Chapter 518: Begging and the Wheelbarrow***

Rowena smiled as she looked down at Adam, who had just moved slightly while making a groaning noise, meaning that he was on the verge of waking up.

Looking back up at the two holographic screens of her friends, Rowena said, "Well, excuse me, ladies, but darling is about to wake up and I need to go get my ass fucked."

"Excuse me?" Erkath asked in shock.

"Pardon me?" Kasumi asked in equal surprise.

"I will speak to you both at some point tomorrow. Something tells me I'm going to have a busy night and I can't wait," Rowena replied, and just as the two women started to respond, she ended the two holocalls.

"Ugh, Rowena. Do we have a visitor?" Adam asked as he opened his eyes and blinked a couple of times so that he could focus on Rowena's beautiful face and white hair.

"No, darling. I was just on a call with Erkath and Kasumi," Rowena replied as she stroked his hair.

"Your hair turned white again," Adam remarked.

"It seems to happen every time I drink your delicious blood. It will return to normal soon enough."

"I like it."

"Good, because I like your blood."

"Did you warn Erkath about the whole time-travel thing?" Adam asked.

“Of course, I also asked her to speak to Malacoss.”

“Good. What about Kasumi? You didn’t try to persuade her to join the harem, or anything, did you? I don’t want things to be awkward with your friend.”

“That’s sweet of you to say, darling, but no. I was talking to her about leaving Dynamic Entertainment and joining Spector Entertainment.”

“Oh! Is she interested?”

“Yes. We worked the whole thing out and even found a way for her to leave Dynamic.”

“Without too much trouble, I hope,”

“Nothing you need concern yourself with.”

“I would still like to know.”

“Well, how about I tell you about it tomorrow since we still need to carry on from earlier,” Rowena proposed with a perverted smile.

“I heard you mention wanting your ass fucked to them. Was that really appropriate?”

“Girl talk, darling.”

“Really? Why am I not so sure about that?” Adam asked, causing Rowena to giggle before she bent down closer to his face and looked at him with lustful eyes before saying.

“How long are you going to lie there?”

“As long as possible since it’s comfy and I like how you play with my hair.”

“Well, you can use my lap pillow anytime you like, but right now I want you to fuck my ass already, darling, after all you’ve already made me wait for you to finish your nap.”

“I wouldn’t have needed that nap if someone hadn’t suddenly started drinking my blood,” Adam responded as he removed his head from her lap.

“Are you saying you didn’t like my blowjob feeding?” Rowena asked with a knowing smirk.

“You already know the answer to that, though I think your choice of names could do with some work,” Adam replied before he leaned forward and stole her lips.

Rowena naturally didn’t resist and, in fact, welcomed the kiss as the two of them once more began a tongue battle for a few minutes before she broke the kiss and looked at him with desire while saying in a low, flirtatious voice, “Hurry and claim me as your woman.”

“Doesn’t that normally require me fucking your pussy?”

“For a normal woman, perhaps, but I’m far from normal,” Rowena replied before she rolled away from him and lay down on her front while raising her ass in front of him.

“How can I say no to that?” Adam asked with his own perverted smile while he got onto his knees just behind her ass so that his now once again hard cock could rest against it.

“No man can,” Rowena replied while flashing him a look of desire.

“As long as you don’t offer it to any other man after me,” Adam replied as he fondled her ass cheeks before giving them a quick slap.

“Mmmm, that’s what I like,” Rowena said in a low voice that was full of desire.

Adam smirked at her response before he lined up his erect member and pushed it into Rowena's tight ass hole.

Rowena gasped loudly before moaning in pleasure as she gripped the bedsheets under her.

"Yeeeeesssssss, it's been toooooo looonnnnggg."

"Well, it won't be long between servings of my cock from now on," Adam replied as he started slowly rocking his hips back and forth.

"Fuuuuuccckkkkkkk, this is what I've been dreaming about and waiting for," Rowena replied as she cooperated with Adam's rocking by rocking her ass back and forth in time with him so that he could achieve maximum penetration.

"Fuck, your ass is tight," Adam gasped as he gripped her thighs so that he could put more motion into fucking her ass.

"I train it to be like that. It always feels better when it's tight. You don't want a woman with a loose ass now, do you?" Rowena asked before she bit her lips and moaned into the bedsheets.

"As long as it's your ass, I don't care."

"Sweet talker," Rowena replied with a smile that Adam couldn't see before she added, "But that sweet talking will get you rewards in the future."

"What sort of rewards?" Adam asked before he spanked her ass again.

"MMMMMMMMMMMM, soooo goooooooodddd," Rowena moaned but didn't answer.

"I asked you a question," Adam said before he spanked her again, but harder, making her moan even louder.

“MMMMMMMMMMMM, I know darling, but where would be the fun in telling you. Don’t you like surprises?”

“I have mixed feelings about them.”

“I promise you’ll like this one.”

“Yes, yes, fuck my ass harder, baby,” Rowena pleaded as she moaned in pleasure while raising her ass even higher.

Adam grunted in response before saying, “That’s the first time you’ve called me anything other than darling.”

“Ohhhhhh, I will call you whatever you want if you fuck me like this often enough,” Rowena replied as she swayed her hips slightly to feel Adam’s cock inside her ever more.

“You don’t have to offer me rewards to fuck you, Rowena. Being able to do that is reward enough.”

“You and your sweet words, keep that up and I will actually fall in love with you.”

“So you’re only using me for the sex?” Adam asked with a chuckle as he slapped her ass again.

“Oh no, mmmmmm, it’s for the sex and your blood, but I don’t mind if I fall in love with you since I plan to spend the rest of my life with you.”

“Stop talking about that shit,” Adam replied as he slapped her ass even harder.

“Mmmm, I like it when you spank me hard.”

“Are you purposely trying to make me do it?”

“Mmmmm, Perhaps, I like it rough after all,” Rowena replied before turning her head so that she could look back at him while saying, “Regardless of whether I die with you or not, I always planned for us to spend the rest of our lives together.”

“Why would you want to do that with someone you don’t love?”

“Well, if the sex is good enough,” Rowena replied simply, causing Adam to frown.

“That’s not the answer I was looking for,” Adam replied while hooking his hands under her legs and spreading them while he started to stand up with his cock still inside her.

“Mmmmm, what... what are you doing?” Rowena asked with a mixture of alarm and excitement as the feeling of his cock inside her got more intense.

Adam didn’t respond and continued to stand up while Rowena’s upper body came up with him, forcing her to support herself with her hands braced against the bed.

As he finished standing up and positioned her in the wheelbarrow position, he started thrusting again, making Rowena scream out in surprise and pleasure.

“AAAAHHHHHHH MMMMMMMMMMMM, WHAT THE FUCK IS THIS MMMMMM.”

“The wheelbarrow position, do you like it?” Adam grunted, as this position gave both of them greater pleasure than before.

“FUUUCCCKKKK YEEEESSSS, I’ve never experienced anything like this.”

“Then tell me the truth, or I will stop.”

“No, no, don’t stop, PLEASE DON’T STOP.”

“Then answer me honestly,” Adam growled as he started to slow his thrusting as if to make his point clear.

“Ok, ok, mmmmm, just don’t stop,” Rowena begged in a tone that surprised even her, as no man had ever made her beg for them not to stop.

“MMMM, you’re not the only one who mmmmm, has been mmmm, hurt and has trouble admitting mmmm, how they truly feel, mmmmmm.”

Adam showed a surprised expression, then felt guilty for what he had done, so he began to thrust into her harder and faster than before while saying, “Sorry, I should have realised.”

“MMMMM, it’s fine, darling. Just mmmmm, make me feel this good every time mmmm.”

“Don’t worry, there are plenty of positions left for you to experience,” Adam replied.

“YES, YES, YESSSSSSSS,” Rowena screamed as she suddenly climaxed and juices sprayed out of her pussy onto the bed beneath her.

Her arms gave out as she climaxed and she collapsed onto the bed with Adam supporting her so that she wouldn’t hurt herself.

“SOOOOOO, goooood,” she moaned while her eyes rolled back slightly since Adam had given her pleasure that none of her previous lovers had managed to achieve.

“So you’re a squirter?” Adam asked with a smirk as he slowed down his rhythm to let Rowena rest for a moment.

“Not that I’m aware,” Rowena replied breathlessly before adding, “This is the first time it’s ever happened. It just shows how compatible we are, darling.”

As she finished speaking, Rowena turned her head to look at him again with a beautiful smile that caused Adam's desire for the woman to increase, and as it did, he once again started thrusting into her ass.

"AHHHHHHH, NOOOOOO, I MMMMMMMM, I just came, let me mmmmm rest," Rowena begged through moans of pleasure, but Adam ignored her and continued to pound into her ass.

"YES, YES, YES, Rowena screamed into the bedsheets until she suddenly felt his fingers caress her wet pussy and slide inside.

"FFFFFUUUUUUCCCCCKKKKKKK," Rowena screamed as she arched her back and came for the second time in as many minutes.

The new stimulation of having her wet, sensitive pussy invaded, when combined with the pounding her ass was already taking from Adam's cock, was too much for her body and caused her release.

"Why? Why are you so good? Why do you affect me this way?" Rowena asked breathlessly.

"You said it yourself, we're compatible, darling," Adam replied with a grunt as he finally reached his own limits and unloaded his semen into her ass before allowing her lower body to collapse onto the bed while he collapsed on top of her.

"My ass feels so warm and full," Rowena mumbled before adding, almost as if she was only partially aware she was saying it, "I hope you plan to fill my pussy with that seed in the future so that I can birth your children."

Adam didn't respond and just lay across her back while her long hair, which was starting to return to its natural blood-red, tickled his nose.
