Chapter 563: More correspondence

[Correspondence from: 1 month ago.]

[Nada Keita: I have a target in mind from whom we can acquire the money we need.]

[Robert Flemming: Who?]

[Nada Keita: Emma Hopkins.]

[Robert Flemming: An interesting idea, what made you think of her?]

[Nada Keita: I overheard my mother and father talking about how she just earned a lot of money from a recent business venture she partook in.]

[Robert Flemming: She has succeeded in building a rather impressive business empire despite not being related to any of the five families.]

[Nada Keita: Exactly.]

[Robert Flemming: So, how do we go about getting a hold of her money?]

[Nada Keita: You're going to marry her.]

[Robert Flemming: Excuse me?]

[Nada Keita: Well, not you, Robert Flemming, you're mine after all. I mean the fake identity we plan to get you.]

My plan is for you to kidnap Emma Hopkins and then force her into marrying your fake identity. We then arrange an accident that allows you to claim all her wealth and assets.]

[Robert Flemming: How do you suggest we go about forcing her to marry me? Also, are you really happy about me marrying some other woman?]

[Nada Keita: What do you think? 😏 But do you have a better suggestion?]

[Robert Flemming: I don't, so are you thinking we use drugs on her?]

[Nada Keita: That and find a corrupt priest to enact the ceremony and make it official.]

[Robert Flemming: That shouldn't be too hard. Then what about the accident? Are you thinking car crash?]

[Nada Keita: Well, she is known to be a keen collector of classic automobiles. It would be a shame if something happened to her while she was out driving one.]

[Robert Flemming: Agreed, it would be a big shame, though I bet you're just after her collection of limited edition cars. 😊]

[Nada Keita: We will discuss this more in person after my photoshoot and you will kneel on the floor and beg for my forgiveness after making such a comment.]

[Robert Flemming: Yes, my queen. 😊]

[Correspondence from: 1 week ago.]

[Robert Flemming: I have found a group on the darknet that is suitable for the job; they have completed several jobs of a similar nature.]

[Nada Keita: Good, though I was thinking it might be a good idea to hire a second team to watch over the kidnapping, just in case something goes wrong.]

[Robert Flemming: Makes sense. Perhaps we should hire an assassin and give them orders to eliminate Emma Hopkins should the job fail. The last thing we want is our families connecting this to us.]

[Nada Keita: Agreed. However, I will hire the assassin to make it look like they're not connected.]

[Correspondence from: 6 hours ago.]

[Robert Flemming: I have just received word that the team I hired are in place and ready to move after Emma Hopkins returns home tonight.]

[Nada Keita: My team is also in place, but there might be a new problem.]

[Robert Flemming: You mean Adam Spencer?]

[Nada Keita: Yes, why do you suppose he was meeting with Emma Hopkins of all people?]

[Robert Flemming: I don't know, but talk about bad timing.]

[Nada Keita: Do we put the plan on hold until he disappears again?]

[Robert Flemming: No, I say we go ahead with it, though I will warn the team I hired that he was seen with her. Also, it's not like they can be traced back to us if he did interfere.]

“Well, well, well, would you look at that. It seems that Nada and Robert are in a secret relationship,” Adam remarked with surprise.

[Gunlovergirl (Earth): HAHA, called it. Looks like you were wrong @Noobkiller9000.]

[Noobkiller9000 (Earth): Oh, come on, who could have predicted that two members of the five families were secretly in a relationship together and in love?]

[Gunlovergirl (Earth): Me, I did. 😊]

[AlamoMatador4thewin (Earth): Is this some Romeo and Juliet shit?]

[Superherofangirl (Earth): It's kind of romantic.]

[1000yearsofdeath (Earth): Both Romeo and Juliet die. Kekeke.]

[Tessisdabest (Imperial Down): Who are Romeo and Juliet?]

[Celebrityhunter69 (Earth): The Tragedy of Romeo and Juliet, often shortened to Romeo and Juliet, is a tragedy written by a famous playwright about the romance between two young Italians from feuding families.]

[Superior4horns (Vinox 3): It is romantic, the way they're trying to escape their families' clutches to be together.]

[Beczontop (Imperial Down): Except they're planning to kill Emma Hopkins to do it.]

[Superior4horns (Vinox 3): That's true.]

[Justiceistruth (Earth): So in the end, their master plan was to force Miss Hopkins into a marriage with Robert Flemming before killing her off so that he gained all her wealth?]

[StealthAssassin9 (Earth): Seems like it.]

[Tessisdabest (Imperial Down): Are there not laws in place that prevent the spouse from gaining the wealth and belongings on there deceased? It seems kind of an easy way to aquire someones fortune if not.]

[Whostolemyduck (Earth): There are, the most common is called a Prenuptial Agreement or Prenup for short. It's where both parties agree before marriage that in the event of divorce or death, the other party gets nothing.

However, if they indeed planned to force Miss Hopkins to marry Robert Flemming, then I highly doubt they would have used a prenup.]

[Tessisdabest (Imperial Down): Fair point.]

“My daughter was secretly in a relationship with a Flemming? And even planned to leave the Keita family with him?” Ayana Keita remarked in shock as she finished reading the message correspondence.

“It seems you were unaware of your daughter's actions, Mrs Keita,” Adam replied as his eyes rested on Kareem Badawi before he added, “But why does it seem that your lover is not so surprised?”

“What? What? Of course, I’m surprised. I’m just still trying to process this shocking information,” Kareem Badawi replied.

“Is that right?” Adam asked before Spector suddenly announced.

[[Corospondence between Nada Kieta and Kareem Badawi that talks about her plans with Robert Flemming discovered.]]

“Oh, really?” Adam replied as the holographic screen changed to display the correspondence between Nada Kieta and Kareem Badawi.

[Correspondence from: 8 months ago.]

[Nada Keita: Everything went as planned, Father.]

[Kareem Badawi: I'm sorry to put you through this, my daughter.]

[Nada Keita: It's fine, this is for our family and so that you can replace that bastard as mothers legal husband.]

[Kareem Badawi: Thank you, my daughter, but it still angers me to think that you had to do such things with a Flemming.]

[Correspondence from: 6 months ago.]

[Nada Keita: Robert Flemming just sent me jewellery and is begging me to be with him. I have the idiot right where I want him.]

[Kareem Badawi: I'm not surprised, I mean, what man could resist my daughter's charms?]

[Nada Keita: Hehe. 😊]

[Correspondence from: 5 months ago.]

[Nada Keita: He just sent me the limited edition car. Your suggestion to post on my socials about how much I liked it worked.]

[Kareem Badawi: Of course it did, it's not like a man that's obsessed with you can resist the chance to try and please you.]

[Nada Keita: You sound very sure of that, father.]

[Kareem Badawi: Well, I was the same with your mother when I was young.]

[Nada Keita: Hehe, you're such a romantic, I bet mother loved it.]

[Kareem Badawi: So what's your next step?]

[Nada Keita: He made the suggestion about us leaving our families and so I blocked him to make this seem more realistic.

I will have him think that he did something wrong and let him simmer over it and me for a month or two. Though I will make sure not to block him on my socials, however, to keep him keen before I approach him again and claim to have been missing him.]

[Kareem Badawi: A clever plan, my daughter.]

[Nada Keita: I learnt it from how mother likes to treat you.]

[Kareem Badawi: She does like to make me submissive to her. I guess it comes with her being the head of the Keita family and it seems to be something you picked up.]

[Correspondence from: 3 months ago.]

[Kareem Badawi: How was dinner with that idiot Flemming last night?]

[Nada Keita: I made him think that I missed him and indeed want to be with him and started the conversation about how we would leave our families before making him my new pet.]

[Kareem Badawi: Good, but be sure to treat this pet well, at least until his usefulness is used up.]

[Nada Keita: I know, Father.]

[Kareem Badawi: I have found you an appropriate target for the plan.]

[Nada Keita: Who?]

[Kareem Badawi: Emma Hopkins.]

[Nada Keita: Could work. She's rich and has no connection to the five families.]

[Kareem Badawi: Exactly and if the new business venture she just started pays off, it will give you a good reason to suggest her as the target.]

[Nada Keita: I guess the plans are on hold for a couple of months, then, well, at least I can have some fun with my toy.]

[Kareem Badawi: That's not exactly something I, your father, want to hear about.]
