

Read Novel The Sweet Pursuit Chapter 22

The sweet pursuit Chapter 22-Only Ling Jiuze and Shen Ming were left in the corridor, both of them were about the same height, and they were both outstanding in appearance and extraordinary temperament, the atmosphere in the corridor was solemn, and the light seemed to be a little darker.

Shen Ming's fox's eyes flashed with a cold light, and he hooked his lips, "Su Xi is really President Ling's niece?" Then why isn't her surname Ling? Ling

Jiuze said indifferently, "No matter what her surname is, she also calls me Second Uncle."

Shen Ming clenched his back teeth and squeezed out a smile, "Is it? I thought I recognized it temporarily! Ling

Jiuze smiled lightly, "I'm not so bored, I won't temporarily recognize a niece, let alone a girlfriend!"

Shen Ming raised his eyebrows, "Although Xixi only agreed to be my girlfriend last night, it is not temporary."

Ling Jiuze was abrupt, "Then I can indeed afford President Shen to call me Second Uncle!"

Shen Ming, "..."

Grass!

Tricked by him!

Zhao Tianhai and the others just found out, and the two of them fought fiercely for three hundred rounds, and then looked away together without incident.

Back in the private room, Shen Ming always felt that he was a lifetime shorter than Ling Jiuze by virtue of whiteness, and his heart was on fire, seeing that nothing was going well, and the wine banquet was not over, so he found an excuse to leave.

.....

Su Xi and Sheng Yangyang returned to the private room, Sheng Yangyang sat down on his butt, and asked directly, "Is it because of that slut named An Tong?"

Su Xi's eyes picked up slightly, "You know her!"

Sheng Yangyang sneered, "I was going to send 'warmth' to Lu Mingsheng in the middle of the night before, but before I went in, I caught her and slapped her." I

thought that slap would teach her a long lesson, but it seems that it did not.

She took a sip of red wine and asked, "What did she say that angered you?"

Su Xi simply said what he heard in the bathroom.

Sheng Yangyang's face was as usual, and he took out his mobile phone to find Lu Mingsheng in the recent call record and dialed it.

There was only one sound, and the gentle voice of the man sounded over there, "Yang Yang."

Sheng Yangyang asked, "An Tong is still in your company?"

Lu Mingsheng let out a "hmm" and asked, "What's wrong?"

"It's not much, just now Xi Bao heard An Tong bragging with others in the bathroom, saying that the role of the second female last time made you sleep happily." Xi Bao was angry and beat her, it won't delay her to earn money for you, right? Sheng Yangyang's drilled nails knocked on the table, and his smile was creepy.

Lu Mingsheng was silent for five seconds before calmly speaking, "No, because from tomorrow, she will get out!"

After

speaking, he lowered his voice and explained softly, "I have not slept with her, and I have no improper relationship.

Sheng Yangyang's joking tone, "People say that there are noses and eyes.

Lu Mingsheng said, "Are you still happy? I'm over now!"

After

speaking, he hung up the phone directly.

Sheng Yangyang put down his mobile phone and glanced at the table, "The dishes are cold, I asked the kitchen to change to a new one."

Su Xi didn't speak, only took a sip of wine, and asked softly, "Are you tired with Lu Mingsheng?" The

Sheng family and the Lu family are family friends, Lu Mingsheng and Yang Yang have known each other since childhood, even if they are childhood sweethearts, their relationship has always been very good, and they were engaged last year.

The Lu family's industry is mainly media and entertainment companies, Lu Mingsheng, the prince of the Lu family, is golden and handsome, and there are not ten women who pounce every day, but also eight.

There are often lace news of Lu Mingsheng and a certain star in entertainment headlines, and the status of Shengyang Yangdonggong will not change, but often face these bad things, won't you be tired?

"Get used to it!" Sheng Yangyang exhaled and said with a smile, "You know my feelings for him, and there can't be anything for me to give up." "
