Chapter 389: Thanks for the meal***

“It’s very surprising, actually, it seems the more our boyfriend makes love to us, the more time he can go until he is fully satisfied,” Stacey remarked before realising something and turned to Lorelie while asking, “Is this another reason why you want to increase the number of members in the harem?”

“Bingo,” Lorelie replied while sticking out her tongue before she continued, “we wouldn’t be very good girlfriends if we only cared about our own satisfaction, would we? It would make us the opposite of Gunlovergirl’s ex, whom she was talking about in the chat.

Besides, more powerful and influential lovers for Adam means that our family will also become more powerful and influential. Personally, I’m hoping to get Muriel into the harem. I would love to satisfy Adam with her, not to mention she’s super hot.”

“Muriel? That Watersphere player you’re a huge fan of? Isn’t she from a race where the women have dicks?” Adam asked with slight apprehension.

“Syngnathidae, yes,” Lorelie replied before asking, “Is that a problem?”

“Just not sure how I feel about one of my lovers having a dick. Also, would she even want to be with a guy she can’t have kids with? Since in her race the female impregnates the male,” Adam replied.

“I guess we will have to wait and see, maybe I will message her tomorrow and ask her about the idea,” Lorelie said with a wink.

“Naughty girl, how long have you been thinking about this whole harem thing anyway?” Adam asked with a smirk as he gave Lorelie’s ass another squeeze.

“Hehe, I’m only naughty with you, my love. To answer your question, however, since I learnt that you were dating Stacey. I knew then that I would have to share you with other women, so I considered something along these lines.

However, it was only after Revi stated that you needed to build your reputation in the universe and Rowena and I suggested you buy Royal Entertainment that it became a serious idea.”

“You're really going to have to change that name after acquiring it,” Aphrodite stated.

“You mean Royal Entertainment?” Adam asked.

“Yes. Right now, anything connected with the Terrans automatically gets a negative impression; that’s one of the reasons why Royal Entertainment was never that big of an entertainment company and hardly any celebrities that weren’t Terrans signed with it.”

“The whole Solarian Princess thing,” Adam said in understanding before adding, “It’s something to consider that’s for sure.”

“Stop with the boring talk and fuck me already,” Stacey suddenly said in a sultry voice as she bent over and showed them all her ass, which she shook temptingly.

Adam approached her and began to rub his cock between her ass cheeks while squeezing them with his hands before he asked, “Which hole do you want it in this time?”

“Stacey likes to take it in the ass?” Aphrodite asked in surprise and excitement.

“She has done it once, and although she refuses to admit it, it was obvious she enjoyed it,” Lorelie replied as she stood behind Adam and pressed her breasts into his back while wrapping her arms around him so that she could grip his cock.

“Hump,” Stacey replied simply and was about to answer Adam’s question when Lorelie beat her to it.

“Why don’t we show her?” Lorelie whispered into Adam’s ear temptingly before lining his cock up with Stacey’s ass hole and pushing his hips from behind with her own so that his cock penetrated Stacey’s ass hole.

“EHHHHH FUUUCCCCCKKKKKKK,” Stacey screamed in pleasure before burying her head in the bedsheets and biting them to muffle her voice as she felt Adam’s thick cock penetrate her.

“See, she enjoys it,” Lorelie said as she shot Aphrodite a sexy smile while helping Adam thrust his hips back and forward.

“It’s been ages since I last had a cock in my ass,” Aphrodite said in disappointment as her eyes glued to Adam fucking Stacey’s ass hole.

“You're into anal?” Adam asked with a grunt as he enjoyed the tightness he felt around his cock.

“Anal?” Aphrodite asked.

“It’s what they call it on Adam’s homeworld when you fuck the ass hole on,” Lorelie explained before she started to lick and suck Adam’s ear while feeling up his chest.

“Is it a common thing on your planet?” Aphrodite asked before saying excitedly, “I do enjoy anal, it’s just most men are pussies and have a thing against putting their dicks in a woman’s ass.

I mean, if I can take their dick in my mouth, why can’t they put it in my ass?”

“Do you clean it off with your mouth after it’s been in your ass?” Adam asked as he continued to thrust into Stacey’s ass, who was still muffling her moans of pleasure in the bedsheets.

“Dunno, the opportunity has never come up, those who have fucked my ass in the past haven’t lasted long enough for me to test it since they came so quickly at the feeling of my tight ass on there cocks and so I lost interest in them and went to find pleasure elsewhere,” Aphrodite replied before looking at Lorelie and asking, “Have you tried it yet?”

Lorelie stopped nibbling Adam’s ear and turned to look at Aphrodite before saying, “Not yet, should I try after he is done with Stacey?”

“Oh, progenitor, yes. I would love to watch that,” Aphrodite replied with clear excitement.

“I’m keen to try it myself, but why should I let Adam take my anal virginity in front of you? You’re not one of us yet. What can you offer us that I will allow you a front row seat to view that privilege?” Lorelie asked with a smirk as she took hold of one of Adam’s hands and led it to her ass hole.

Adam, understanding her intentions, slid a finger inside her asshole, making Lorelie moan in pleasure before she bit down on his shoulder to muffle the sound.

“What can I even offer in this position?” Aphrodite asked while moving slightly in order to make the handcuffs clink.

“Mmmmmm, good point mmmmmm,” Lorelie replied.

“How about this?” Adam said before leaning in and whispering something in Lorelie’s ear, whose eyes widened in surprise.

“Are you sure? Doesn’t that go against her punishment rules?” Lorelie asked in return, making Aphrodite curious.

“Not really, since I won’t be touching her, and I did say the two of you can do what you wish with her. Only this way she is working to please you until I’m done with Stacey.”

“Fair enough,” Lorelie said with a happy smile before kissing Adam passionately for a few seconds, after which she broke away from him and approached Aphrodite while shaking her ass for the man she loved.

“What are you planning?” Aphrodite asked with a mixture of excitement and curiosity.

“This,” Lorelie replied before lifting one of her legs and placing her foot into the wall behind Aphrodite that the chair she was handcuffed to leaned against.

“Now lick,” Adam instructed as Lorelie’s wet pussy appeared right in front of Aphrodite’s shocked eyes.

“Oh my, how exciting, don’t mind if I do,” Aphrodite replied while licking her lips before extending her tongue and burying her mouth in Lorelie’s wet pussy.

“Mmmmmmm,” Lorelie moaned in pleasure as soon as Aphrodite's tongue touched her wet pussy and pushed its way inside.

“SOOOOOOOO MMMMMMMMM GGGGGOOOOOOOOODDDDDDDDDDD,” Lorelie yelled in pure pleasure, surprising Adam, whose eyes went wide.

“Is it really that good?” He asked curiously while he continued to thrust his cock into Stacey’s ass hole.

“Fuuuuccckkkk yyeeeeesssssss mmmmmmm,” Lorelie replied as her legs started to shake slightly.

Noticing that Lorelie’s legs were shaking slightly, Aphrodite pulled her mouth back and licked her lips with a sultry smile that she gave Adam before saying, “Thanks for the meal.”

“She didn’t climax, did she?” Adam asked, since he knew how Lorelie was when she climaxed and although her legs shook, that only indicated that she was close.

“No, I stopped before she could, since she would have fallen on top of me otherwise, and while I would normally be fine with that, we could both end up getting hurt since I’m currently bound to this chair,” Aphrodite explained before continuing.

“What I mean is the fluids that I got from Lorelie have calmed the raging lust that has been building in me, and I now don’t need to be concerned about losing control.”

“So in the end, you were lying when you said that my cum alone could satisfy your lust?” Adam asked as he shot Aphrodite a cold look that made her panic slightly.

“No, no,” Aphrodite quickly replied while shaking her head before quickly continuing, “When I arrived here tonight, that was indeed the truth; however, after you all started performing in front of me, my lustful desires increased to include both Lorelie and Stacey.

Don't get me wrong, you're still the one I want to most; however, because my body now lusts after those two as well, their fluids are able to calm my raging lust..... for now."
