

## Read Novel The Sweet Pursuit Chapter 26

The sweet pursuit Chapter 26-In the afternoon, Su Xi took a leave of absence with the school and accompanied Ling Yihang to the school.

When they arrived at the school, the two went straight to the head teacher's office, knocked on the door and entered, the class teacher was not there, and the other teachers knew that Su Xi was the parent who came to solve the matter, and they were very polite, poured her a glass of water, and asked her to wait for a while.

She vaguely heard two teachers discussing, "Who is this?"

"Parents of students."

"So young? I look like a student! Ling

Yihang whispered to Su Xi, "Don't worry, it's okay, I'll explain to our teacher later that my second uncle likes young people."

Su Xi, "..."

She wanted to say, in fact, you don't need to explain, men like to be young!

One after another, teachers came in, and some teachers knew Ling Yihang and came over to greet them cordially, saying that Ling Yihang had made a lot of progress in his studies recently.

Su Xiquan should praise her and be modest.

There were more and more teachers, and in order not to disturb the teachers' office, Su Xi took Ling Yihang to the next conference room and waited.

The two waited for about five minutes when someone pushed the door and came in, dressed in a blue striped suit and black-framed glasses.

Ling Yihang got up, "Hello Teacher Wang, my second aunt is here!"

Su Xi stepped forward and said with a gentle smile, "Teacher Wang, I am the second aunt of Yihang.

Teacher

Wang showed a stunned expression, and then said with a smile, "Yihang's

second aunt is also here, and it just so happens that I also called your second uncle!”

After Teacher

Wang finished speaking, he turned his head to the humane who came in behind him, “Mr. Ling, what a coincidence, your wife is also here!” Su

Xi turned his head abruptly, facing the man’s inky eyes, his brain buzzed, and the whole person froze!

Ling Yihang was also startled, swallowed his saliva, and shouted, “Second, uncle!” Ling

Jiuze’s long eyes swept over the two of them, with a hint of unclear meaning, and the emotional “um” could not be heard in his tone.

Teacher Wang smiled at Ling Yihang, “I called your father, he couldn’t come back abroad, gave me the phone to let me find your second uncle, but I didn’t expect that you yourself invited your second aunt!” Then he

said apologetically to Su Xi, “Trouble let you run.”

Su Xi did not dare to look at Ling Jiuze and forced himself to calm down, “Yes, Yihang is afraid that his second uncle is busy, so let me come.”

“Yes, anyone can come.” Teacher Wang smiled warmly.

Ling Jiuze looked at Su Xi with deep eyes, “You take a flight out and wait, I’ll solve it.”

“Oh, good!” Su Xi nodded repeatedly, not daring to look at Ling Jiuze, and pulled Ling Yihang to walk out quickly.

Leaving the office, Su Xi’s face changed, staring at Ling Yihang murderously, “Didn’t you say that he definitely wouldn’t know?”

Ling Yihang said unjustly, “The teacher asked me to call my parents, how did I know that she called my father again behind her back!”

Su Xi gritted his teeth, “I’m going to be killed by you!” ”

.....

Ling Jiuze drove over by himself, and when he was an hour, he sat in the driver's seat, followed by Su Xi and Ling Yihang.

The car stopped on the side of the road and did not move, Ling Jiuze answered a few calls to deal with things in the group, Su Xi and Ling Yihang sat straight and reduced their sense of existence as soon as possible.

When Ling Jiuze hung up the phone, Su Xi immediately spoke, "Mr. Ling, this matter is wrong with me, I shouldn't have lied with Yihang, I didn't set a good example, I apologize to you, apologize to Yihang."

Ling Yihang immediately said, "It's none of Teacher Su's business, I forced her to impersonate my second aunt."

"It's that I'm not good, Yihang is young and insensible, I'm already an adult, I should have a correct view of right and wrong."

"It's all said that it's okay with you!" Ling Yihang escorted her, "Of course you listen to me when you take my family's money." "
