

## S.P.E.C.T.O.R 385

Chapter 385: Lorelie's reason\*\*

"So, care to explain why you want Diva Aphrodite to become Adam's lover?" Stacey asked as she used her ample breasts to give Adam a tit wank before lowering her mouth around the tip of his cock and starting to suck it.

"Mmmm?" Adam mumbled curiously into Lorelie's wet pussy as she currently sat on his face and allowed him to lick her out while she played with her own breasts.

"Mmmm soooo good," Lorelie moaned in pleasure as Adam mumbled into her pussy, causing her to shiver in pleasure before she asked through moans, "do we really mmmm have to discuss this mmmm now?"

Stacey flicked the end of Adam's cock with her tongue, making him shiver in pleasure before removing his cock from her mouth and saying with a sexy smile, "Seems like an opportune time to me, we are alone after all, and this will help with your training. Unless, of course, you want Adam to stop licking you out while you tell us?" After speaking, Stacey went back to hungrily sucking on Adam's cock as if it were her favourite dessert, which in a way it was.

"Mmmm, no no, mmmm don't stop mmmmm," Lorelie moaned in pleasure as she reached around behind her with one hand and ran it through Adam's hair before gripping it to make sure he wouldn't try to stop.

"It's mmmm, it's as I told Adam before, mmmm, having Diva Aphrodite join Royal Entertainment now that it's mmmm, it's his, along with me and mmmm, Rowena, will help it gain mmmm, recognition with the other mmmm celebrities and diva, mmmmm," Lorelie explained through pleasurable moans before she continued.

"Mmmmm, having her join mmmmm, the harem will ensure that she doesn't mmmmm, doesn't leave in the future. Plus mmmmm, plus she can help bring in celebrities that Rowena and mmmmm, and I are not familiar with."

"It sounds like you want to make every diva one of Adam's women? Including my grandmother," Stacey asked as she stopped sucking Adam's cock for a moment before continuing.

“Not mmmmm, not every diva. Not the ones already mmmmmm, already in a relationship or male mmmmmm. Though I’m open to the idea of mmmmmm of Rowena joining mmmmmm.”

“You want me to share my boyfriend with my grandmother?” Stacey asked in surprise, and after she finished speaking, she noticed that Adam’s cock twitched slightly due to possible excitement.

“Why does this thing seem so excited about that notion?” Stacey asked with narrowed eyes while gripping Adam’s cock harder than normal and making him groan in pain into Lorelie’s pussy.

“FFFFUUUUUUUUCCCCCKKKKKKKKKK,” Lorelie cursed loudly as she arched her back and grabbed Adam’s hair harder as she climaxed and sprayed juices all over his face before she collapsed sideways onto the bed, panting.

Adam whipped some of her juices off his face while looking at Stacey, who still held his cock in a vice-like grip before saying with an apologetic smile, “I can’t help that I find her attractive, ok? I mean, have you seen her? She’s like a more mature version of you.”

Stacey released the pressure slightly after hearing his compliment, but immediately gripped it even tighter after hearing his next words.

“Besides, have you seen her ass? You both have great asses, but Rowena’s is on another level. What guy doesn’t want to play with that ass?”

“You and your fucking thing for ass-play,” Stacey cursed.

“Oh fuck, it’s not enough, I want him so bad,” Aphrodite complained as she gave up trying to satisfy herself and lay sprawled naked on the bed in her suit.

She had been trying to satisfy her sexual desire ever since she had returned to her suite; however, no matter how much she played with herself and attempted to imagine herself with Adam, her body just refused to climax and be satisfied.

“I’ve never had trouble satisfying myself in the past,” Aphrodite began to complain to no one in particular, “sure, I never normally have to satisfy myself since I can get anyone I want, only I don’t want anyone other than Adam now.”

“FUUUUUCCCCCKKKKKKKK,” she screamed in frustration as her eyes and horns began to glow pink and her body released her pheromones.

“I want him, I WANT him, I WANT HIM, I WANT HIM, I WANT HIM, I WANT HIM, I WANT HIM.” Aphrodite began to shout as her eyes glazed over and she dug her nails into the bed sheets, tearing them.

The eyes of the people in the hotel rooms and suits surrounding Aphrodite’s glazed over in a way similar to hers before they pounced on whoever was sharing the same room as them and began to have sex rampantly without restraint, while those who were alone in the room quickly left to find someone to fuck.

“UGH!” Aphrodite grunted as she closed her eyes and dug her nails even deeper into the bed so that they pierced the mattress.

She stayed like that for several minutes as her body twitched occasionally until the glow in her closed eyes and horns began to fade as she relaxed on the bed before taking deep, calming breaths.

It took Aphrodite several minutes of deep calming breaths for her to calm down enough to curse and say, “Fuck, does he really have that much effect on me? It’s been over two millennia since I lost control like that and let my lust run wild, not since I first entered puberty and learnt to control it.

This isn’t good. I need to satisfy this lust, or I might keep losing control. The issue is, I can’t just go fuck anybody because my body craves Adam. How am I supposed to get satisfaction from him when his lovers won’t let me fuck him? Well, Lorelie sounded as if she might be open to the idea, but that still leaves Stacey.

I can’t just force it because that will ruin any chances I actually have to join their group, their harem.

Even if I can't have Adam screw me right now, I can at least waylay my desire and lust for him if I can get my body some of his cum.

Do I really need to do something like that? I can't believe I'm actually considering this. When have I, Diva Aphrodite, the woman known to provide the greatest sexual pleasure in the entire universe, ever had to consider giving a man a secret blowjob?

And not even the fun kind, where I can watch him squirm and try to keep quiet so we don't get caught while doing it in a public place.

No, this time I need to suck a man off while he's asleep, and make sure he doesn't wake up, ugh, this is so frustrating.

Damn Rowena, if she had only dominated me like I asked, I would have had to do something like this so soon, if at all."

After complaining to herself and cursing Rowena a few more times, Aphrodite got up and quickly got dressed in some dark clothing before quietly leaving her suit and making her way towards Lorelie's.

As she reached the door to Lorelie's suite, Aphrodite pulled up a program on her unit band before holding it up to the suite's door access pad.

Only she knew where she got this type of program, but after a few seconds, the door access pad let out a small beep before the door opened.

She stuck her head around the edge of the door to make sure that there was no one in the main living room area before sneaking quietly inside as the suit door closed behind her.

[[Alert]]

Adam, who had been sleeping, was suddenly awoken by Spector's announcement, and as he opened his eyes, he found that Stacey and Lorelie were both snuggling up next to him, causing him to smile sleepily at the pair.

Stacey had severely edged Adam for several hours while making him pleasure them both, Aphrodite and herself, after what he had said about Rowena, until she finally gave him release in her pussy.

{What's wrong?} He thought while holding in a yawn.

[[Someone has just broken into the suite through the front door.]]

{What? How? Why didn't you stop them?}

[[They used some advanced hacking software installed on their uniband. I didn't stop them because they are one of your companions' friends and have been allowed entry previously.]]

{Not while everyone is sleeping, though.} Adam admonished before asking, {So who is it?}

[[According to their uniband, it is Diva Aphrodtie.]]

{Diva Aphrodite? Why is she here? Does she plan to force herself onto Rowena after she was refused before?} Adam wondered as he carefully removed himself from his girlfriend's embrace so as not to wake them, before climbing out of bed and heading towards the bedroom door.

[[Unlikely.]]

{Why do you say that?}

[[Because she appears to be heading for the master bedroom.]]

As Spector finished its response, Adam saw the bedroom door slowly open, causing him to dash to the side just before he noticed a pair of fairly glowing pink eyes looking inside.
