Chapter 383: The divas question Prime

“Oh, gods, what's that idiot doing here?” Mika complained as she looked over towards the entrance to the VIP box after hearing the VIP's.

“I think we can take an educated guess after seeing that screenshot of his chat,” Stacey replied with a smirk as she looked at the three divas in their group.

“Surely he's not so foolish to believe that he actually has a chance?” Eri asked.

“I have known Taiki since school, so trust me, he's stupid enough to try,” Mika replied.

“Taiki?” Becky asked curiously.

“That's Prime's name,” Eri explained.

As if to prove Mika right, Prime, who had been basking in the glory of the praise from the other VIP box members, said, “Hahahaha, thank you, thank you, but I need a few moments to speak with the divas about something important. I hope you will all excuse me.”

After speaking, Prime made his way towards where the three divas and their friends were sitting with a proud smile on his face.

“My what a collection of beautiful and important ladies,” Prime said as he looked at the group of eight beauties with an obviously lustful expression before saying, “Not only Diva Aphrodite, Diva Rowena and Diva Lorelie, but even Princess Terrana, the famous Xer-verse influencer Eri and my childhood friend Mika.

Though I'm afraid I don't believe I know you?” Prime finished as he turned to Becky.

“I'm fine with that,” Becky replied curtly, causing Prime's smile to twitch slightly while the other women gave small smiles.

“What are you doing here, Taika? I’m surprised you have the nerve to appear before Princess Tessa and the divas after what you just pulled,” Mika said with a frown.

“What do you mean, Mika? The mech you built for me won the charity match, I thought you would be proud,” Prime replied.

“If I knew you planned to cheat in the charity match, I never would have agreed to build that mech for you,” Mika replied with disgust.

Prime's smile faltered for a second before he forced it to return and asked, “Cheat? I don’t know what you mean.”

“Uh-huh, sure you don’t,” Mika scoffed.

Prime coughed slightly before turning to the other women in turn and saying with an apologetic smile, “I apologise for my childhood friend's attitude; she seems to have misunderstood something.”

“Unlikely, considering I informed her and everyone else here about how your Aunt Aimi had me obtain a copy of the UMB Cups plans,” Aphrodite replied with a smirk, causing Prime's smile to falter again.

“I’m afraid I don’t know what you mean, Diva Aphrodite. If you had any business with my aunt, then I was not aware of it,” Prime replied after managing to recover his smile.

“Ah, is that so? My mistake,” Aphrodite replied, causing Prime's smile to return, and just as he was about to speak again, Aphrodite beat him to it by asking, “Though I would like to ask a question of you if I may?”

Prime’s smile increased as he expected the question to be about him accompanying her tonight, and he had already planned the perfect reply.

“Of course, please ask me anything you wish, Diva Aphrodite,” Prime replied.

“How generous of you,” Aphrodite replied with a radiant smile that made Prime's heart beat faster and his small cock start to harden before she continued, “Then would you please be so kind as to explain what you and your chat meant when you all said that I won't be able to turn you down after your performance?”

“Ah, good point, Diva Aphrodite. I would also like to ask Prime about his chat and why they said that I will definitely want him over my, and I quote 'loser of a boyfriend,' Lorelie asked with a ravishing smile that scared Prime slightly.

“Since we are on this topic, I would very much like to ask you what your chat meant when they said, 'Since Primes is going to be collecting divas, he may as well collect the whole set and take Diva Rowena as well.' Am I just an afterthought, and you're only interested in me to complete the whole diva set?” Rowena asked with her signature smirk that looked colder than normal.

Prime's eyes widened in shock and horror as he heard each of the divas' questions and realised that they had somehow seen the conversations in his chat.

“You really are an idiot, Taika,” Mika scoffed before continuing, “It's one thing for your viewers to talk about such things, as I'm sure the divas here would have understood that no streamer can really control what their chat says. However, it's a completely different thing if you don't do anything to punish your chat and instead even encourage them by agreeing with them.”

“Please enlighten us, Mr Taika, we are all very curious as to what you meant when you agreed with your chat,” Tessa asked with a beautiful smile.

“I..... I.....” Prime stuttered as he tried to think of a way out of this situation.

“Yes, Prime, I'm sure the divas' fans are also very interested to know what you meant by that,” Eri stated.

“Perhaps if your reason is good enough you might be able to tempt my grandmother and Diva Aphrodite into accompanying you,” Stacey said with a smile causing the two divas to shoot daggers at her, however she ignored them and continue, “However I'm afraid Lorelie will be abit busy tonight heping

me satisfy OUR boyfriend since he was so heroic when he killed the Scorpo and saved the Levithan, that he deserves a reward suitable to his heroicism.”

“I agree that Mr Spencer is deserving of a suitable reward for his heroic actions; however, as a princess, I regretfully can not volunteer to join you and reward him personally, so I therefore offer Becky here as a replacement for myself in rewarding Mr Spencer tonight,” Tessa suddenly suggested.

“If it is my princess's command, then I will naturally obey and will do my utmost to reward Mr Spencer along with you both until he is thoroughly satisfied,” Becky replied politely, though it was spoiled by the obvious lust in her eyes.

“As Diva Lorelie’s chaperone, I believe it is only appropriate that I accompany her everywhere, including when she rewards her boyfriend for his heroic actions,” Eri added.

“I don’t have any plans tonight, and a true hero needs a proper reward. Plus, from what you have told us about your boyfriend, I’m very keen to taste the goods myself. I hope you will allow me to reward him with you,” Mika stated while licking her lips.

“I’m afraid I am going to have to politely decline your invitation since I need to teach my dear granddaughter how to satisfy her boyfriend personally,” Rowena replied.

“Yeah, I’m not interested in someone I suspect is using biggus dickus to increase his dick size. I would rather have the real thing, and how can I miss out on a group sex event with such a heroic man and seven beauties?” Aphrodite stated flatly, not even trying to be polite.

“Well, ladies, it seems it’s decided. Shall we all head back to my suite and prepare the surprise? I’m sure Adam will love being able to have each of us tonight,” Lorelie said with a smile as she gracefully stood up before heading for the VIP boxes exit, while the other ladies followed suit, completely ignoring Prime as if he wasn’t there and discussing their evening plans with excitement.

“Yes, let’s not keep our boyfriend waiting,” Stacey said in agreement.

“If he’s as good as you say, I may have to make him my boyfriend as well,” Aphrodite stated.

"I agree," Becky stated.

"Maybe it's time I looked for a new husband, Adam does suit my tastes and seems worthy," Rowena said thoughtfully.

"Maybe I can get Adam to show me his mech in the morning; we could even go for another round inside its cockpit," Mika said in excitement.

"I wonder if I should make a post about being able to have sex with multiple divas at the same time," Eri said thoughtfully.

"I'm sure you will all have an enjoyable and satisfying evening," Tessa stated.

Prime gapped and could not think of anything to say as he watched the group of eight beauties leave together while happily talking about having a group sex session with one man as a reward.

Finally, all he could do was curse under his breath before quickly leaving the VIP box since he wasn't in the mood to converse with the other VIP's and instead just wanted to find a woman to release his anger, jealousy and embarrassment on.

"Hahahahaha," Well, that was fun," Rowena said with a laugh as the group of women walked down the hallway outside the VIP box.

"Yeah, did you see Taika's face and the clear jealousy on it?" Mika replied with a smile.

"I did, nice plan, Lorelie," Stacey said as she sideled next to Lorelie and gave her ass a gentle squeeze.

"Save it for later," Lorelie said as she gently battered Stacey's hand away, though there was clear desire in the eyes of both women, and they weren't the only ones.
