### Chapter 442: Star Of The Universe

“Which subject, honoured progenitor?” Rowena asked.

“Both, but let’s start with Stacey’s stabbing,” Vlad replied.

“Very well, it’s like this progenitor,” Rowena replied before explaining to Vlad exactly what was about to happen to Stacey.

“That’s fucked up. Someone is going to be so cowardly as to stab Stacey in the back?” Celeste asked before adding, “Then what are you doing here? You need to stop it from happening.”

“We can’t,” Rowena replied with a sigh.

“Why not?” Celeste asked in confusion.

“Because they are worried that interfering will change Stacy's future,” Vlad replied before looking at Rowena and asking, Right?”

Rowena nodded with a sad look in her eyes.

“Huh?” Celeste replied as her confusion grew.

“Getting stabbed is a major event in Stacey's life that I’m sure helped influence the path that she would take. If she were no longer to get stabbed, then there is a high possibility that she would no longer make the same choices in her life,” Vlad explained.

“You mean meeting him?” Celeste asked Rowena, while thumbing towards Adam.

“Yes,” Rowena replied and was about to continue when the music coming from the holographic screen suddenly caught her attention and caused her to look at it with surprise.

The others followed her gaze and saw that the holographic screen showed a young girl with blue hair, around the age of seven or eight, singing on a stage in front of a panel of judges and a studio audience.

[OfficialLorelie (Felinia 7): Oh gods. 🤩]

[OfficialAphrodite (Felinia 7): No way. Is that what I think it is?]

[Phoenixempress (Fenix Nest): Oh wow, this brings back memories.]

“Lorelie?” Adam asked in shock as he stared at the young girl on the holographic screen.

[Celebrityhunter69 (Earth): Wait, what? That’s Diva Lorelie? 🤩]

[Noobkiller9000 (Earth): No fucking way. Seriously?]

[OfficialLorelie (Felinia 7): 🤩]

[OfficialAphrodite (Felinia 7): She's not a diva there. In fact, I believe that's one of her very first public appearances.]

“You know her?” Celeste asked before adding with a teasing smirk, “Don’t tell me you're dating that little girl also.”

“As a matter of fact, he is,” Rowena replied with her signature smirk.

“Huh?” Celeste replied in shock before frowning at Adam and saying, “You really are a pedo.”

[OfficialAphrodite (Felinia 7): Hahahah, That never gets old. 🤩]

“She’s like twenty-five and older than I am in our time,” Adam replied with a frown.

“Ohhh, so you're into older women?” Celeste replied with a wink.

[OfficialAphrodite (Felinia 7): He better be. 🙄]

“So who is she?” Celeste asked curiously while looking back at the holographic screen.

“You don’t know her?” Adam asked in surprise.

“Of course not,” Celeste replied while rolling her eyes as if that was obvious.

“It’s not surprising,” Rowena replied before continuing as Vlad listened in with interest.

“That show is called Star Of The Universe. It was a talent show started by several entertainment companies with the purpose of finding the universe's next stars and hopefully divas.”

“Heh, as if they could find a diva from random people auditioning,” Celeste remarked.

“Shows what you know,” Adam replied proudly before adding, “That girl there will one day be the top diva in the entire universe.”

[OrangeeyedStace (Felinia 7): Haha, look how proud our boyfriend is of you.]

[OfficialLorelie (Felinia 7): 😊👍🥰]

“No way,” Celeste replied disbelievingly.

“It’s true, Lorelie will become the biggest diva in the universe thanks to her discovery of an entirely new genre of music,” Rowena stated with a smile.

“A new genre of music? Impressive,” Vlad said in an impressed tone.

“I always thought you would be the biggest diva,” Celeste said to Rowena.

“That's sweet, Celeste, but my audience size as a model is far smaller than Lorelie's, who is a singer,” Rowena replied.

“So I take it Drotas Entertainment ends up signing her?” Adam asked as he watched Lorelie finish her song before bowing to the judges and audience.

“That's right,” Rowena replied with a nod before adding, “Lorelie ends up finishing third.”

[Celebrityhunter69 (Earth): 3rd? With her voice? That's a robbery.]

[Superhearofangirl (Earth): Agreed. She totally should have won.]

[OfficialLorelie (Felinia 7): It's fine. I was only 7 back then and my vocal cords were still growing and I had lots of room to improve.]

“Hang on,” Celeste suddenly said as she realised something before pointing at Lorelie and asking, “Doesn't that mean you're dating both Stacey and this little girl?”

“Little girl?” Adam asked.

[OfficialLorelie (Felinia 7): Little girl?]

[OfficialAphrodite (Felinia 7): He didn't think you were little when you were in bed last night. 😏]

[OfficialLorelie (Felinia 7): Aphrodite. 🤔]

[Gunlovergirl (Earth): Ohhh, what happened?]

[OfficialAphrodite (Felinia 7): You wanna know? 😏]

[OfficialLorelie (Felinia 7): No, she doesn't.]

[Gunlovergirl (Earth): Yes, I do.]

[OfficialAphrodite (Felinia 7): Well..... That's a secret. 🤫]

[Gunlovergirl (Earth): .... Bitch. 😏]

[OfficialAphrodite (Felinia 7): The streamers' personnel bitch. 😏]

[OfficialLorelie (Felinia 7): 😏👉]

“If you think that's surprising, you will be shocked to find out what other diva is interested in Adam and trying to become his lover,” Rowena said as she shot Adam her signature smirk, making him roll his eyes.

“Other diva? Who?” Celeste asked with interest.

“Aphrodite,” Rowena said, making even Vlad show a look of surprise.

“Diva Aphrodite? Seriously?” Celeste replied while turning to Adam and looking him over again with obvious new interest.

[OfficialAphrodite (Felinia 7): Damn straight, girl.]

“For once, I feel sorry for you,” Celeste finally replied.

[OfficialAphrodite (Felinia 7): WTF bitch. 😏]

[OrangeeyedStace (Felinia 7): 🤔]

[OfficialLorelie (Felinia 7): 🤔]

“Hehe,” Rowena giggled.

[OfficialAphrodite (Felinia 7): Rowena, you bitch. 😏]

“Thanks, I think,” Adam replied.

“Attracting Diva Aphrodite's interest is no simple thing,” Vlad said in an impressive tone.

“Oh, please, she's the biggest slut in the universe,” Celeste said while rolling her eyes.

[Celebrityhunter69 (Earth): Wow, Diva Aphrodite, even eighteen years ago, your reputation sucked.]

[Handsome3horns (Vinox 2): Sucked like she sucks cock. 🤔]

[1000yearsofdeath (Earth): Kekeke. Good one. 🤔]

[Handsome3horns (Vinox 2): 🤔]

[OfficialAphrodite (Felinia 7): You're just upset that I never sucked your cock, Handsome3horns.

But you're not wrong, Celebrityhunter69. Those in the adult entertainment industry like me get very little respect.]

"You're not following what I mean," Vlad replied before continuing, "I agree that Diva Aphrodite will sleep with almost anyone; heck, she has even attempted to sleep with me before."

[OfficialAphrodite (Felinia 7): WTF, you telling him that for! 😏]

[Noobkiller9000 (Earth): Shit. This stream is full of spoilers, isn't it?]

"Though I naturally refused, of course," Vlad continued. "What I mean is that while Diva Aphrodite will sleep with almost anyone, she won't date anyone. She is very picky about who she chooses to date for some reason that maybe only she knows. Also, I have never heard of her wanting to join a group relationship."

"So what you're saying is that you're impressed that this guy managed to get Diva Aphrodite's interest so much that she wants to join his group relationship?" Celeste asked.

"That's correct," Vlad replied before saying to Adam, "I'm curious to know what she finds so interesting about you. I mean, a Succuba has no interest in pureblood, so what else is there about you?"

[OfficialMuriel (Aqua Primus): A Succuba has no interest in what? The sound cut out again.]

[OfficialAphrodite (Felinia 7): Dunno. I'm curious though.]

"You will have to ask her that in eighteen years, as I guess only she can answer that," Adam replied.

"I suppose so," Vlad nodded in agreement before continuing the original conversation by asking, "So, you plan to observe Stacey's attack and see who did it and how she was healed?"

"That's correct," Rowena replied before asking, "Do you have any idea how she could have healed, progenitor?"

Vlad held his chin and thought for a moment before saying, "Perhaps, but I don't want to suggest it until I know for certain, as it could alter the future that you both know."

"I understand," Rowena replied before adding, "But I'm afraid you won't be able to observe with us progenitor."

"Oh! Why not?" Vlad asked with a raised eyebrow.

"You're supposed to make an appearance at the festival of blood this year, progenitor," Rowena explained.

"Am I?" Vlad asked in mild surprise.

"Seriously? You haven't made an appearance at the festival in like four years," Celeste stated.

"You're right. I wonder why I chose to appear this year," Vlad replied before asking Rowena, "Does something important happen at this year's festival of blood?"

"Yes," Rowena replied before looking at Adam, who nodded in understanding before saying, "Spector, mute stream audio."

[[Affirmative.]]

[Handsome3horns (Vinox 2): OH COME ON! AGAIN? WTF MAN. 😊]

[Superior4horns (Vinox 3): Diva Rowena doesn't want her secret getting out, you idiot.]

[AlamoMatador4thewin (Earth): Gotta respect the streamer for looking out for his girlfriend's grandmother.]

[Emojisonly (Earth): 🌍]

“Stream audio?” Vlad asked as he heard Adam’s words.

“Oh, right, I am streaming right now,” Adam replied as he pointed just over his shoulder, where one of the microcams suddenly became visible for everyone to see.
