Chapter 388: Aphrodite's new emotion***

Aphrodite sat handcuffed to the chair and watched the three naked individuals' actions with growing excitement and lust that made her pussy start to tingle and drip with liquid.

She had never experienced this sort of situation in the past. Even the times when she had allowed another person to dominate her, they had always attempted to dominate her physically because the pheromones she released made it impossible for them not to want to touch her.

Yet now here she sat, bound to a chair and forced to watch but not touch as Adam, Lorelie, and Stacey enjoyed each other's bodies while she was forced to watch but not touch, even herself.

Aphrodite could tell that her pheromones were indeed affecting them; however, their desire was towards each other rather than her and for the first time in her life, she felt something she and no one else had ever thought she, the diva of sex who could get anyone they wanted, would feel: jealousy.

She was surprised, however, that she didn't hate this feeling. This was the first time in her over two millennia of life that someone was able to resist her pheromones and natural charms, and amazingly, it was three of them.

Never before had any of her lovers made her wait this long to be touched or given physical pleasure, yet now that time was only increasing, and as it did, her desire for not only Adam but also Lorelie and Stacey increased as well.

Adam was the clear priority for her and her body; however, as she heard the soft, tantalising moans of pleasure coming from the two women, Aphrodite couldn't deny that she was starting to feel attracted to them as well, just not as much as the man who stood naked before her with one woman sucking his bulging cock which even Aphrodite found appealing in size and the other kissing him passionately while he fingered her wet pussy.

The juices being released from Aphrodite's pussy were only increasing, and they started to breathe slightly heavier as she watched the three people play with each other less than a meter away, but still out of reach.

Adam broke the kiss with Lorelie before looking at Aphrodite and her body's current state with a smile before saying, "It seems you like watching us."

"I won't deny that, and I'm actually surprised myself. This is the first time I have been made to wait so long, and honestly, I find it a stimulating new experience," Aphrodite replied.

"Well, get used to it as it's likely to be this way for a while, assuming you don't give in to your desires and go fuck someone else," Adam replied.

"For once, I don't think that's going to happen because right now, the idea of anyone other than you three touching me feels wrong."

"Perhaps she will be able to join us in the future," Adam said as he turned and spoke to Lorelie.

"Yes, my love. It will be beneficial to us both in the bedroom and out of it," Lorelie replied.

"This would definitely make for a great VR porn video," Aphrodite remarked with an excited look.

"You're right, though, if you plan to star in it personally, then you won't be joining our group," Adam replied.

"Why? Are you against being the one I fuck in my future VR porn videos?" Aphrodite asked in disappointment.

"Not at all, in fact, if you become my girlfriend, one of our lovers, I would be more than happy to help you with your career, as long as my face doesn't appear in it. Just as I am helping Lorelie. The issue is that it is not something my girlfriends will find appealing, and I don't touch other women without their permission."

"I see," Aphrodite replied with an obvious sigh of relief before saying, "Well, it's something to keep in mind for the future, though I am glad to know that being with you means I won't have to give up my career."

“Would you have given it up to be with him? I know you said before that you would if you found someone to spend your life with, but did you truly mean that?” Lorelie asked.

“I did and I would, Aphrodite replied honestly.

“Then it’s a good thing my boyfriend is so agreeable and supportive of his girlfriend's career, mmmmmmm,” Lorelie replied before moaning as she felt Adam’s lips latch onto her breasts and start to suck them.

Lorelie thrust her chest out more so that Adam could take even more of her breasts in his mouth while running her hands through his hair.

“Mmmm, I love the way mmmm you always mmmm make me mmmmmm feel my love mmmm.”

Stacey, not wanting to be outdone, rolled onto her back and allowed her head to fall off the edge of the bed while still sucking Adam’s cock before tapping his leg.

Seeing how Stacey had repositioned, Adam under her intentions and desire and started to thrust his hips slightly while she grabbed each of his ass cheeks in one hand in order to help him fuck her mouth.

“Gah, gah, gah, gah,” Stacey started to make small gagging noises each time Adam’s cock penetrated deep into her; however, she didn’t ask to stop and instead began to tug on his ass each time he thrust forward.

“Fuck that’s hot,” Aphrodite remarked as she watched Stacey being face fucked by Adam, who was giving both his women what they desired as she could tell that both Lorelie’s and Stacey’s lust and desire increased every moment.

“Mmmmm, you have mmmm no idea mmmmm how hot and mmmm horny we all get mmmmm each night mmmn,” Lorelie said through moans of pleasure.

“I can see that,” Aphrodite replied as she shifted slightly in the chair she was bound to because the seat was starting to get wet from the fluids her pussy was releasing.

“When you mmmm become Adam’s girlfriend, you will mmmm join us in mmmmm pleasuring him and being pleased in mmmmmm ritURNNNNNNNNN,” Lorelie spoke until she couldn’t hold on any longer and climaxed from Adam’s continual fingering and sucking of her breasts before collapsing into his embrace.

Adam removed his fingers from her pussy, and while looking at Aphrodite provocatively, he started to lick them clean of her juices.

“Damn, I’m so jealous of you right now, Lorelie,” Aphrodite complained as her eyes never left Adam.

“Hehe, good. Then prove your loyalty quickly so my love can help you climax whenever you want,” Lorelie replied with a giggle and sultry smile.

“She still has a long way to go, fuckkk,” Adam replied before giving a cursing grunt as he emasculated and sprayed his seed into Stacey’s mouth pussy and down her throat.

Stacey’s eyes widened before she started to work hard, swallowing most of the cum while some escaped her lips, and tears ran from her eyes.

After several seconds of hard work, Stacey pushed Adam back slightly, indicating for him to remove his cock from her.

As he did so, she started to take deep breaths through her nose while her mouth opened slightly to reveal the cum that was still inside it.

After showing everyone, she got up and moved towards Lorelie while shooting Aphrodite a gloating look before she gently held Lorelie’s face and pried her mouth open a bit.

Everyone watched as Stacey opened her own mouth slightly above Lorelie’s and let the remains of Adam’s cum fall out of her own mouth and into Lorelie’s, who, although surprised at first, happily started to accept it a moment later.

“Fuck that’s hot,” Adam remarked as he watched Stacey’s actions in surprise.

“I agree, I’m so fucking jealous right now,” Aphrodite replied as the seat beneath her got even wetter.

After all the cum had fallen from Stacey’s mouth into Lorelie’s, Stacey turned to look at Aphrodite. At the same time, her hand went down and started to wank Adam’s cock again before saying provocatively, “Then you better work hard to prove yourself so that you can pump Adam’s cock for his delicious cum.”

Aphrodite looked down at Stacey’s hand, which was wanking Adam's cock and widened her eyes in surprise before saying, “He’s already hard again?”

“Brilliant, isn’t it?” Stacey replied before saying in a floating tone, “Our boyfriend only needs a short time before he can go again.”

“You have no idea,” Aphrodite replied before continuing, “I have been with countless men over my life, and only a small number are capable of going again so soon; it’s the primary reason I have to go elsewhere to find satisfaction.”

“Why do you think he’s been able to satisfy us each and every night? In fact, it’s usually us who can’t fully satisfy him,” Lorelie replied.

“I told you not to worry about that. I’m more than happy with what I get from both of you already,” Adam replied as he grabbed the asses of both girls and started to squeeze them.
