Chapter 562: Text message correspondence

“Honestly, you're lucky I still have questions for you,” Adam remarked as the pair of them flew back up towards the Burj Khalifa’s observation platform.

“NADA, NADA, SPEAK TO ME, SWEETIE,” Kareem Badawi shouted urgently.

“Afraid she seems to have lost consciousness,” Adam replied as he lifted Nada up by the ankle to see that her eyes had rolled back in her head and her mouth hung open.

“DAMN BASTARD, LET MY DAUGHTER GO,” Kareem screamed hysterically.

“Ok,” Adam replied calmly as he once again released Nada just as Ayana yelled.

“NO!”

The pair watched in horror as Nada once again plummeted towards the ground.

[1000yearsofdeath (Earth): He did it again. Kekeke.]

[Gunlovergirl (Earth): Oh my god, this is great. When has anyone ever treated a member of the five families like this?]

[Handsome3horns (Vinox 2): I can’t believe that woman was stupid enough to demand he do that.👎.]

Adam once again tilted forward and entered a dive before flying after Nada, where he reached out and caught her by the ankle again.

Ayana visibly sighed in relief before turning to Kareem and shouting, “STUPID IDIOT! ARE YOU TRYING TO GET NADA KILLED?”

Kareem shrank back at Ayana's reprimand before finally turning quiet.

Ayana sighed before asking, "What do you want with my daughter, Mr Spencer?"

"To find out why she hired an assassin to assist Robert Flemming," Adam replied as they flew back up towards the observation platform.

"Hired an assassin to assist Robert Flemming?" Ayana repeated in surprise.

"Judging by your reaction, I'm assuming you know nothing about it," Adam remarked as he saw Ayana's reaction.

"I do not," Ayana replied while shaking her head before asking, "What did she supposedly assist Robert Flemming with?"

"The kidnapping and attempted assassination of Emma Hopkins," Adam replied, surprising Ayana and Rashida.

"Why would they attempt to both kidnap and assassinate Emma Hopkins?" Ayana asked.

"Robert Flemming hired a team to try and kidnap her, while Nada here hired an assassin to watch over the kidnapping and only attempt to assassinate Emma Hopkins should the kidnapping fail," Adam explained.

"I know nothing of this. Do you have any proof?" Ayana replied.

"I do, but I see no reason to show it to you," Adam stated as he flew through the observation platform's windowless opening and dropped Nada on the floor.

"Would you mind not tossing my daughter around like she's a sack of meat?" Ayana asked in annoyance.

Adam, however, ignored Ayana's remark and began looking around while mumbling, "Now where is it?"

[Prestigious3horns (Vinox 2): What do you think he's looking for?]

"Ah, that must be it," Adam remarked as he saw a lone purse on the refreshments table nearby and walked towards it.

[1000yearsofdeath (Earth): Is he going to rob her? Kekeke.]

[Superhearofangirl (Earth): Dipshit, he's probably after her phone so that his ship's AI can scan it.]

"What are you doing with my daughter's purse? Don't you know it's rude to go through a lady's belongings?" Ayana said with a scowl.

"Some would say that hiring assassins is also rather rude," Adam retorted before he found what he was looking for and pulled out Nada's phone.

[Superhearofangirl (Earth): Told you.]

[[Scanning.]] Spector announced as Adam waved his uniband over the phone.

[[Text message correspondence with Robert Flemming discovered.]]

“Well, how about that,” Adam said with a smirk as a holographic screen appeared before him, showing Robert and Nada’s recent message history and the microcam focused on it so that Ayana could see it.

[Correspondence from: 8 months ago.]

[Robert Flemming: Last night was amazing, Nada.]

[Nada Keita: I bet you say that to all the girls.]

[Robert Flemming: Not anymore, you're the only one I want, Nada.]

[Nada Keita: 😏 So you do say that to all the women, don't think your flowery words will work on me.]

[Robert Flemming: But I really mean it.]

[Nada Keita: Last night was fun, but we both know that's all it was.]

[Robert Flemming: But it can be more.]

[Nada Keita: Drop it.]

[Robert Flemming: But why?]

[Robert Flemming: Nada?]

[Correspondence from: 6 months ago.]

[Nada Keita: Why did you send me that jewellery?]

[Robert Flemming: Did you like it? I hope you did.]

[Nada Keita: Just answer the question.]

[Robert Flemming: To prove to you how serious I am about you.]

[Nada Keita: You think jewellery is enough to sway me?]

[Robert Flemming: Of course not, but you weren't replying to my messages.]

[Nada Keita: You know why I wasn't responding, it wont work. We're from rival families.]

[Robert Flemming: Then why didn't you block me?]

[Nada Keita: I'm starting to think I should have.]

[Robert Flemming: I still would have sent you the jewellery.]

[Nada Keita: Why?]

[Robert Flemming: Because I want to be with you.]

[Nada Keita: ...]

[Robert Flemming: It's the truth.]

[Robert Flemming: Please don't ignore me.]

[Robert Flemming: Nada?]

[Correspondence from: 5 months ago.]

[Nada Keita: Stop sending me gifts.]

[Robert Flemming: Why? You obviously like them.]

[Nada Keita: How did you even know I wanted that limited edition car?]

[Robert Flemming: You posted about it on your socials.]

[Nada Keita: And so you brought me one?]

[Robert Flemming: I would buy you the world.]

[Nada Keita: 🤔 Fuck, how corny.]

[Robert Flemming: It made you laugh, didn't it?]

[Nada Keita: No comment.]

[Robert Flemming: Look, you obviously enjoy talking to me.]

[Nada Keita: Then why do I keep ignoring you?]

[Robert Flemming: Because of our family situations.]

[Nada Keita: If you understand that, why do you keep trying?]

[Robert Flemming: Because, unlike those other men who only want you for your position as Ayana Keita's favourite daughter. I want you for you.]

[Nada Keita: ...]

[Nada Keita: You expect me to believe that?]

[Robert Flemming: Let me prove it to you.]

[Nada Keita: How?]

[Robert Flemming: By cutting ties with the Flemming family.]

[Nada Keita: ... Excuse me. 😊]

[Robert Flemming: I mean it.]

[Nada Keita: You would abandon the Flemming Family and join the Keita family just to be with me?]

[Robert Flemming: If it meant I could be with you, yes, but even if I did, do you really think your mother would agree to us being together?]

[Nada Keita: No chance, but then what did you have in mind?]

[Robert Flemming: We both abandon our families and be together.]

[Nada Keita: You want me to leave the Keita family? Why would I even do that?]

[Robert Flemming: For love.]

[Nada Keita: Love ☹ Who said I loved you?]

[Robert Flemming: Then why are you still talking to me?]

[Nada Keita: I don't know.]

[Robert Flemming: Maybe you should think about that.]

[Nada Keita: I don't need to think about it.]

[You have blocked Robert Flemming.]

[Correspondence from: 3 months ago.]

[You have unblocked Robert Flemming.]

[Nada Keita: How would we even survive without our families?]

[Robert Flemming: I thought you blocked me.]

[Nada Keita: I did.]

[Robert Flemming: Then why did you unblock me?]

[Nada Keita: ... Because.]

[Robert Flemming: Because?]

[Nada Keita: Because I missed talking to you. 🙄]

[Robert Flemming: I missed talking to you, too.]

[Nada Keita: Then answer my question, how could we even survive if we abandon our families? They control half the world, so how can we even hide from them?]

[Robert Flemming: We would need money.]

[Nada Keita: Well, obviously. With money, we can get ourselves new identities, but to hide from both our families, we will need a shit tonne.]

[Robert Flemming: So, where do we get it from? Siphon it from our families?]

[Nada Keita: That's an option, but we would have to do that slowly so as not to be noticed and it could take years.]

[Robert Flemming: True, then we need to acquire it in some other way.]

[Nada Keita: What other way?]

[Robert Flemming: How about dinner and we discuss it?]

[Nada Keita: Fine, but just dinner.]

[Robert Flemming: Of course.]

[Correspondence from: 3 months ago.]

[Robert Flemming: Last night was amazing, babe.]

[Nada Keita: I thought I said only dinner. 😏👉]

[Robert Flemming: Then why were you coming onto me all evening? Or are you saying that it wasn't your foot rubbing against my leg under the tabel?]

[Nada Keita: You played footsy with another woman while out for dinner with me? 😏]

[Robert Flemming: Why can't you just admit it? 😏👉]

[Nada Keita: Are you saying you don't like me playing hard to get? You seemed to enjoy it when you were licking my feet last night.]

[Robert Flemming: You seemed to enjoy dominating me.]

[Nada Keita: That's right, so make sure to please me from now on.]

[Robert Flemming: Yes, my queen.]

[Nada Keita: Good boy.]

[Robert Flemming: How often can I serve you, my queen?]

[Nada Keita: That depends on how good a boy you are and if you please me.]

[Robert Flemming: Yes, my queen, have I proven to you that I am serious about serving you, my queen?]

[Nada Keita: You have made a good start, so keep it up. But for now, we need to think of a way to make a shit tonne of money so that we can be together.]
