only that he was a streamer.

I managed to successfully find his stream only to learn that, for some reason, I can't access it, and neither can any of my coworkers or friends.”

“Ah, I see your predicament. The topic of how his stream is so restrictive often comes up in his stream chat, but no one can figure out why he does it. I mean, any normal streamer would aim to get as many viewers as possible, not actively limit the number.”

“So I take it that means you have access to his stream?”

“I do. It happened after I first met him on Oceana Seven.”

“Perhaps you need to meet him in order to gain access to his stream?” Sinead asked thoughtfully.

“Not likely. There are several individuals on there that he has never met, such as Malacoss. He seems to have been a viewer since back when Adam first streamed on his home planet.”

“That really is strange. I wonder what his reason could be for doing that.”

“I honestly couldn’t say,” Erksth replied before asking, “So should I assume the favour you want is an introduction?”

“If that isn’t too much trouble.”

“It’s no trouble on my part since you agreed to this interview; however, I naturally can’t guarantee that he will accept.”

“Of course not, just you making the request is more than enough, thank you, Lady Erkath.”

“Did she get it, Aunt Aimi?” Prime asked after the holocall connected.

“She did, it will be with you in a few hours. Make sure you don’t waste this chance, as doing so cleared that slut’s debt to me. Seriously, though, why do you need information on the entire tournament and not just the charity match?” Aimi asked.

“Don’t worry about that aunt, just know that by doing so, I can make you even happier than normal.”

“Just don’t do anything stupid, right now your focus should be on repaying me first, don’t you think?” Aimi asked with a sultry smile.

“Let me know the next time your husband is out and I will come fuck you in the bed you share with him,” Prime replied with a smirk.

“That’s what I want to hear.” As she bent forward slightly and showed Prime a little of her cleavage.

“So, Sinead, what’s to interview Adam?” Rowena asked Erkath, who was shown on a large holographic screen on the wall of Lorelie’s suit.

“Yup, it seems she’s been searching for him since he first saved Lorelie,” Erkath replied.

“That long a?” Rowena asked in surprise.

“Yup, so do you mind calling him so that I can pass on her request?”

“He’s a bit busy with Lorelie and Stacey right now,” Rowena remarked with a smirk.

“That must be tough on you,” Erkath replied with a smirk of her own.

“Luckily, the suite is top quality, so when the door is closed, it’s both noise and scent-proof, unlike Lorelie’s mansion,” Rowena replied.

“Maybe you should recommend she upgrade her mansion in the future.”

“Perhaps.”

“Where is Tephe?”

“She’s gone exploring, Eri offered to take her,” Rowena replied with a chuckle.

“So do you think he will accept her request for an interview?”

“Even though we have talked to him about building his reputation, he doesn’t seem bothered about doing it quickly. So while I suppose it’s possible in the future, I doubt he will agree to do an interview right now.”

Erkath was about to speak again when the suite's doorbell rang.

“Don’t tell me Tephe forgot how to access the suite,” Rowena said while rolling her eyes as she stood up and headed for the suite's door while saying, “Hang on one second, Erkath.”

“No problem,” Erkath replied with a smile.

Rowena approached the suite's door and pressed the button next to it, causing it to slide open while saying, “Tephe, did you forget how to open the....”

Unfortunately, she never got the chance to finish speaking, as the next second, she found that her mouth was sealed by the mouth of a stunningly beautiful Succuba with long pink hair.

“Mmmm mmm mmmm,” Rowena tried to say something through the kiss, but Aphrodite didn’t let up and instead intensified the kiss, causing Rowena’s mind to start going blank as she found herself succumbing to the enjoyment of the kiss.

As the last of her reason was about to leave her, Rowena managed to pinch herself, causing her foggy mind to clear up and allowing her to forcefully push Aphrodite away and causing the two women to start gasping for breath.

“Aphrodite, what in the progenitors' name are you doing?” Rowena asked in an annoyed tone.

“Saying hello, Rowena,” Aphrodite replied with a sultry smile as she looked Rowena up and down admiringly.

“Then why not just say hello instead of just kissing me?”

“Where's the fun in that?”

Rowena was about to respond again when a giggle came from the large holographic screen, followed by Erkath's asking, “It seems you're busy, Rowena. Should I call back later?”

“No,” Rowena replied.

“Is that Lady Erkath? Yes, call back later,” Aphrodite replied.

“Haha, hello, Diva Aphrodite,” Erkath laughed before greeting the diva.

“What are you doing here, Aphrodite? Actually, how did you even find out where I'm staying? I've been here less than a day,” Rowena asked.

“It was easy, all I had to do was look out the window of the apartment I'm staying in to see all her fans already starting to gather outside for a chance to meet her. It's all over Xer-verse that Diva Lorelie is staying here. As for why I'm here, it's because I want you to dominate me.”

“Excuse me?” Rowena asked.

“Oh my,” Erkath responded while covering her mouth in an attempt not to laugh again.

“That bitch Aimi just made me do something disgusting, and now I need to be dominated hard to forget about it.”

“Aimi, as in counsellor Aimi, Prime’s aunt?” Erkath asked curiously.

“That’s the bitch,” Aphrodite replied as she ran a finger down Rowena’s arm.

“Stop that,” Rowena said as she slapped Aphrodite’s hand away before asking curiously, “What did she make you do?”

“Do I really have to....” Aphrodite began to reply, but then stopped and turned to look in the direction of the main bedroom as her eyes glowed pink.

“Someone’s having sex, and oh boy, are they going at it hard,” Aphrodite said as her eyes glowed slightly brighter while they narrowed as she increased her focus. “A threesome? Two women and one guy, and he’s satisfying them.”

“Who are they?” She asked as she turned to look at Rowena with curiosity.

“You and your ability to detect sex,” Rowena said with exasperation before asking, “I thought a suite of this quality would be able to prevent that, along with the sound and smell?”

“Please, this suite might be good enough to prevent those younglings from detecting anything; however, it can’t prevent me from detecting it. Now answer my question.” Aphrodite replied as she looked back towards the door, and her eyes glowed again.

“If you must know, it’s my granddaughter Stacey, along with her boyfriend Adam and his other girlfriend Lorelie.”

“Riiiggghhhttt, I saw the interview you all did on The MMM Show. I was surprised to hear that someone had finally won Diva Lorelie’s heart, and even more surprised when I learned that it was someone who was already dating your granddaughter.”

“I think most of the universe was surprised to hear that?” Erkath replied.

“I know, right, oh man, he’s totally dominating those two and they're loving it,” Aphrodite said with clear jealousy before a thought came to her mind and she asked, “Hey, they wont mind if I join in, right?”

“Don’t even think about it, I don’t want you doing anything that could spoil my granddaughter's happiness, also they're already on guard towards you after they heard that you might be here on Felinia Seven for the UMB Cup,” Rowena replied.
