Chapter 656: Discussing Rowena's apology***

"Fuck," Adam cursed as Rowena used her dick-feeding technique on him and sent waves of pleasure coursing through his body while she drank his blood, causing her hair to turn white.

It had been a few hours since the group had had their discussion and when Adam had mentioned that he was going to bed, Rowena had been quicker to react and drag him to her room before Stacey could, eliciting a frown of displeasure from her while several of the other women had flashed Rowena looks of jealousy.

Rowena gave him one last quick suck before releasing his mouth and licking the parts of his dick that she had bitten into, causing them to heal and the blood to stop flowing.

"Yummy," She said happily after licking her lips in a seductive manner.

"I know you said you wanted to fuck my brains out, but do you really think this is appropriate when Lorelie is still in the medical bay?" Adam asked as he looked into Rowena's eyes, that where filled with desire.

"It's fine, she's sleeping right now and it's not like she's in critical condition anymore," Rowena replied.

"Ok, then what about the fact that you tried to kick me to the couch and now you just want to go act like it never happened?" Adam asked.

"Do you really think you can no to this?" Rowena asked in a teasing tone as she posed like the professional model she was while wearing some of Earth's underwear that she knew Adam found attractive on her.

"Maybe I should, just to teach you a lesson and let you experience what you all made me experience," Adam remarked with a frown, though his dick continued to twitch as Rowena gently rubbed it.

“You say that, but I’m not sure this big guy agrees with you,” Rowena said with a smirk as she squeezed his dick slightly harder before continuing, “Besides, I promised to fuck your brains out and show you just how sorry I am for my childish behaviour.”

“Is that why you stopped feeding on me? To fuck my brains out?” Adam asked with a raised eyebrow.

“Yup, if I kept feeding on you, we both know you would have fallen unconscious,” Rowena replied before adding, “Though I’m eager for your body to get accustomed to us both feeding on you so that you don’t collapse after each feeding.”

“Does that happen?” Adam asked.

“Given enough time, it really depends on the individual and race as to how long it takes,” Rowena replied as she had her index finger play with his urethral opening before asking, “So before we begin, why don’t we discuss your harem more?”

“Why are you so good at that?” Adam asked as his body shivered in pleasure.

“I’ve had lots of practice, darling, and I quickly like to discover how to please my lovers,” Rowena replied.

Adam groaned in pleasure before asking, “I thought we covered everything. What else did you want to discuss?”

Rowena moved up the bed slightly while still fingering Adam’s urethral opening before bringing her mouth next to his ear and whispering, “Kasumi and Erkath.” After which she blew into his ear before biting the lobe.

“What about them?” Adam asked as he took the chance to grope Rowena’s ass since she was now close enough.

“Mmmm, you love my ass, don’t you, baby?” Rowena asked with a moan.

“Is there any man that doesn’t?” Adam asked in return.

“Not that I know of; luckily for you, however, you're the only man who can play with it,” Rowena replied suggestively.

“Only man?” Adam asked before adding, “I thought you said you weren’t into women?”

“No, I said I prefer men and have rarely played with women, which is why I never accepted Aphrodite’s constant advances in the past,” Rowena whispered before adding, “Kasumi, however, is another matter.”

“Kasumi?” Adam asked in surprise before remembering something and saying, “Now that you mention it, you did hint at that in the past.”

“There is just something about that girl that makes it difficult for even me to say no,” Rowena remarked.

“I know that feeling well,” Adam replied while squeezing Rowena’s ass.

“Mmm, good to know,” Rowena replied happily before saying, “So if you accept her into the harem, it’s guaranteed that you will be having threesomes with us both.”

Adam released her ass before pushing Rowena away slightly, before he said in a serious tone, “While that’s tempting and all, my original comment still stands. I won’t just accept her into the harem to fuck her; I also doubt that’s something she wants if she’s trying to escape this arranged marriage.”

Rowena smiled before saying, “Relax, babe. Although I want Kasumi to join the harem and become yours, in the end, it’s a decision the two of you have to make, just as it is with Erkath.”

“Then why are you trying to tempt me with a threesome?” Adam asked.

“Is it wrong for a girlfriend to tempt and tease her boyfriend for her own amusement before rewarding him?” Rowena asked in a teasing tone.

"I suppose that depends on who you're teasing and if they're open to it," Adam replied while gently stroking Rowena's cheek.

"Considering you're not raging at me, I'm assuming you're fine with it?" Rowena asked happily as she continued to finger his urethral opening.

"Of course, my love, I understand what sort of woman you are and know that you will give me said reward eventually," Adam replied before adding, "Though I also think I deserve some kind of special apology for your recent childishness."

"Did you have anything in mind, my love?" Rowena asked in return before she leaned forward and started to kiss Adam's neck.

"Shouldn't you be the one to think of a suitable apology, since you were the naughty girl?" Adam asked as he spanked Rowena's ass.

"Fair point," Rowena replied before she sealed Adam's lips and they entered a passionate kiss while she wanked him off and started to rub her pussy through her lingerie.

The passionate kiss lasted for several minutes while they played with one another, making them moan into the kiss before they broke apart and gasped for air.

"Mmm, I love kissing you, darling," Rowena said breathlessly while smiling at Adam.

"I can tell," Adam teased.

"Jerk, you could at least say it back to me," Rowena pouted while hitting Adam's chest.

"Haha," Adam chuckled as he caught Rowena's wrist before pulling her into another passionate kiss, which she greedily accepted.

They once again kissed passionately for several minutes while rolling around on Rowena's bed until she broke the kiss and looked down into Adam's eyes from her position on his chest and said, "How about a foursome as my apology?"

"With Stacey?" Adam asked in surprise.

"No, definitely not," Rowena immediately replied before saying, "With Kasumi and Erkath, assuming they join the harem."

"An interesting and tempting idea, but would you be ok with that?" Adam asked before saying, "You said yourself that the only women your ok beeing intimate with is Kasumi. Also, would those two be ok with it?"

"It's my punishment, right, so I'm happy to do it with Erkath on this one occasion, though I suppose if I enjoy it, I'd be open to doing it again," Rowena replied before smirking and saying, "As for Kasumi, that wont be a problem."

"What do you mean?" Adam asked as he saw Rowena's smirk.

"Kasumi is... what's the term you Earthlings use, oh right, homoflexible."

"Homoflexible?" Adam repeated in confusion before asking, "What's that?"

"You seriously don't know?" Rowena asked in surprise before grinning smugly and saying, "I know something about your race that you don't?"

"So it seems," Adam admitted as he began to grope Rowena's ass again while asking, "What does it mean then and where did you learn it?"

"After that amazing sex position you let me experience last time, I decided to research more sex positions your race discovered that I've never heard of," Rowena began to explain as she began to move her lower half slowly, causing her her pussy to rub Adam's cock through the lingerie she was wearing.

“During my research, I learned several things, including what a homoflexible is. While bisexual describes a person who is attracted to more than one gender, homoflexible specifically indicates a preference for same-sex attraction with rare exceptions or fluidity toward another gender.”

“You learn something new every day,” Adam remarked before asking, “So Kasumi is open to sleeping with men but prefers women?”

“Pretty much, though she's never been with a man,” Rowena replied before adding, “At least that’s what she claims.”

“Claims?” Adam repeated before asking darkly, “Is this to do with how you suspect that Kirchiro of raping her?”

“Yes, babe,” Rowena replied before continuing, “The fact that she might have been raped is already serious enough that if it turns out to be true, I will kill that guy. However, if she still has her virginity intact, then her joining the harem is even more of a serious consideration for her than you can imagine.”

Adam raised his eyebrows at Rowena’s tone before asking, “What do you mean?”
