Chapter 657: Mental addiction\*\*\*

Rowena thought for a few moments while she continued to rub her wet pussy against Adam's erect member through her lingerie before saying, "When I first told you about Kasumi and her situation, you were surprised at the fact that betrothals or arranged marriages still exist."

"That's right," Adam replied as he slid his hand inside Rowena's lingerie to better feel her amazing ass.

"Well, there's a reason why betrothals for women still exist within the nine families of the Nogitsune," Rowena said as she stopped rubbing herself against Adam and looked at him seriously before adding, "You need to promise me that you won't tell anyone about this, not even Stacey and Lorelie, unless Kasumi gives you permission."

"Is it really something that serious?" Adam asked in surprise as he stopped groping Rowena's ass and just rested his hand against it.

"Yes," Rowena replied before adding, "I honestly shouldn't even be telling you this without her permission, since she confided this in me."

"Then perhaps you should stop until you get her permission," Adam replied in an equally serious tone.

"But you need to know this," Rowena replied as an internal struggle commenced between her loyalty to her friend and to her love.

Adam, seeing the distress and confusion flashing through Rowena's eyes, removed his hand from her lingerie before pulling her down against his chest and hugging her.

Rowena didn't resist and lowered all her defences as she allowed herself to fall into Adam's protective embrace, where she closed her eyes and just let him gently stroke her long, white hair.

The pair stayed like that for a few minutes as Adam let Rowena calm down before he said, "If she told you this secret in good faith, you shouldn't just reveal it to me. You should first get her permission. The

last thing either of us wants is for your friendship with Kasumi to sour because you failed to keep her secret.”

“Mmm,” Rowena replied in agreement as she continued to enjoy the embrace before finally saying, “I will speak with Kasumi about this.”

“That’s probably a good idea,” Adam replied as he continued to gently stroke Rowena’s hair before she pushed herself up to glare at him while pouting and asked.

“What is this stupid effect you have on me? I’m supposed to be over two thousand years older than you and yet here I am acting like a little girl that needs your protection.”

“Haha, is that wrong?” Adam laughed with a chuckle before continuing. “We all need to be able to relax and let our hair down sometimes; otherwise the stress would eventually overwhelm us.”

“I get that, as I’ve experienced it several times in my long life, what I’m asking, though, is why I feel so safe and secure in your arms. None of my previous husbands made me feel this secure and this is even after everything Philip did to me back then.”

Adam thought for a moment before asking with a frown, “Could it be my blood?”

“What do you mean?” Rowena asked as her pout turned into a more serious expression.

“We know my blood is altering Stacey physically since she is becoming more Brood and less Terran, while your hair changes colour,” Adam replied as he cupped some of Rowena’s now white hair to show her before he continued.

“But could my blood be affecting you in some mental way as well since you're now addicted to it?”

Rowena thought for a moment before nodding and saying, “An addiction to something like drugs is both mental and physical, so it is possible.”

“Perhaps we should consider limiting how often you both feed on my blood, then, after all, any kind of addiction is generally bad,” Adam said in concern.

“Does that include being addicted to this?” Rowena said in a teasing tone as she once again began rubbing her wet pussy against Adam’s dick.

“Here we are trying to have an important conversation and all you can think about is my dick,” Adam said with a smirk.

“Well, it’s such a tasty dick and I’m really horny right now,” Rowena replied while licking her lips in a tantalising way before suggesting, “How about we fuck and continue this conversation after?”

“And here I thought you wanted to talk about Erkath joining the harem,” Adam said while sliding his hand back into Rowena’s lingerie, where he had one of his fingers start rubbing Rowena’s wet pussy.

“Mmm, I do, but not tight now,” Rowena replied as she leaned forward and stuck out her tongue to lick Adam’s lips.

“Is that right?” Adam replied as he slid his finger inside Rowena’s pussy, slightly eliciting a shiver and moan of pleasure from her before asking, “Did you find any interesting positions from your research that you want?”

“Mmm, many, many positions,” Rowena gasped as she enjoyed Adam's touch while pushing her wet pussy even more against his erect member before saying, “But since I’ve been such a bad girl in sending you to the couch and need punishing for it, I think you should use the handcuffs position on me.”

{Spector, please display how to use the handcuffs sex position on my HUD.} Adam thought since he wasn’t all that experienced in the different positions himself.

[Affirmative.] Spector replied before displaying the requested information for only Adam to see.

“So you want to put yourself entirely at my mercy and let me fuck your ass?” Adam asked as he slid his finger inside her even more.

“Mmm, yes, I know you enjoy anal and last time felt so good, baby,” Rowena moaned.

“Very good,” Adam smirked before extracting his finger, after which he gave Rowena’s plump ass a spank, eliciting a small yelp before pushing her off him and getting off the bed.

“Now come here,” Adam instructed after walking to the end of the bed.

“Mmm, I kind of like this play,” Rowena replied as she bit her lip while crawling towards him on all fours.

As she reached the end of the bed, she swung her long legs around, letting Adam admire them before hopping off the bed and wrapping her arms around him and kissing him.

Adam returned the kiss for a few seconds before forcefully spinning her away from him and pressing down on her back so that she was forced to lean over the bed with her chest resting against it.

“We wont need these anymore,” Adam said as he ripped Rowena's underwear off, eliciting a giggle from her before she said.

“But you seemed to like them so much.”

“It’s not like we can’t get you another pair,” Adam replied before he spread Rowena’s ass with his hands and began to push his dick inside her wet pussy.

“Mmmmm, fuuuccckkkkk yeeeeessss,” Rowena moaned as she pushed herself slightly off the bed at feeling his dick inside her.

“Where do you think you're going?” Adam asked as he reached forward and grabbed both her arms before twisting them behind her, causing her chest to collapse onto the bed again.

Adam held both her wrists tightly together as if she were bound by handcuffs before he slowly started to thrust forward and backwards.

“Ohhh myyy gooodddd, iittttt ffeeeeellllssss ssoooooo gooodddd,” Rowena moaned in pleasure as she was caught by surprise at how good this position felt.

Never before had a man given her so much pleasure right from the start and she couldn't help deciding there and then that she was definitely going to experience every sex position Earth had discovered.

“Fuck, you're so tight tonight,” Adam groaned as he felt Rowena's pussy tighten around his cock as if not wanting to let it go.

Rowena moaned into the sheets before her muffled voice said, “It's because mmm, this is amazing, mmm, you're amazing. I mmm wish I had met you mmmm hundreds of years ago.”

“If you had, Stacey wouldn't have been born,” Adam replied as he took both of Rowena's wrists in one hand and used his free hand to spank her ass cheek, eliciting a moan from Rowena mixed with equal amounts of pleasure and pain.

“Not mmmm, not unless she became mmmm your granddaughter mmmm,” Rowena replied.

“What are you even saying?” Adam asked in surprise as he spanked her again.

“I mmmmm, I don't know mmmmm, my mind mmmmm, is foggy mmmmm,” Rowena replied and with each sentence she attempted to say, fewer words and more moans of pleasure were heard.

“Fuccckkkk,” Adam groaned as Rowena's pussy seemed to grip his dick even more as her words failed her, causing him to muster all his willpower not to cum so quickly.

“He hadn't told Stacey, Lorelie and Rowena, but he himself was seriously backed up; it had been too long since he had last had a release and with him now having three beautiful women he fucked almost every night, his body had gotten used to regular release.

In the end, he couldn't hold back any longer and ejaculated into Rowena's tight pussy an amount greater than he ever had before.

Rowena bit into the sheets and moaned in pleasure as she climaxed at the feeling of Adam's warm cum entering her pussy.
